Wolfgang Wins Opener!!!

Knoxville, IA – Doug Wolfgang of Des Moines, Saturday night served immediate notice to the competition that he plans a strong defense of his 1976 driving championship here at Knoxville Raceway. For the second year in a row, Wolfgang came home the winner of the opening night feature event at the half-mile oval. Wolfgang started in the sixth spot by virtue of having the fastest time trial of the night, and by the second lap, Doug have moved the Dave Van Patten sprinter into second place behind Lenard McCarl. On the second lap, Wolfgang moved in front of McCarl, who finished second. Don Maxwell of Lincoln, Nebraska finished third, with Mason City's Stacy Redmond passing six cars to finish fourth. Gary Scott was fifth, with the second five made up of Ralph Blackett, Roger Larson, Lloyd Beckman, Lonnie Jensen and JJ Riggins.

Wolfgang won \$500 for his effort in the feature. Wolfgang started the night in high style by taking fast time with a lap of 20.733 seconds. In the trophy dash, Lenard McCarl jumped out to the front spot and held it all the way to win the five-lap event. Heat races went to Gary Johnson of Colfax, Randy Smith of Des Moines, Roger Larson of Madison, South Dakota, Don Maxwell of Lincoln, Nebraska and Mike Thomas of Des Moines. Stacy

Redmond won the consolation event, edging out Ron Milton of Jacksonville, Illinois at the finish line in the most exciting finish of the evening. Milton lost a substantial lead in the race when the yellow flag came out for a spin out on the seventh lap. The only mishap of the night occurred in the third heat of the evening, when Mike Pinckney hit the wall, flipping over his Fred Kain owned sprinter. Pinckney stepped out of the car uninjured, but was taken to Collins Memorial Hospital for observation.

A crowd of 4,000 watched 42 sprinters compete for a purse of \$3,500.

The Wolf Gobbles Up Another Win!!!

by Ken Sargent

Knoxville, IA – Doug Wolfgang made it two features in a row at the Knoxville Raceway by winning the main event Saturday night, May 14. Wolfgang, starting sixth by virtue of fast time, moved quickly to the second spot by the first lap and after a spin out, moved past Ralph Blackett to gain the number one spot by the second turn and he held the lead the rest of the way. The start of the feature caused the only yellow flag of the evening. Jerry Blundy was bumped in turn two while jockeying for position, and was forced out into the fence. Blundy was not hurt but was sidelined for the remainder of the race. On the second try at the start, Bob Hop of Mendota, Minnesota, lost a wheel coming out of turn four, sidelining him for the main. The third time was the charm with the green coming down and Blackett moving on the number one spot. On the second lap, Butch Bahr got a little sideways in the first turn and was bumped by Randy Smith and both went easily into the fence. Neither driver was injured and Bahr returned to the race. On the restart, Wolfgang made his move and gained the lead. Blackett held the second spot until the fifth lap, when Don Maxwell went around him and went on to finish second.

42 cars and drivers signed in with 38 timing before an estimated crowd of 4,000 fans.

Wolfgang Wins With Quick Time at Knoxville

Knoxville, IA – Doug Wolfgang of Des Moines won \$1,000 by racing the fastest one-lap time trial at Knoxville Raceway Saturday in a program that was shortened because of rain.

Lonnie Jensen of Lincoln, Nebraska won the trophy dash, Mike Pinckney of Des Moines the first heat and Mike Thomas of Des Moines the second heat.

Wolfgang Wins Mini-National!!!

by Ken Sargent

Knoxville, IA – Doug Wolfgang made it three wins in a row by taking the 25-lap Mini-National Saturday night at Knoxville Raceway. Wolfgang made a clean sweep of things, taking fast time, the trophy dash, his heat race and the main event. Wolfgang started sixth, but by the fourth lap had the Bob Trostle sprinter into the first spot and slowly built his lead to a half a lap before a yellow caution flag for a spinout took away his margin. The yellow came out on the 24th lap and Wolfgang had no trouble maintaining his lead on the restart. Gary Dunkle led the first three laps and held on to grab second place money of \$1000. Wolfgang got \$1500 for first place. The best competition came in the race for third place where Bob Williams, Lenard McCarl and Don Maxwell staged a battle throughout much of the race. On the 20th lap, Williams took advantage of a slower car in traffic, picked the right spot and moved into third to stay. McCarl was still behind the slower car when the spinout took place on the 23rd lap and put him out of the race. Lonnie Jensen wound up fifth. Lloyd Beckman finished sixth, Ralph Blackett was seventh, Bobby Marshall passed eight cars to finish eighth, David Dwyer and Steve Hainline finished out the top ten. Heat race winners were Billy Robison, Bobby Marshall, Gary Johnson and Wolfgang. The special C main which was a make-up of last week's rained out feature event went to Adrian Zoutte. The B main was won by Lonnie Jensen.

The only mishap of the night came in the C main. On the second lap, Jim Hetrick spun in the fourth turn and was hit by John McClure. McClure got upside down and wound vertically into the fence in front of the grandstand, while Hetrick went down into the infield, taking out a piece of the infield fence. Both drivers were

shaken up and were taken to Collins Hospital in Knoxville for treatment. Both returned to the track before the night was over.

Wolfgang has now had the fast time all four weeks, and won two out of three heat races. 45 cars were here for the Mini-National.

Wolfgang Wins Four in a Row!!!

by Ken Sargent

Knoxville, IA – Doug Wolfgang, of Des Moines, appears unstoppable at Knoxville Raceway, as he made it four straight Saturday night, June 4. Only Bob Williams kept Wolfgang from making it a clean sweep for the second straight week. Williams edged the defending season champion for first place in the Trophy Dash. As he has every night this season, Wolfgang set the fast time with a lap of 20.430 seconds. He started last in his heat, moved to fifth by the third turn, almost kissed the wall and fell back to eighth. But then he started clipping off the positions like a Sunday freeway driver, moving into the first position by the sixth lap. The main event, he started sixth, moved to third by the first lap and after a yellow flag, flew by Stacy Redmond and JJ Riggins to take over the lead for good. He lapped half the field and wound up with a half-lap lead over Lloyd Beckman, who was second. Redmond finished third, Riggins was fourth and Butch Bahr fifth. Mike Pinckney pitted when the yellow flag came out on the second lap, an illegal move, and was forced to start on the tail on the restart. Pinckney then put on the best passing show of the feature, winding up eighth. Heat races were won by Mackie Heimbaugh, Steve Hainline, Tom Corbin and Wolfgang. Riggins won the consolation. 35 cars were on hand for the program.

Wolfgang Sets Knoxville Mark by Sweeping Twin Features

Knoxville, IA – Doug Wolfgang of Des Moines won both features Saturday night to become the first driver to win six straight features at the Knoxville Raceway.

Wolfgang won the first 16-lap feature in 5 minutes, 44.12 seconds, then captured the second in 5:51.87, despite starting last. The finishing order of the first feature was inverted for the second, but Wolfgang had overtaken the 18 other drivers by the end of the fifth lap.

Wolfgang earlier won the fourth heat in 2:49.43 over runner-up Lenard McCarl of Des Moines. McCarl was also second in the first feature.

Lonnie Jensen of Lincoln, Nebraska suffered minor injuries in the night's only accident when his car crashed into two others, then plunged into a fence. Jensen was treated and released from a local hospital.

Seventh in a Row for Doug Wolfgang!

by Ken Sargent

Knoxville, IA – Doug Wolfgang made it seven wins in a row at Knoxville Raceway by taking the feature event, Saturday night, June 18. For the second time this season, the Des Moines ace made a clean sweep of things, taking the trophy dash, his heat, the feature and setting fast time with a lap of 20.439. This week, however, things were not quite as easy for Wolfgang. Lloyd Beckman gave him all he wanted. Beckman and Wolfgang started in the third row of the main, but by the end of the first circuit, Beckman was running second behind Ralph Blackett. On the sixth lap, Lloyd went around Blackett and one lap later, so did Wolfgang, and the duel was on. With Doug right on his tail, Beckman did a super job of sorting through traffic and keeping in front of

Wolf at the same time. On the 13th lap, JJ Riggins brought out the yellow flag when he broke his right wheel in two and rolled it off. It was the end of a frustrating night for Riggins, because it was the second \$180 wheel that Riggins broke. On the restart, Beckman held off Wolfgang for one more lap before Doug took over for his 7th victory. Beckman finished second with Bob Williams third, after starting eighth. Ralph Blackett wound up fourth and Don Maxwell was fifth. The second five were made up of Billy Robison, John Stevenson, Stacy Redmond, Gary Dunkle and Sonny Smyser.

In addition to Wolfgang, heat race winners were Dell Schmidt, Tony Webster and Gary Dunkle. Riggins managed to keep a wheel together long enough to win the consolation.

The only mishap of the evening came in the fourth heat on the second turn of the first lap. Gary Johnson and Wolfgang tangled, and Johnson flipped his car. Gary was not injured, but was sidelined for the evening.

Knoxville, IA – Doug Wolfgang made it eight feature wins in a row Saturday night, June 25 by taking the 25-lap main event for the Mid-Season Championship. Starting in his customary sixth position because of fast time, Wolfgang raced by four of the cars on the first lap and on the first turn of the second lap went by Butch Bahr to take the lead for good. Wolfgang wound up with nearly a half-lap lead over Bahr and lapped half of the field. Bobby Marshall, up all the way from Dallas, Texas, started fifth and finished third. Mackie Heimbaugh, in his best finish ever, was fourth, and Sonny Smyser was fifth. The second five was made up of Billy Robison, John Stevenson, Lonnie Jensen, Lloyd Beckman and Stacy Redmond.

Wolfgang's fast time was 21.283 over six-tenths of a second better than anyone else. Wolfgang was kept from his third sweep of the season when a spark plug wire was knocked off in the trophy dash. Other heat race winners were Mike Brooks, Rich Brahmmer and Tony Webster. Sonny Smyser won the ten-lap consolation race. 37 cars were on hand for the mid-season affair and the yellow flag was not used throughout the evening. Next week's purse will be \$6,400 and \$1,250 going to the main event winner. In addition to the sprint show next Saturday night, motorcycles will take to the half-mile on Sunday afternoon, July 3, and stock cars will battle it out on Sunday night, July 3.

Nine Feature Wins in a Row for Doug Wolfgang as Rain Delays Races

by Ken Sargent

Knoxville, IA – Not even the rain can stop Doug Wolfgang from winning at Knoxville. Despite rain delaying action three times, Wolfgang won his ninth feature in a row July 2nd. With thirteen of the 37 cars timed, the rain began and caused the first delay. After the track was ironed out again, the decision was made to skip the rest of the time trials and draw for positions. The first heat was run and a second rain delay set in. After the second heat, another delay was forced by the rain. After it stopped this time, it quit for good and cleared the way for the best main of the season.

By virtue of his draw, Wolfgang started 15th. Bill Robison started on the pole and took the lead for the first ten laps, battling Mackie Heimbaugh tooth and nail for the lead. Heimbaugh took over the front spot on the eleventh lap and at the same time, Wolfgang moved into the fourth spot. On the thirteenth go-around, Butch Bahr and Wolfgang both moved by Heimbaugh to take over the top two spots. Bahr held off Wolfgang until the 17th lap when Doug went around him in turn three and took over the lead for good. Bahr held on for second, while Heimbaugh finished third, JJ Riggins was fourth and Stacy Redmond fifth.

The second five was Lonnie Jensen, Mike Pinckney, Billy Robison, Jerry Blundy and Jerry Potter. Wolfgang again made it a sweep by taking his heat race and the trophy dash. Since time trials were not run, the trophy dash was made up of the four heat winners: Wolfgang, John Stevenson, Potter and Lloyd Beckman. Gary Dunkle took the 12-lap consolation event. 37 cars were on hand for the program that was run off smoothly except for the rain delays.

Beckman Stops Wolfgang's Winning Streak Here!

Knoxville, IA – Lloyd Beckman became the first man to beat Doug Wolfgang this season at Knoxville by winning the 20-lap main event Saturday night, July 9. The veteran driver from Lincoln, Nebraska started in the third spot and he and pole-sitter Ralph Blackett had built up a good lead after four laps with Blackett in the number one spot. On the fifth lap, a yellow flag came out for Gary Scott. This gave Wolfgang a bit of a break, because he was able to pull up on Blackett and Beckman. On the restart though, the pair pulled away again, and on the sixth lap, Beckman went around Blackett as they roared out of the fourth turn. Earlier in the same lap, Wolfgang went a little too high and hit the fence in turn two. Doug managed to get it back under control and stay in the race, but he had lost valuable time. After passing Blackett, Beckman led the rest of the way, winning by about ten car lengths over Blackett, who nipped Wolfgang at the line. Randy Smith ran fourth and Butch Bahr was fifth. The second five was made up of Ron Milton, Stacy Redmond, Bill Curtis, Mackie Heimbaugh and Sonny Smyser. Beckman, who is in his second year back after a layoff from sprint car racing, stopped Wolfgang's streak at nine. In the winner's circle after the race, it was hard to tell who was happier, Beckman, or the crowd. The 50 year old Lincoln ace has been a crowd pleaser all season, after dancing a jig when he won a trophy dash earlier in the year.

The track was a little bit on the dry, hard, slick side and resulted in several spinouts, but no major incidents. Beckman brushed the fence coming out of turn four in his heat race. The heat races went to Sonny Smyser, Jerry Blundy, Ron Milton and Mackie Heimbaugh. Blackett won the trophy dash, Randy Smith the consolation and Wolfgang had fast time trial, as he has every week but one this season. He turned the half mile in 20.660. 37 cars were on hand for the program.

Lloyd Beckman Wins Feature Second Week in a Row!

by Ken Sargent

Knoxville, IA – Lloyd Beckman captured his second consecutive feature by taking the checkered flag Saturday night, July 16. Beckman, who snapped Doug Wolfgang's winning streak at nine the previous week, took over the lead to stay on the 7th lap. But before that, Dave Engerbretson, Butch Bahr and Beckman were staging quite a battle. Engerbretson started on the pole, and led the first six laps, with Bahr and Beckman right on his bumper. Engerbretson and Bahr turned the entire fourth lap wheel to wheel with Engerbretson just having his nose in front. On the sixth lap, Beckman went high in the third turn to get around Bahr, and one lap later, used the same spot to move past Engerbretson and take the lead. The only challenge to his lead came on the 14th lap, when the yellow flag caused a restart and allowed Bahr to close the gap. But on the restart, Beckman pulled away to win comfortably. Bahr finished second, JJ Riggins got around Engerbretson for third, while Dave finished fourth and Randy Smith was fifth.

Jerry Potter took the trophy dash, with heat races going to Terry Turbak, Galen Martin, Beckman and Bahr. Randy Smith won the consolation event for the second straight week. 43 cars were on hand to compete for the \$7,100 purse.

Wolfgang Wins at Knoxville

Knoxville, IA – Stopped two weeks by Lloyd Beckman, Doug Wolfgang moved back into the winners' circle Saturday night, July 23.

For the Des Moines ace, it was his 10th feature victory in twelve weeks of racing here. Only Beckman kept Wolfgang from a clean sweep by taking the five-lap trophy dash.

The feature event got off to a nasty start when Gary Dunkle and Gary Johnson bumped, and Dunkle spun sideways. The rest of the field, about ten cars, faced a difficult and impossible task of trying to avoid them.

JJ Riggins got the worst end of the deal. He was sent into the fence upside down. Riggins suffered a minor shoulder injury, and was treated and released at Collins Memorial Hospital.

The accident sidelined Riggins, Dunkle and Mike Brooks.

When the race was restarted, Ralph Blackett moved into the lead on the first lap, but Beckman went around him on lap two and held the lead until the 15th lap. After Wolfgang raced with him for two laps, Lloyd couldn't hold him off any longer, and Doug took over first.

The yellow flag came out on the next lap for Randy Smith's spinout. On the restart, Blackett took over second from Beckman and they finished that way.

Wolfgang had started sixth by virtue of fast time, with a lap of 20.596 seconds. Butch Bahr finished fourth with California driver Jimmy Boyd fifth.

The second five consisted of Mike Pinckney, Shane Carson, Lee Osborne, Ron Milton and Mackie Heimbaugh.

It was a long, tiring night for Heimbaugh. He had troubles in timing and failed to make the top 32 for the show. That put him into the C main which he won.

That qualified him to start at the back of the B. He sliced his way through the pack coming up to finish fourth, qualifying him for the A. Again starting on the back, he came up to the tenth spot.

Gary Johnson of Colfax won the B main. Heat races went to Lee Osborne, Tony Webster, Beckman and Wolfgang.

Forty-seven cars were on hand for the races. Next week, the purse will be \$7,300.

Kenny Weld Wins National Opener!

Knoxville, IA – Four-time National Champion Kenny Weld won the 20-lap feature event, but Doug Wolfgang came away with the top qualifying spot from Wednesday night's qualifying at the 17th Annual Nationals in Knoxville.

Wolfgang earned 492 out of a possible 500 by taking fast time, second in his heat and fourth in the main. Weld, with sixth fastest time, started on the front row pole position and led the entire 20 laps to pick up the \$1,000 first prize.

Butch Bahr started fifth and wound up second. Bobby Marshall was third, Wolfgang fourth, and Steve Kinser fifth, after starting 16th.

The second five was made up of John Stevenson, Paul Pitzer, Randy Smith, Jimmy Sills and Gary Patterson. All 20 cars in the main finished the race.

The four heat race winners were Weld, Pitzer, Mackie Heimbaugh and Jon Backlund. The track turned an unusual dry-slick during the night's racing, giving the advantage to the early starters in time trials. Several of the drivers on the tail of the list spun during their time trials, but Lee James was the only driver to flip over.

James was not injured and the car, after minor repairs, was ready to come back out for James' qualifying lap. Sixty-two cars entered and signed in, with 60 timing.

The top ten point earners Wednesday were: Doug Wolfgang 492; Butch Bahr 488; Bobby Marshall 486; Kenny Weld 480; Gary Patterson 468; Randy Smith 464; Jimmy Sills 452; John Stevenson 450; Lonnie Jensen 448; Bob Geldner 448.

Shuman Races to Thursday Night Win!

by Ken Sargent

Knoxville, IA – The “Flying Shoe”, Ron Shuman, raced to victory in the feature event at the second night of the 17th Annual National Championships at Knoxville, Thursday, August 11.

Driving the R&H Farms sprinter, Shuman took over the lead on the seventh lap of the 20-lap main event and stretched out the lead to win over Rick Ferkel. Shuman started in the third position.

Tom Corbin wound up third with fast timer Bobby Allen fourth, and Roger Rager fifth. The second five was made up of Tommy Hunt, Dub May, Lealand McSpadden, Bubby Jones and Hooker Hood.

The race was stopped one lap short as the yellow flag came out for Dave Ellis on the white flag lap. Heat races went to Ferkel, Bob East, Dave Ellis and Dub May.

Two drivers overturned in hot laps prior to time trials. Jim Olson of Rapid City, South Dakota flipped his car in the first turn, with Daryl Daugherty of Findlay, Ohio, rolling his in the second turn. Neither driver was believed to be seriously injured, though both were taken to Collins Memorial Hospital for observation.

Bobby Allen came out the top qualifier of the night with 488 points, with fast time, fourth in his best heat, and fourth in the main. However, his total was four points less than Wednesday night leader Doug Wolfgang, giving Wolfgang the pole for Saturday night.

The top ten Thursday qualifiers: Bobby Allen 488, Tom Corbin 484, Ron Shuman 484, Bubby Jones 478, Rick Ferkel 468, Tommy Hunt 466, Sonny Smyser 456, Roger Rager 456, Dub May 456 and Bob East 442.

Dick Gaines Victorious on Friday!

by Ken Sargent

Dick Gaines, 1974 Nationals Champ, came home the winner Friday night, August 12, in the feature race for drivers failing qualify for Saturday night's National Championships. The Mitchell, Indiana driver took over the lead on the tenth lap, and stayed in front the rest of the way.

Shane Carson had led the first ten laps, but his motor let go in the first turn of the 11th lap, spilling oil on the track and bringing out the yellow caution flag.

Before traffic could get stopped, Rick Goade hit the slick spot, and at the same time, his engine let go, slamming him into the fence in turn one. Goade was taken to Collins Hospital for treatment of a shoulder injury.

On the restart, Gaines took off with JJ Riggins on his tail, and they stayed one-two through the final ten laps. Kim Lingenfelter wound up third, with Jimmy Boyd fourth and Tony Webster fifth. The second five was made up of Buddy Cochran, Shelby Steenson, Gary Dunkle, Larry Clark and Wayne Bennet.

Gary Dunkle won the 12-lap B main, but the real show in that race was put on by Junior Gutknecht and Lee James. James won the C main event to start at the back of the B.

He quickly worked his way up to sixth in the field by the third lap. There he encountered Gutknecht and the pair battled the remaining nine laps in the race, moving into fourth and fifth, respectively on the fifth lap.

Gutknecht used the high groove to finish fourth, while James in the low groove ran fifth. The heat races went to Boyd, Cochran, Gaines and Webster, with Buster Venard taking the five-lap trophy dash.

By finishing one-two, Gaines and Riggins won the nod to start the C main event in the Nationals on the tail end.

Wolfgang is Nationals Champion!

by Ken Sargent

Knoxville, IA – Doug Wolfgang made it look easy Saturday night, August 13, crowning a winning season at the Knoxville Raceway with a far-in-front victory in the 1977 National Sprint Car Championships.

Wolfgang, the hero of fans who packed the grandstands from all parts of the country, was challenged only in the third turn of the first lap, when Bobby Allen chased by.

Wolfgang started on the pole position and Allen was on the outside of the front row.

By the second lap, however, Wolfgang had things back under control, dueling with Allen until the third turn when he took away the lead never to relinquish it.

He stood far ahead of the rest of the field when his orange race #20 crossed the finish line 30 laps and 15 miles after the green flag dropped to start the race that capped the season for the winning young Des Moines racer.

It was the lanky blonde's 34th feature win of the year and his 11th in 15 starts at the Raceway.

Wolfgang's auto is owned by Bob Trostle, Des Moines, and Gary Mussato, Osage Kansas. The Des Moines' ace has won all but three of his features this year in the sprint racer.

He proved that he and the machine were tops in their field again Saturday and was mobbed by fans, officials and the '77 race queens when he drove into the winner's circle in front of the announcer's stand to accept the trophy and the \$4,500 first prize.

Taking a sharp turn into the grass circle after his win, his arms shot up through the roll bar roof in a salute that brought a roar from the crowd that had poured out of the stands to help celebrate the champ's newest victory.

Undaunted by the crowd that surrounded him and his wife, Wolfgang praised the season-long help of his mechanic and pit crew. The car, he said, had been their sole concentration "from 8 a.m. to 10 p.m. every day in Des Moines," except for the days they were winning on the road.

Wolfgang becomes the first Iowan ever to win the Nationals, taking the checkered flag in the competition's 17th season.

Added to the feature purse, Wolfgang won fourth place in the trophy dash and lap and contingency money brought his Saturday night paycheck to an unofficial \$7,550.

But the home favorite was only one of the stars in the sprint car finale.

After starting 13th, Lealand McSpadden pulled up second in the feature. He had rocketed to fourth place by the 10th lap when the yellow flag came out for Gary Patterson, who blew a tire and rolled on the east turn.

Two laps after the restart, McSpadden was in third place, and two laps later, he clinched second for good.

Bubby Jones raced to third after starting out eighth. Fourth place was won by Bobby Marshall and Bobby Allen, Wolfgang's challenger in the early laps, wound up fifth.

Making up the second five were Ron Shuman, four-time champion Kenny Weld, Sammy Swindell, Randy Smith and Butch Bahr.

The eighth place finish closed the book on a super performance by Swindell. The Memphis, Tennessee youngster finished second to Eddie Leavitt in both the C Trophy Dash and the C main.

The second in the C main put Swindell on the tail of the B main event. He proceeded winning that race, going to fifth by the fourth lap, fourth place on the fifth lap, third on the 10th lap, second on the 12th and finally took over the front spot on the 15th circuit. The first place finish put him on the back of the A, where he throttled to finish 8th.

Gene Gennetten, Kansas City, Missouri, was second to Swindell in the B, with Bob East third.

Behind Leavitt and Swindell in the C was Lloyd Beckman.

Beckman also started the B, going from the back to finish fourth. For defending champion Leavitt, the night ended on the fourth lap of the B event when he was caught on the wheel of Dave Engerbretson's racer. The collision broke the radius rods, sidelining Leavitt for the night.

Engerbretson had won the B dash, with Jimmy Boyd taking the A trophy dash. The show was completed without any serious crashes before a packed house.
