#### **Knoxville Season Opener to Richert Jr.**

by Bob Wilson

Knoxville, IA – Jerry Richert Jr. opened the 36<sup>th</sup> season of weekly racing at the Marion County Fairgrounds Saturday night by capturing the \$2,250 first place money, leading flag to flag.

Richert, who found victory lane in the season opener one year ago, took an immediate lead from his second row starting position. By the third lap, the Durst-Smith-Taggart Competition Gambler was being chased closely by Danny Lasoski as the duo pulled away from the balance of the field.

On lap sixteen, as the twosome encountered heavy lapped traffic, Lasoski bounced into Richert and performed a complete loop. Lasoski was able to continue, but had fallen too far back to mount a threat at the checkered.

Following Richert and Lasoski across the line were Danny Young, Jeff Tuttle, Ray Lipsey and Glenn Berkner. Rod Henderson, Jon Barger, Gordy Vogelaar and Wayne Redmond rounded out the top ten finishers.

Mike Twedt captured the season opening limited sprint feature event as he drove to a commanding lead to take the win by half a lap. Walt Esch, Craig Agan, Mike Chadd and Matt Fox formed the top five finishers.

### **Sammy Swindell Posts First WoO Win at Knoxville Qualifier**

by Bob Wilson

Knoxville, IA – Sammy Swindell had the right stuff Friday night as he challenged the best of the touring World of Outlaw pilots at the Knoxville Raceway and came away the victory in the twenty-lap feature event. It was the first WoO show of the year for Swindell and the Harold Annett/TMC/Challenge crew who were in Iowa to pick up a new engine.

A night of track records was in store for the large crowd in attendance as new marks were set at every distance contested during this eleventh annual WoO Spring Opener preliminary qualifier. Swindell used his new powerplant to lower the time trial mark to 16.211 and additionally set a new ten mile standard during his feature event run. Faster records were set at 5, 8 and 12 lap distances.

Jac Haudenschild was the early pacesetter from his front row starting berth in the feature event with the Swindell Brothers in tow. Sammy got by Jeff on the fourth circuit and used a low side pass in turn two of the

ninth lap to dispose of Haudenschild. With near perfect track conditions, the current USA points leader set sail on the half-mile oval.

Doug Wolfgang, who was positioned alongside Sammy on the starting grid, claimed the runner-up spot on the fourteenth go-around as he began steadily closing the gap on the leader. When the laps ran out, Wolfgang had pulled to within five car lengths of the \$3,000 winning Swindell effort. The victory automatically qualified the “Volunteer” state native at the front of Saturday’s finale, but Swindell was unsure of his plans due to prior commitments.

Jeff Swindell finished third, Bobby Davis Jr. took fourth and Jac Haudenschild held for fifth. Joe Gaerte, Cris Eash, Johnny Herrera, Tim Green and Danny Lasoski rounded out the top ten finishers.

Qualifying heat events went to Andy Hillenburg, Green, Gaerte and Donnie Kreitz Jr.. Davis Jr. used the B Feature win to regain his timed spot in the finale and Green was again victorious in the Fram Dash.

### **Swindell Sizzles at WoO Knoxville Spring Opener**

by Bob Wilson

Knoxville, IA – Sammy Swindell gave a repeat performance in the Harold Annett/TMC Challenge sprinter as he thrilled the huge throng at the Knoxville Raceway with some late race heroics to claim the World of Outlaws spring opener Saturday night.

Swindell, who won the A main qualifier on Friday night, was in trouble early as he caught the berm in turn two on the second lap, and nearly lost control. The incident cost him dearly as front row starter, Doug Wolfgang, was able to shoot away to a commanding lead with Bobby Davis Jr. in pursuit.

Lap fourteen saw yellow and red flag incidents as the front runners entered heavy lapped traffic. On the restart, Swindell shot by Davis early and paced Wolfgang lap for lap until they again entered heavy traffic on lap twenty-one. In turn three, he maneuvered past and impeded Wolfgang and took the checkered flag four laps later and \$8,000 richer.

“When we got to traffic,” Swindell said in victory lane after the race, “I had a few moves he (Wolfgang) didn’t know about.”

Wolfgang was never able to mount a comeback and had to settle for the \$5,000 runner-up position. Davis finished a strong third, Jeff Swindell was fourth and Jac Haudenschild claimed fifth. Tim Green, Joe Gaerte, Andy Hillenburg, Johnny Herrera and Danny Lasoski completed the top ten finishers.

Qualifying heat events went to Lasoski, Terry McCarl, Green and Craig Keel. John Sernett won the B main. Steve Wares captured the twelve lap Knoxville Limited Sprint Feature Event, the first of his career.

### **CRA Knoxville Debut to Jerry Meyer**

by Bob Wilson

Knoxville, IA – Jerry Meyer collected his second CRA feature event victory of the season as he guided the Bruce Bromme Nance to a wire to wire win during the 5<sup>th</sup> Annual Midwest Tour at the Knoxville Raceway Saturday night.

The event, one of six scheduled California Racing Association stops during the Midwest tour, was the first non-wing sprint car show at the Marion County Fairgrounds since 1982. Numerous track records fell despite the Spring cold snap temperatures.

Meyer, who currently sits atop the CRA points standings, grabbed an immediate lead from his front row starting position in a race which went green for the entire thirty-lap distance. He was chased closely throughout the contest by veteran USAC and All Star Sprints regular, Jack Hewitt. The Buckeye native made several challenging passing attempts on the half-mile oval, but was never able to complete the charge and finished three car lengths behind at the checkered. Meyer received \$3,000 for his efforts.

Mike Kirby and Mike Sweeney were third and fourth as Clark Drake, who lowered the late Sheldon Kinser's 1982 non-wing track record to 19.188 during qualifications, settled for fifth. Additional new marks were set at three laps, ten laps and the thirty-lap Meyer run in this initial CRA Knoxville appearance.

Ron Shuman, who dropped from the feature event late in the race with suspension problems while running fifth, won the trophy dash and second heat event. Qualifying heats also went to Kirby, Rickey Hood and Sweeney. Kim Craft won the B feature.

Steve Breazeale captured his first career feature event win in the companion Knoxville limited sprints portion of the program.

### **Lasoski Banks Dollars at Knoxville Oval**

by Bob Wilson

Knoxville, IA – Danny Lasoski had a short visit from Lady Luck as he captured the twenty-lap feature event at the Knoxville Raceway Saturday night.

Lasoski, the track champion here in 1986, had assumed the runner-up spot from the outset of the race behind Jerry Richert Jr. The duo ran in close proximity as the race progressed as well as through three yellow and a red.

After the lap fourteen restart, Lasoski continued to follow Richert and appeared to be on his way to a second place finish. As the twosome entered turn three of the final lap, Richert began to falter with mechanical problems. With Dame Fortune smiling, Lasoski then stormed by to easily capture the \$2,250 checkered flag and his tenth career feature event on the Marion County half-mile oval.

Richert managed to coast across the line to finish eighth, but not before several cars got by his hapless sprinter. Finishing second through seventh were Ray Lipsey, Jeff Tuttle, Jon Barger, John Sernett, Mackie Heimbaugh and Bruce Moore. After Richert, Terry Thorson and Rich Bubak rounded out the top ten finishers.

In limited sprint competition, 1988 track champion, David Hesmer, sailed to a half-lap margin to record his initial win of the season.

### **Lasoski Takes Second Straight at Knoxville**

by Bob Wilson

Knoxville, IA – Danny Lasoski powered the Ron Kohls winged sprint car to a convincing win at the Knoxville Raceway Saturday night.

Jeff Tuttle took the initial lead during the first half of the race and set a strong pace until a caution flag flew on lap nine. On the restart, Lasoski ducked to the low side, and came across the start-finish line with the lead. He then was able to pull away in the final eleven laps for his second straight \$2,250 win on the half mile oval.

Tuttle held his spot to claim the runner-up spot, with Jerry Richert Jr. third, Ray Lipsey fourth and John Sernett fifth. Cliff Woodward, Marlon Jones, Rich Bubak, Don Droud Jr. and Bob Weuve rounded out the top ten finishers.

Qualifying heat races went to Randy Smith, Richert, Lipsey and Sernett. Tod Bishop captured the B Feature.

### **Knoxville's Mini-Nationals go to Richert and Snodgrass**

by Bob Wilson

Knoxville, IA – Jerry Richert Jr. utilized a late race restart to grab the top spot and the checkered flag in the 17<sup>th</sup> Annual Mini-Nationals at the Knoxville Raceway Saturday night. The win paid Richert \$2,750.

The outset of the 20-lap race saw Randy Smith jump to an immediate lead as the defending track champion appeared to have command of the event. Lap sixteen found the red flag exhibited as the race was halted for a two-car incident in the first turn.

On the restart, Richert Jr., in the Durst-Smith-Taggart Competition Gambler sprinter shot by Smith and had the lead as he exited turn two. He was able to maintain a thirty yard margin which he held to the checkered flag. Smith finished second, Ray Lipsey was third, Danny Lasoski finished fourth and Jerry Beeck Jr. came across the line for fifth. Cliff Woodward, Rich Bubak, Terry Thorson, Danny Young and Don Droud Jr. rounded out the top ten finishers.

Dwight Snodgrass captured the feature event portion of the Mini-Nationals for limited sprints, his second title in a row. Snodgrass took a late race lead when race-long leader, David Hesmer, fell with mechanical problems. Tail-end starter, Mike Twedt, finished second and Steve Breazeale was third.

by Bob Wilson

Knoxville, IA – Defending track champion, Randy Smith, broke into the winner's circle for the first time this year as he powered the Cahill Brothers Ford powered Schnee sprinter to a 20-lap feature event win at the Knoxville Raceway Saturday night.

Smith, a five-time track champion here, started the race from the fifth row and picked his way to the front methodically. On lap fourteen, he caught and passed race-long leader, Cliff Woodward, on the back chute of the half-mile oval and motored away for the \$2,250 win.

**Lasoski Captures Knoxville Sprint Action**  
by Bob Wilson

Knoxville, IA – Danny Lasoski proved his most recent ranking in the National Sprint Poll as he powered the Ron Kohls Chevy sprinter to a convincing win at the Knoxville Raceway Saturday night.

The win, Lasoski's third of the season here, kept the former track champion atop the points race as he led from start to finish in the twenty-lap affair. He was pressed heavily for the front running position for the first half of the race by Jerry Richert Jr.

A red flag on lap ten saw the race halted and when the action resumed, Randy Smith moved by Richert in pursuit of the fleet Lasoski. The challenge proved for naught however, and Lasoski came home the victor and \$2,250 richer for his efforts.

Smith and Richert held the second and third positions at the finish, with Terry McCarl and Tim Monson forming the top five finishers. Ray Lipsey, Jaymie Moyle, John Sernett, Cliff Woodward and Rich Bubak completed the top ten positions.

In limited sprint competition, David Hesmer captured his fourth win in the last five starts as he set a new track record in that sprint division's feature event. Mike Twedt and Mark Wilson trailed to the checkered flag.

#### **Doug Wolfgang Takes WoO Friday Prelim**

by Bob Wilson

Knoxville, IA – Doug Wolfgang powered the D.P. Motorsports Schnee winged sprint car to a convincing win at the Knoxville Raceway Friday night during the World of Outlaws two-day summer stop over. The \$3,000 preliminary feature even win marked Wolfgang's forty-seventh career victory at this half-mile dirt oval.

Wolfgang, a two-time former Knoxville track champion, took the lead from pole-sitter Danny Lasoski on the third circuit after he had started directly behind the current Knoxville points leader in the twenty-lap affair. He was able to pull away and extend his lead on the remaining laps and finished a full front chute ahead of the charging Lasoski.

Lasoski came across the line for second with a comfortable margin over B Main winner, Bobby Davis Jr. Jeff Swindell took the fourth spot by inches after a spirited and race-long battle with Dave Blaney, who finished fifth. Ray Lipsey, Donnie Kreitz Jr., Randy Smith, Rocky Hodges and Andy Hillenburg rounded out the top ten finishers.

Qualifying heat races went to Jerry Richert Jr., Terry Thorson, Keith Kauffman and Terry McCarl. The 5-lap Dash for Cash was captured by Lasoski.

### **Wolfgang Scores Again at Knoxville on Saturday**

by Bob Wilson

Knoxville, IA – Doug Wolfgang came home to the track in which he claimed four Knoxville Nationals title and came away the victor in the World of Outlaws feature event at the Marion County Fairgrounds Saturday night.

Wolfgang, who had claimed the preliminary feature just twenty-four hours earlier, guided the D.P. Motorsports Schnee chassis from his row two starting position to a tenth lap lead which he never relinquished during the 25-lap affair. The race paid the Sioux Falls native \$8,000 and marked his forty-eighth career feature win here.

Dave Blaney jumped to the immediate lead when the race went green and had built a comfortable margin when Jeff Swindell, who was running third, lost a right rear tire on lap five. Swindell was relegated to the rear and eventually finished twelfth.

On the restart, Blaney was able to fend off Wolfgang, but as the duo entered turn two and lapped traffic on the tenth circuit, Wolfie was able to slip by on the outside for the lead. Blaney was able to pace the leader but could never mount a threat as the laps ran out.

Current Knoxville points leader, Danny Lasoski, finished in the third position and Jac Haudenschild made a late race pass of Bobby Davis Jr. as those two drivers finished fourth and fifth respectively. Randy Smith, Andy Hillenburg, Jerry Richert Jr., Rickey Hood and Joe Gaerte formed the top ten finishers.

Qualifying heat events went to Gaerte, Hood, Hodges and Eash, who had damaged his car extensively in the previous night’s racing events. Don Kreitz Jr. ended a night of frustration when he captured the B main.

**Smith and Hesmer Take Knoxville Midseason Titles**

by Bob Wilson

Knoxville, IA – Five time and defending Knoxville track champion, Randy Smith, scored his second victory on the season here as he powered the Cahill brothers Ford Challenger to a twenty-lap win at the Marion County Fairgrounds Saturday night.

Smith, who started in the sixth row, shot from that position at the start to take the runner-up position by lap four. A red flag one lap later bunched the cars for a single-file restart and when the green flew once again, Smith motored into the top spot and took the \$2,750 win going away.

Capturing the \$2,000 second place position was Jerry Richert Jr., while Danny Lasoski finished third after starting alongside Smith. Jeff Tuttle and Danny Young formed the top five finishers.

Cliff Woodward, Mackie Heimbaugh, Terry Thorson, Jordan Albaugh and Rich Bubak completed the top ten positions as the Knoxville Raceway celebrated its 36<sup>th</sup> Annual Mid-Season Championship.

In the companion limited sprint portion of the program, David Hesmer took a sixth lap restart lead, as he captured his fifth feature event of the season. Mike Twedt and Mike Chadd trailed Hesmer across the line.

At trackside ceremonies during the evening, four new members were inducted into the Knoxville Raceway Hall of Fame. Those four were Nadine Robinson, Dean Woolheather, Shorty Hulgán and Skip Nelson.

### Wolfgang Collects 10 Grand in Knoxville USA Showdown

by Bob Wilson

Knoxville, IA – Doug Wolfgang powered the D.P. Motorsports Schnee to a convincing win during the inaugural United Sprint Association Independence Day Showdown at the Knoxville Raceway Tuesday night. The win paid Wolfgang \$5,250 as the Sioux Falls native additionally tallied another \$5,000 by winning a series of match races.

Wolfgang was the class of the field in the twenty-five lap feature event as the four-time Knoxville Nationals champ showed why he is regarded the top sprint chauffeur as voted by the media in the National Sprint Racing Poll.

The highly publicized three-car match races among Wolfgang, Sammy Swindell and Steve Kinser provided the fireworks to begin the evening. The trio, which have claimed 99 feature wins here and all nine Knoxville Nationals titles during this decade, had the large crowd rooting for their favorite as the three-lap events went to a fourth race before Wolfgang could lay claim to having won two.

In the feature event, Wolfgang jumped to an immediate lead at the start of the race and rode the cushion with Mark Kinser in tow. As Wolfgang pulled away, Kinser ran a steady pace, but was unable to provide any challenge.

Lap twelve saw Swindell come into the picture as he charged past Kinser on the backstretch. Two laps later, the red flag flew for a single car accident, wiping out the huge gap Wolfgang had established.

The restart found Wolfgang once again establishing a commanding margin, but on lap twenty, the yellow came out for sixth running Jerry Richert Jr., who had lost a right rear tire. He was unable to restart.

The final laps of the race saw little change in the front-running positions as Wolfgang coasted across the line for his forty-ninth career feature win here. Swindell maintained the second slot as Kinser fought off the determined challenges of fellow Kinser, Steve, as that duo finished third and fourth. Jac Haudenschild claimed fifth.

Rounding out the top ten were Danny Lasoski, Randy Smith, Ray Lipsey, Terry Thorson and Shane Carson.

### **Lasoski, Smith, Hesmer Take Knoxville Feature Events**

by Bob Wilson

Knoxville, IA – Danny Lasoski and Randy Smith captured Twin Sixteen feature events at the Knoxville Raceway Saturday night and young David Hesmer continued to dominate the limited sprint division as he captured both ends of a Twin Ten doubleheader.

Smith, aboard the Cahill Brothers winged sprinter utilized his front row starting position in claiming his 33<sup>rd</sup> feature event on this half-mile oval. Lasoski motored into the runner-up spot on lap ten, which he held to the finish of that sixteen lap event. Jac Haudenschild, Ray Lipsey and Terry Thorson formed the top five finishers.

With the finish of the first feature completely inverted, Smith again found himself in the top spot by lap six in the second sixteen lapper from his final row starting position. Lasoski, in the Ron Kohls sprinter, caught Smith shortly thereafter and the duo brought the large grandstand crowd to its feet as they raced through lapped traffic on the dry-slick surface. On lap thirteen, Lasoski took over the top spot which he maintained to the finish. Smith finished a close second, Haudenschild was again third, Jerry Richert Jr. was fourth and Jeff Tuttle claimed fifth.

Hesmer was the class of the field in each ten lap feature event for the limited sprints. The win gave the former mini-sprint pilot seven features on the season here. In the first event, Mike Twedt and Dwight Snodgrass trailed to the checkered. The second feature saw Snodgrass and Larry Webb claiming the place and show positions.

### **Lasoski Takes Fifth Feature, Jones Wins First at Knoxville**

by Bob Wilson

Knoxville, IA – Danny Lasoski, aboard the Ron Kohls' winged sprinter, scored his fifth feature event win on the season at the Knoxville Raceway Saturday night. The win paid the "Show Me" State pilot \$2,250 for the twenty-lap run.

The feature event came to an immediate halt as the race went green when a five-car mishap occurred. No drivers received injury.

When the race was restarted, Australian, Jaymie Moyle, grabbed the lead with defending track champion Randy Smith in tow. The duo ran nose to tail until lap eleven, when something appeared to break on the right front sending Smith catapulting into the third turn fence.

The second restart saw Moyle again in the lead on the low side of the track as third-running Danny Lasoski shot to the rim and gathered in the lead three laps later. He was able to extend his margin at the stripe to claim his fourteenth career win on this half-mile oval.

Danny Young, Glenn Berkner, Mackie Heimbaugh and Bob Weuve formed the top five finishers as Moyle failed to complete the event.

In the limited sprint feature event, Jeff Jones took a surprising win to halt David Hesmer's streak at five. It was Jones' initial victory here, as Larry Webb and Tom Lenz gave chase to the checkered. Hesmer finished fourth.

### **Lasoski Takes Knoxville Fair Show Over Swindell**

by Bob Wilson

Knoxville, IA – Danny Lasoski powered the Ron Kohls Gambler to a popular victory at the Knoxville Raceway Saturday night during the 72<sup>nd</sup> Annual Marion County Fair.

The former track champion took the lead at the drop of the green flag and by lap four was forging through lapped traffic with Sammy Swindell in tow. The front-runners toured the half-mile oval at a furious pace as Swindell inched ever closer to the top spot.

Lap seventeen saw a caution fly for third-running Ray Lipsey, bunching the cars and insuring a spectacular showdown for the remaining laps.

With Lasoski running low and Swindell on the high side, the duo ran side by side down the chutes. Swindell forged ahead momentarily on lap eighteen, but Lasoski reeled him back in when Swindell slipped in turn three.

Lasoski came across the line for his sixth feature event win on the season with Swindell coasting to the stripe for second. Randy Smith took third, Jerry Richert Jr. was fourth and Cliff Woodward finished fifth.

David Hesmer was back in form in the limited sprint division as he captured his eighth feature event of the season. Hesmer gained the lead on lap seven from Terry Alexander, who held that spot to the finish. Mike Twedt took the show position.

### **Kinser is Perfect in Wednesday Knoxville Nationals Opener**

by Bob Wilson

Knoxville, IA – Defending and six-time Knoxville Nationals Champion, Steve Kinser, called upon some late race heroics to capture the opening round Wednesday night qualifying feature event at the 29<sup>th</sup> Annual Knoxville Nationals. The win insured the Hoosier stalwart of a front row starting berth for the National Championship on Saturday, as he additionally swept time trials and his qualifying heat event to record a perfect 500 point score.

Five-time Knoxville track champion, Randy Smith, grabbed the top spot in the 20-lap event at the outset, with Kinser in tow one lap later. Smith was able to hold a several car length advantage on the half-mile oval, but Kinser closed that gap upon entry into lapped traffic.

At the halfway point, a yellow flag was displayed for a slowing car and bunched the field for the final five mile run. An immediate red was thrown on the restart as eighth running Jac Haudenschild and fourteenth place Jack Hewitt became entangled in turn four. Only Hewitt was able to restart.

When the green came back out, Smith assumed a 30 yard margin, which he held until Kinser again caught him in lapped traffic. On the eighteenth circuit, the duo ran side by side through turns three and four, but Smith took the lap at the flagstand and into the first turn. As the fleet pair exited turn two, Smith became caught behind a slower car and Kinser rocketed the Karl Kinser prepared mount by on the low side down the back chute for the lead. Smith was never able to make up the distance in the final lap and settled for second at the checkered.

In the victory circle interview, Kinser expressed his concern about taking the top spot. “Randy Smith ran a real good race. I didn’t know if I was going to get around him or not. If it had been wide open, I don’t think we’d ever have done anything with him.”

“We’re just glad to win and get a good starting spot and win ourselves another Nationals. We haven’t won any of the great big races yet this year, so if we get a win at this one, this’ll be a way to hold our heads up a little bit.”

Third and fourth place finishers went to Dave Blaney and Bobby Davis Jr. both of whom had captured qualifying feature events here just one year ago. Frankie Kerr, making his initial appearance in Nationals competition, took fifth after contending with Blaney and Davis for the duration.

1979 Nationals pole sitter, Tim Green finished sixth as Rickey Hood came from dead last to take seventh after having transferred to the event by winning the B main. Joe Gaerte, Johnny Herrera and the youngster, Jeff Gordon, rounded out the top ten finishers.

Top contender Jimmy Sills suffered a broken fuel pump and failed to make the competition and front row feature event starter, Don Kreitz Jr. additionally scratched with mechanical problems. Sixty-one sprinters went through qualifying time trials as the large grandstand crowd was further treated to one of nature's unique spectacles – a near total eclipse of the moon in the southern Iowa skies.

### **Wolfgang Claims Thursday Nationals Qualifier**

by Bob Wilson

Knoxville, IA – Doug Wolfgang guided the DP Motorsports Schnee into the winners circle during the Thursday night qualifications at the 29<sup>th</sup> Annual Knoxville Nationals. The win gave the South Dakota native 497 points and a front row starting position in the Saturday night Nationals Championship lineup.

The start of the race saw Jeff Swindell take the front running spot as he shot to the high side of the track from his front row starting position. That initial turn one response when the race went green was key to being an early front-runner as those drivers who chose that route, exited turn two as the top five in the race.

Swindell continued in the point position with Mark Kinser and Wolfgang in tow as the trio began to enter lapped traffic on the sixth circuit. Lap nine saw Wolfgang sweep by Kinser for second, but the yellow came out on the following go around, slowing the field for a restart.

When the race went green again, Wolfgang dove to the low side of the track and took the lead from Swindell, as the pair exited turn two. The Gary Turrill prepared sprinter performed flawlessly under Wolfgang's guidance and gained a sizable margin on the half-mile oval in the remainder of the 20-lap event.

“The fast lane was definitely on top. It got real slick right up to that curb all the way around,” the four-time Nationals winner remarked in victory lane. “There was just enough patch at one spot that I figured with my wing enough back I could get a heck of a drive off turn four and hopefully get back up in line in front of Jeff on the restart before we got down into turn one. I didn’t quite do it, but it stuck good enough.”

Wolfgang, who has a combined win total of 32 feature events in WoO and USA competition this year, explained that a break in the power steering line, which controls the wing adjustment prevented him from moving the airfoil back forward again once the pass of Swindell was made.

“It was pushing too bad with the wing back. It was just luck, I guess. If we’d had to run through traffic, I wouldn’t have won. Jeff would have.”

The victory was a milestone for the historic Knoxville oval as it marked Wolfie’s fiftieth career feature win here, an all-time best.

Sammy Swindell, who began the event with a disastrous start and fell way back in running position, came into contention later to make a white flag pass of Kinser for the runner-up honors. Kinser remained in third, Andy Hillenburg came on strong for fourth, and Stevie Smith, making his initial Knoxville appearance, claimed fifth.

Keith Kauffman finished sixth, pole-sitter Kenny Jacobs was seventh, veteran Bobby Allen took eighth and Jeff Swindell faded to post ninth. Passing honors went to Rocky Hodges as the tail end starter came across the line for tenth.

Sixty-two cars completed Thursday night qualifications.

**Kinser, Smith, Richert Win Friday National Events**  
by Bob Wilson

Knoxville, IA – The third round of qualifications at the 29<sup>th</sup> Annual Knoxville Nationals was completed Friday night as Steve Kinser, Stevie Smith and Jerry Richert Jr. each won feature events.

The Kinser win came in the Race of States feature as the six-time Nationals champion simply blew away the competition and lapped all but three cars in the 20-lap event. The awesome exhibition of driving on this half-mile oval by the Indiana native was registering in a race which was never halted once the green flag was given.

Once the race was started, Jason McMillen carried top honors for the state of California for two laps. Jeff Swindell then took the point position for Tennessee until Kinser grabbed the lead on lap nine and set sail.

Swindell finished second, Pennsylvania Keystone pilot Frankie Kerr was third, and first-time Nationals competitor Bobby Burrow placed the West Coast state of Washington in fourth. Cris Eash came from deep in the pack to carry the colors of Maryland to fifth.

A four-car wreck on the first lap sent Jeff Gordon, Steve Beitler, Steve Kent and Mike Ward to the sidelines early. The 20-lap Mystery Feature saw Nationals rookie competitor, Stevie Smith, lead the entire distance in his initial win on the historic Knoxville oval. The 23 year old second generation driver rode the rim in the ten-mile event in very close quarters to the guardrail which rings the track.

Jack Hewitt stormed from his last row starting position when the race went green to claim the fifth running spot at the end of the first lap. By lap six, Smith, Don Kreitz Jr. and Hewitt each had positioned themselves in the top three spots as the SRO crowd witnessed the trio battle to the checkered.

With the cushion virtually gone, Smith and Hewitt seemingly ignored the fences and charged around the outside of the track. Kreitz drove the bottom side and on the each of two restarts he gave the two front runners all they could handle. In the end, Smith and Hewitt prevailed. Jimmy Sills followed closely for fourth and Ronnie Daniels overcame his eighth row starting position for fifth.

In winning the 20-lap A feature, Jerry Richert Jr., claimed a Nationals historical note as only he and his father became the lone father-son combo to ever win main events in Nationals competition. Richert Sr. won all the marbles in 1962.

The younger Richert took the lead from Rich Bubak on lap eleven and was never seriously challenged the remainder of the non-stop affair. Jimmy Sills, who suffered mechanical woes on Wednesday, had things in order for this event as he charged from the tail to place second. Bubak was third, Mark Shaffer claimed fourth, and Steve Kent finished in fifth.

### **Doug Wolfgang Wins Fifth Knoxville Nationals Title**

by Bob Wilson

Knoxville, IA – Doug Wolfgang proved to 18,000 race fans at the Knoxville Raceway Saturday night why the National Sprint Racing Poll ranks him as the #1 sprint car driver in America. The Sioux Falls, South Dakota driver overpowered a stellar field of twenty four of the nation's finest sprint cars and drivers to win the 29<sup>th</sup> Annual Knoxville Nationals and gain his fifth title in this prestigious event.

“I never thought when I was twenty-one that I'd still be starting on the front and be running this strong at thirty-seven,” Wolfgang said in victory ceremonies. “I'm probably going to cherish this win more than the rest of them because I might not have too many more chances and I'm just dang proud to be here.”

Wolfgang shot to an immediate lead in the 30-lap event when he beat fellow front-row starter, Steve Kinser, to the first turn. Wolfgang pulled out to a thirty-yard lead and extended his margin over Kinser after entering lapped traffic on the eighth circuit.

On lap twenty, Wolfgang's sizable lead was yellow-flagged when Steve Kinser slowed on the backstretch and finally came to a halt in turn four, the victim of a flat right rear tire.

Meanwhile, the action behind those two drivers had become quite heated as a three-car battle ensued among Sammy Swindell, Dave Blaney and Stevie Smith. Blaney forged by Swindell on the back chute on lap fifteen and Smith did likewise two laps later.

After the restart for the Kinser yellow, Wolfgang again assumed control of the race but a second caution flew when sixth running Tim Green spun on the front chute and rolled backwards coming to a halt up against the fence near the flagstand. He was unable to restart.

When the race again went green, Wolfgang powered the Danny Peace DP Motorsports Schnee away from the field to register the \$33,000 win, his thirty-third feature event of the year. The victory of more than one hundred yards appeared effortless although the Gary Turrill and Robert Hubbard prepared sprinter lost its brakes in the latter stages of the race.

Blaney, who was third in 1988, brought the Verlin Chupp sprinter home for a \$22,000 second place finish, and the third place \$13,200 went to Nationals Rookie, Stevie Smith in the Al Hamilton car. Swindell held his fourth place position to the finish line and Bobby Davis Jr. claimed fifth. Steve Kinser charged from the rear to finish sixth as Kenny Jacobs, Keith Kauffman, Randy Smith and Andy Hillenburg formed the top ten finishers.

Brad Doty arrived shortly before the program started and was presented to the grandstand crowd. He greeted and thanked the fans for all they have done for him over the past year. The huge crowd gave him a standing ovation as well as the Knoxville Wave salute from one end of the grandstand to the other.

### **Richert, Thorson and Chadd Take Big \$ at Knoxville Championship**

by Bob Wilson

Knoxville, IA – Jerry Richert Jr. finished the season in the same fashion in which he started, as he won the 25 lap feature event at the 36<sup>th</sup> Annual Season Championship at the Knoxville Raceway Saturday night.

Jeff Tuttle took the immediate lead when the race went green and forged a fast pace on the half-mile oval. Richert caught Tuttle on the fifteenth circuit and made a low side pass coming out of turn two to take the lead which he held until the checkered. The win paid the second generation driver \$2,500 and assure the Durst-Smith sprint team of runner-up honors in the season points chase.

Ray Lipsey finished third, Terry McCarl took fourth, and Glenn Berkner trailed in fifth at the checkered. Rounding out the top ten were Mackie Heimbaugh, Jerry Beeck Jr., John Sernett, Spike Lempelius and Rich Bubak. Newly crowned track champion, Danny Lasoski, watched the event from the infield, as he was unable to race due to injuries in a racing accident just prior to Nationals.

Terry Thorson claimed the season ending Miller's Australian Pursuit. The win paid the improving sprint pilot \$3,000. Thorson was later involved in an opening lap wreck in the feature event with Rick Ungar, who was subbing for the injured Lasoski. Both cars were extensively damaged and unable to restart.

Former Limited track champion, Dean Chadd, won the season finale feature event for that division as he came from the eighth row starting position to take a mid-race lead. Bobby Mincer was second and Mike Twedt claimed third as well as the Limited Sprint point championship.

## **USA Autumn Classic Friday Feature to Wolfgang**

by Bob Wilson

Knoxville, IA – Doug Wolfgang, aboard the D.P. Motorsports Schnee, made a late race charge to capture the 20-lap feature event during the United Sprint Association (USA) Autumn Classic at the Knoxville Raceway Friday night. The win paid the recently crowned Knoxville Nationals champion \$3,000 for his efforts.

Sammy Swindell took the Harold Annett TMC Challenger to the front when the race went green, as he overpowered fellow front row starter, Wolfgang into the first turn. The fleet Tennessee pilot built a comfortable lead and extended his margin once the front-running duo entered lapped traffic at the halfway point.

On the fifteenth circuit, the complexion of the race began to change as Wolfgang noticeably closed the gap on each tour of the half-mile oval. Exiting turn two on the nineteenth lap, Wolfgang pulled even with Swindell, shot by on the backstretch and then moved away for the win, his 52<sup>nd</sup> career feature victory here.

Steve Kinser settled a lengthy and exciting battle with his cousin Mark to finish a distant third, 1989 Knoxville Nationals Rookie of the Year, Stevie Smith, was fifth and Bobby Allen came across the line for sixth. Kenny Jacobs, Dave Blaney, Jack Hewitt and Rocky Hodges completed the top ten finishers.

With the track surface in near perfect condition, the historic fairgrounds oval saw raft of track records fall. Bobby Allen shattered the one lap qualifying mark as he led five drivers into the fifteen second bracket for the first time, and eleven drivers overall below the old standard. Allen eclipsed the record set by Swindell in late April of this year by nearly one half second as he registered a 15.722 clocking on the semi-banked surface.

Allen additionally captured the NHRA-style King of the Hill match races in a head to head showdown with Dave Blaney. The seven event 3-lap elimination series pitting the top eight qualifying cars saw Allen establish a new record for that distance as well. Steve Kinser lowered the 8-lap record in winning his qualifying heat race as no less than seven of the 1989 Knoxville Nationals top ten finishers were on hand to contest the two-day Autumn Classic. Forty-eight cars signed through the pit gate in this second appearance by the USA sanctioning body.

## Wolfgang, Stevie Smith Capture USA Autumn Classic Twin 25's

by Bob Wilson

Knoxville, IA – Doug Wolfgang and Stevie Smith drove to exciting wins during the final night of racing at the USA Autumn Classic at the Knoxville Raceway Saturday night.

The Wolfgang win came in the first twenty-five lap feature event which saw Sammy Swindell jump to an immediate lead with Mark Kinser in tow. On lap four, Swindell slid to the high side and the close following Kinser shot low as both sprinters raced side by side down the back chute and around turns three and four. Entering the frontstretch, they touched wheels causing each car to scramble for control.

A close pursuing Doug Wolfgang took advantage of the incident and grabbed the top spot from Swindell in turn one. Once out in front, Wolfgang was able to build a sizable margin which he maintained to the finish, collecting \$10,000 for his efforts. Dave Blaney made a final lap pass coming out of turn four to place second over Swindell as Steve Kinser and Mark Kinser claimed fourth and fifth.

The completely inverted twenty-two car field of the second twenty-five lap feature event stayed bunched until lap six when Kenny Jacobs charged into the lead from his ninth row starting position. Jacobs maintained the top spot until a red flag was thrown on lap thirteen.

On the restart, Stevie Smith moved around Steve Kinser to gain the runner-up slot as he began to close the gap on Jacobs by running on the low side of the track. He caught the cushion riding Jacobs on lap seventeen at the flagstand and took command of the race which he never relinquished in the \$10,000 to win affair.

Meanwhile, Wolfgang and Kinser waged a torrid battle for third on the slick half-mile oval. Wolfgang managed a first lap pass of the current USA point leader to claim that third position behind Jacobs at the finish as Kinser placed fourth and Bobby Allen took fifth.

The two-day USA Autumn Classic brought to an end the 36<sup>th</sup> season of racing at the Marion County Fairgrounds.
