SKIP JACKSON TAKES KNOXVILLE SPRINT OPENER

KNOXVILLE, IOWA (APRIL 24) - Skip Jackson led the entire 20-lap distance in capturing the 46th season opener at Knoxville Raceway Saturday night. The win paid the defending track champion \$2,500 for his efforts.

Jackson, who started on the pole of the twenty-car field, shot away from second place John Sernett at the start but a red flag on the third circuit nullified his lead. On the restart he again roared away and looked to be a sure winner until a yellow flag was displayed for debris on the track on the ninth go round.

At this point Terry McCarl, who nearly eclipsed the one-lap track record in qualifying time trials with a lap of 14.961, was beginning to make some headway in his Guy Forbrook mount. At the start of the race McCarl was completely out of shape in turn one and lost several positions before he was once again under control. The third lap restart saw him the tenth spot and by the time the yellow flew on lap nine he had gained all the way to fifth. McCarl becomes only the second driver to time a lap below fifteen seconds at this historic facility.

A two-car wreck involving Tony Norem and Randy Anderson on lap eleven forced an additional restart. Jackson again was on the point as McCarl shot to second. Jackson's line saw him dive low in turn one and drift up to the cushion in turn two. He repeated the same maneuver in three and four. McCarl was unable to gain on the Rasmussen/Woodruff machine as he chose the cushion through one and two and followed the Jackson line through three and four.

On lap eighteen Jackson encountered a backmarker enabling McCarl to make one last bid as they flew around three and four side by side. Jackson prevailed in the end and at the end of ten miles swept across the finish line for his thirteenth career win here.

Sernett claimed the third spot, Larry Pinegar II was fourth and Jerry Richert, Jr. took fifth. Rounding out the top ten finishers were Leonard Lee, Jeff Mitrisin, Kim Mock, Don Droud, Jr. and Bill Robertson.

David Hesmer captured a division leading and his 43rd career feature event win in the 360 sprint division. The victory paid the Marshalltown, Iowa native \$1,000. Following Hesmer to the stripe were John Kearney from a fifteenth position start, Jason Danley, Jeff Haines and Larry Ball, Jr.

An estimated crowd of 5,000 saw thirty-one 410 sprinters and thirty-eight 360 sprinters compete on the evening.

'The Dude' dominates Knoxville Raceway opener

By Richard Day

KNOXVILLE, IA (April 30, 1999) - "I don't know what could happen for me to have a better year than 1998," defending Amoco Knoxville Nationals champion Danny Lasoski said during the off-season. "To win the Nationals again and the Pennzoil World of Outlaws Series championship in the same year would be the only thing that would be better."

Lasoski moved a step closer to claiming the Pennzoil World of Outlaws Series title Friday when he won the Preliminary Feature at Knoxville Raceway. It was the series' first visit to the legendary semi-banked, 1/2-mile oval since the 38th Annual Nationals.

"We're just trying to be consistent and get good finishes," Danny said Friday. "Dennis Roth has given me everything I need to go fast, so now it's up to us."

"I'm from Missouri, but Iowa's like home to me. After last year's Nationals, I still start smiling when I get here. It's going to take a baseball bat to get the smile off my face."

Lasoski, the 12th-fastest qualifier in the 47-car Vivarin qualifying session, was smiling after he won the Fourth NAPA Auto Parts Heat Race. The happy grin returned to his face when he won the Channellock Dash for the right to start the feature on the pole.

"The Dude" drove the #83 Beef Packers Eagle into the lead as the green flag fell in the 20-lap feature. Tyler Walker, who started outside the front row, tried to pass Lasoski high in the first corner, but was unable to surge ahead. Lasoski opened a one-second advantage within three laps.

Sammy Swindell, whose crew changed two engines in the #1 Channellock Stealth during the program, started outside the fifth row. He got by two cars during the opening lap, then collided with Stevie Smith while passing him for fifth place in turn two early in lap five.

Joey Saldana slowed the fast-paced race the next time around when he stopped on the back straightaway with a blown engine. Vivarin Fast-Time Award winner Johnny Herrera made a run at Walker as the green flag replaced the yellow, but was unable to drive the #1BK Networks Eagle into second place.

Swindell took the low line through the first and second corners to pass Mark Kinser for fourth place early in lap eight. Smith steered his #19 Ingersoll-Rand Black Bandit into the high groove in turn one to relegate Kinser to sixth the next time around.

Lasoski entered lapped traffic with a 2.6-second advantage during the 13th lap. Swindell took the leaders out of lapped traffic one lap later when he spun in the fourth corner. Herrera, the 1995 Knoxville Raceway champion, used an inside move in turn four to pass Walker for second place as the race resumed.

Craig Dollansky, a former Knoxville Raceway regular, was spinning in the second corner with four laps remaining when Pennsylvanians Kevin Gobrecht and Tim Shaffer collided with the #7 Polydome Gambler and flipped. All three were running in the top 10 before the crash.

Smith, Kinser and Walker raced three-abreast down the back stretch within seconds after the green flag replaced the red. Both Stevie and Mark passed Walker to gain the final two automatic starting positions in Saturday's Channellock Dash.

Eleven-time Amoco Knoxville Nationals champion Steve Kinser steered his #11 Quaker State Maxim into the high groove in the second corner to pass Walker for fifth place during the final lap. Herrera gained on the leader, but was .7 seconds behind when Lasoski took the checkered flag.

"It seems like every time I win at Knoxville, it's not easy," the seven-time Knoxville Raceway champion said. "Tyler and I raced pretty hard there at the start, and Johnny was coming at the end.

"It seemed like the fast way was on the bottom early in the race, but I thought the top got faster as the race went on. I wasn't going to move up there until I saw someone out there. On that last red, my guys told me that Herrera was closing, so I moved up there."

Walker finished in sixth place, ahead of Frankie Kerr, 22nd-starting Jeff Swindell, Andy Hillenburg and Travis Whitney.

**SWINDELL CAPTURES
WoO KNOXVILLE SPRING FINALE**

*By Bob Wilson
May 1, 1999*

KNOXVILLE, IOWA - May 1 - Sammy Swindell pulled the rug from under Danny Lasoski and scored an upset of the defending 1998 AMOCO Knoxville Nationals champion at Knoxville Raceway Saturday night during the final night of racing at the World of Outlaws (WoO) Spring Showdown.

It was during the 1998 nationals championship that Lasoski had held Swindell at bay for numerous laps to capture that prestigious crown. In a scene reminiscent of that memorable championship race, Swindell and Lasoski hooked horns and again gave the huge Knoxville crowd a race to remember.

The outset of the race saw Lasoski take the lead from his pole position start and immediately position himself on the low side of the half-mile oval. Fellow front row starter Stevie Smith stayed very close to the Lasoski machine as he roared around the high side just feet away from the famed Knoxville fences. Johnny Herrera followed closely in third with Mark Kinser fourth.

Lap six saw Herrera's challenges of Smith payoff as he dove by on the outside in turns three and four to gain the runner-up position. He then proceeded to make the same bids on Lasoski but could never quite take them to fruition.

Swindell began to come into the picture on the eleventh circuit as he made passes of first Mark Kinser and then Smith. He had started in the fifth row. At that time the top five cars had bunched to the point that they were nearly running nose to tail. One lap later found Swindell take the runner-up spot on the heels of Lasoski as they entered lapped traffic.

Lasoski captured the seventeenth lap but on the backstretch he seemed to drift up to the fence and that was all Swindell needed as he roared even with the Dude and then shot by as they headed into the third turn. He immediately put some distance between himself and the Lasoski sprinter but was unable to pull away from the multi-time Knoxville champ.

As the laps wound down it became apparent that Lasoski was not going to be able to catch the Swindell Channel Lock Stealth. In the end Swindell roared by the flag stand with a 20 car-length margin to gain his 38th feature event at this famed oval. The win was worth \$12,000 to the Tennessee native.

Trailing Lasoski at the stripe was Herrera with Tyler Walker taking fourth and Tim Shaffer fifth. Rounding out the top ten finishers were Mark Kinser, Daryn Pittman, Donnie Schatz, Smith and Frankie Kerr. Qualifying heat events went to Joey Saldana, Walker, Swindell and Pittman. Skip Jackson was victorious in the C Main and Craig Dollansky in the B Main. Forty-eight sprinters competed during the evening.

In a companion 360 sprint division, David Hesmer made it two for two by capturing that division's 15-lap feature event. It was Hesmer's 44th win at Knoxville. John Kearney and Randy Martin finished second and third as Dave Middleswart came from the ninth row to finish fourth. Dwight Snodgrass was fifth. Thirty-two cars competed in the O'Reilly Auto Parts 360 sprints competition.

JACKSON TAKES KNOXVILLE SPRINT CASH

*By Bob Wilson
May 8, 1999*

KNOXVILLE, IOWA - May 8- Skip Jackson showed why he is a three-time Australian national champion as he captured the 20-lap feature event at Knoxville Raceway Saturday night.

Jackson started the ten-mile feature event in the third row and when the first lap had sorted itself out he had gained the top spot and was beginning to run away from the twenty car field when the only yellow flag of the event was waved.

The restart saw Jackson again take control of the race as several battles for position began to develop behind him. The fight for the runner-up spot lasted nearly ten laps between Travis Cram and Jac Haudenschild.

Haudenschild eventually won out. Further back Brooke Tatnell and Kevin Gobrecht fought for nearly the same number of laps with Gobrecht coming out on top of that one. And an equally exciting race developed for sixth and seventh between Terry McCarl and Andy Hillenburg, a contest which lasted to the end.

By the half-way point Jackson had developed a lead over Haudenschild of nearly a straightaway on the big half mile. Lap 13 saw him enter into lapped traffic but Haud was unable to make a dent in the Jackson margin as both cars raced by the backmarkers.

As the laps wound down it was evident that no one was going to catch Jackson's Hallett Enterprises Jensen Construction Maxim. The final lap saw Gobrecht challenge Haudenschild for the runner-up spot but as they entered the fourth turn Jackson was crossing the stripe for the \$2,500 win, the fourteenth in his career here. Gobrecht took the second place and Haudenschild was third. Tatnell finished fourth and McCarl came across the line in fifth. Rounding out the top ten finishers were Hillenburg, Cram, Dennis Moore, Jr., Don Droud, Jr. and Tony Moro.

Jeff Haines captured his fourth career win in the companion O'Reilly Auto Parts 360 Hard Chargers. He led flag to flag. Sophomore driver Jon Agan gained a personal best with a runner-up finish. John Kearney, David Hesmer, Doran Doty and Ed Ergenbright followed in that order. Thirty-seven cars competed in the O'Reilly Auto Parts 360 sprints division. Thirty-five 410 sprints took qualifying time trials.

JACKSON MAKES IT 3 IN A ROW AT KNOXVILLE

By Bob Wilson
May 8, 1999

KNOXVILLE, IOWA - May 15- Skip Jackson took his third regular season feature event win at Knoxville Raceway Saturday night and collected \$2,500 for his efforts.

Jackson, the 1997 and 1998 Knoxville Raceway track champion, started the 20-lap feature event in the second row and challenged front runner Larry Pinegar II for five circuits before he took the lead as they flew by the flag stand. A yellow flag at that point slowed the field for a single file restart.

When the race resumed Jackson found fourth row starter Terry McCarl on his heels as they flew around the half-mile oval. Jackson's line was the high route in turns one and two and low through three and four. McCarl tried various lines in order to gain on the fleet Jackson sprinter and on the 12th circuit he drifted too high in the second turn and lost contact with Jackson's Hallett Enterprise/Jenson Construction Maxim.

It took several laps for McCarl to regain his composure but lapped traffic soon began to play a factor and enabled him to close the distance quickly. To his credit Jackson was able to dice through the backmarkers and seemingly always had a car between himself and the McCarl machine. In the end it was Jackson's experience in traffic that enabled him to take his 15th career victory as he flashed by the flag stand just ten car lengths in front of McCarl.

Pinegar held his spot to place third with Dennis Moore, Jr. taking fourth and Jeff Mitrisin finishing fifth. Rounding out the top ten were Brent Antill, Randy Anderson, Bob Weuve, Travis Cram and Don Droud, Jr.

Terry Thorson led flag to flag in winning in the companion O'Reilly Auto Parts 360 Hard Chargers. Thorson, in just his fourth week of racing after a five-year layoff survived a late race yellow to take the win, his fifth here. John Kearney challenged Thorson late in the event but had to settle for second. Dwight Snodgrass, Doran Doty and tail-end starter Jeff Haines completed the top five finishers. David Hesmer, the current 360 points leader was involved in an opening lap crash and finished 19th. Thirty-six 360 and twenty-six 410 sprinters competed on the evening.

The name of Curtis Thorson was incorrectly placed as the winner of the 360 class event, the correct winner was Terry Thorson, and we apologize for this error.

KNOXVILLE, IOWA - May 22- By Bob Wilson FOR IMMEDIATE RELEASE

(HESMER, RAIN WIN IN KNOXVILLE SPRINTS)

KNOXVILLE, IOWA - May 22- Rain swept across the Marion County Fairgrounds at Knoxville Raceway Saturday night just as the 25-lap feature event was being pushed off. A brief wait saw the track get extremely slick and when weather radar showed additional rain moving toward the fairgrounds, the event was called. The event was a challenge race between the Interstate Racing Association (IRA) and Knoxville 410 sprints. David Hesmer captured his 45th feature event in the 360 sprint division just prior to the rain event. He led the entire 15-lap distance to take his third of the season here. Brett Mather made a late race pass the take the runner-up spot as Ed Ergenbright held third. John Kearney was fourth and Dwight Snodgrass finished fifth. Rounding out the top ten finishers were Bruce Divis, Mike Houseman, Doran Doty, Randy Combs and Jeff Haines.

Heat events were captured by Tim Newman, Mather, Hesmer and Ergenbright. Jon Agan won the B Main. Thirty-eight sprinters contested the six-event program.

Larry Pinegar, Brent Antill, Travis Cram, Skip Jackson and Jeff Mitrisin were the victors in the 410 sprint division heat races. Chris Walraven took the B Main and Dennis Moore, Jr. was the class of the 43-car field in qualifying time trials with a lap of 15.278.

McCARTL IS VICTORIOUS IN KNOXVILLE SPRINTS

*By Bob Wilson
May 29, 1999*

KNOXVILLE, IOWA - May29- Terry McCarl guided the Guy Forbrook Wirtgen/Jackpot Junction sprinter to a popular \$2,500 win at Knoxville Raceway Saturday night. The win put an end to the Skip Jackson dominance of this Marion County Fairgrounds racing facility.

The early laps of the ten-mile sprint found polesitter Lee Nelson in command. When a yellow flag was displayed for a spun car, track officials noticed that the fuel bypass had come loose on the Nelson machine. He was sent to the rear after a quick repair was made.

On the restart McCarl took the lead as the field roared past the flag stand to complete the third lap. Jackson had hauled into second and the two front runners cruised the big half mile on the cushion right against the famed Knoxville fences.

At the ten mile mark McCarl had pulled to a 25-car length advantage. Three laps later in lapped traffic the huge margin had completely evaporated as McCarl nearly spun his Maxim on the backstretch after jumping the cushion. The miscue had allowed Jackson to pull within striking distance and as they completed the circuit the defending track champion dove below McCarl in turns one and two for the lead. McCarl withstood the challenge and again put some distance between himself and the Aussie pilot.

On lap 18 it was "deja vu all over again" as McCarl jumped the cushion again in the same spot. Jackson again looked for the pass and pulled even with the Forbrook prepared machine in turns three and four. Again McCarl held off the challenge and was able to pass a lapped car to put some distance between himself and the pesky Jackson.

At the finish McCarl held a slight edge as gained his seventeenth career feature event at this historic oval. The win additionally saw Guy Forbrook take his 57th win as an owner, a division leading mark.

Scott Whitworth surprised the field with a very close third place finish. Larry Pinegar and Dennis Moore, Jr. rounded out the top five finishers. Leonard Lee took passing honors by placing sixth after starting on the tail. Jaymie Moyle, Chris Walraven, Bryan Grimes and Bill Robertson completed the top ten finishers.

Second generation driver Steve Gennetten captured his initial win in the 360 sprint division as he led the entire 15-lap distance. Track points leader David Hesmer took second with a last lap pass of John Kearney. Gennetten enjoyed huge leads in the 15-lap event and Hesmer, who got off to a dismal start and fell nearly to the rear, battled back to earn his runner-up finish. Dave Middleswart gained a personal best by finishing fourth and Randy Martin was fifth.

Forty-six sprinters contested the 360 sprint program and thirty cars reported to the 410 sprint division.

ROGER RAGER IS MASTER OF KNOXVILLE'S MASTERS CLASSIC

*By Bob Wilson
JUNE 5, 1999*

KNOXVILLE, IOWA - June 5 - Roger Rager came out of retirement after an eleven year absence to capture the 7th annual Goodyear Masters Classic at Knoxville Raceway Saturday night.

Rager, the 1975 Knoxville Raceway track champion, was in his rookie session for the classic event but perhaps his many years of running the half-mile oval on a weekly basis during the 1970s paid off for the Minnesota native. The win paid Rager \$2,500 for his efforts.

The event, for drivers age 50 and older drew a field of twenty-three entries. All drivers were allowed to begin the 22-lap feature race.

Rick Ferkel took the lead when the green flag was issued but on the second circuit Harold McGilton made a low side pass in turns three and four to take the lead. The following lap saw a five-car tangle in turn one sending

Leroy VanConnett, Roy Jo Peltz, Mike Kostic and Craig Agan to the pits. McGilton held the lead for one more lap until Ferkel took it back again coming out of turn two. Ferkel then began to extend his margin until he hit lapped traffic on lap eight. That same circuit saw McGilton come upon the backmarkers too and that is when Rager, a fifth row starter, made up the gap between himself and the McGilton machine.

Using the high groove Rager flew into second and began chasing down Ferkel. He was unable to make much of a dent in the pursuit until lap nineteen when Ferkel hit heavy lapped traffic and he took the top spot with his cushion line. The 21st circuit saw Ferkel regain the lead when Rager was caught behind a backmarker, but when the lap was completed Rager had regained the point position.

At the end of the 22-lap classic event Rager had bested Ferkel, a three-time champion, by ten car lengths. McGilton took third Shelby Steenson was fourth and the defending champion of the event, Jerry Crabb finished fifth.

Qualifying heat races went to John Bankston, Billy Engelhart and Dave Heskin. Bankston led all qualifiers in time trials with a lap of 17.398.

As part of the 10th annual National Sprint Car Hall of Fame weekend activities, 15 new members were inducted in ceremonies on Friday night. The new inductees are Don Basile, Russ Garnant, Ray Lee Goodwin, Al Gordon, Hank Henry, Hooker Hood, Bob Kinser, Fred Loring, Lealand McSpadden, Eddie Sachs, John Sawyer, Steve Stapp, Larry Sullivan, Leroy Van Connett and Johnny White.

6/10/99

KNOXVILLE, IA (June 10, 1999) - Thirty-one cars got their time trial laps in before the skies opened up. Nick Haygood of Aurora, Colo., shattered the three-year-old record of Lee Nelson (16.687). Haygood toured the historic half mile in 16.389 seconds. Unfortunately, the record will not stand as time trials were not completed. All 100+ cars will compete on Friday with hot laps starting at 4:00 p.m. No time trials will be taken. Heat positions will be drawn for.

Knoxville Raceway Friday, June 11, 1999 Rain dampens second day of 360 Nationals

By Bob Wilson

KNOXVILLE, IA (June 11, 1999) - For the second time in twenty-four hours rain forced a cancellation of events at the 9th annual O'Reilly Auto Parts 360 Nationals at Knoxville Raceway Friday night. Heavy rain swept across the fairgrounds at 9:45 p.m. after ten heats, two C mains and one B main had been contested. The Thursday night program was completely washed out.

Michael Dupuy of Amite, Louisiana and Danny Wood of Norman, Oklahoma were declared the winners of the two rained-out feature events. They were sitting in the pole positions of their respective A main lineups that were not contested. Those races as well as one B main were paid off according to those lineups.

Heat race winners were Mike Chadd of Lincoln, Nebraska, David Hesmer of Marshalltown, Iowa, Dennis Moore, Jr. of Grinnell, Iowa, Wood and John Bankston of Beaumont, Texas. The second flight of heat race winners were Nate Estal of Oskaloosa, Iowa, Tim St. Arnold of Des Moines, Iowa, Paul Poncelet Sioux Fall, SD, Randy Martin of California, Missouri and Andy Eatwell Denver, Colorado. C main winners went to Nick Haygood of Aurora, Colorado and Keith Rauch of Edgewater, Colorado. The one B main that was contested

went to Jason Danley of Lincoln, Nebraska.

Defending O'Reilly Auto Parts 360 National champion Gary Wright of Hooks, Texas was unable to make the Friday qualifying session and will not be able to defend his title. Wright had gone to South Dakota to race and that event was rain-canceled. His attempt to reach Knoxville Raceway in time to compete fell nearly half an hour short.

FOR IMMEDIATE RELEASE

KNOXVILLE, Iowa, June 12 - Dennis Moore, Jr. of Grinnell, Iowa captured the 9th annual O'Reilly Auto Parts 360 Knoxville Nationals at Marion County Fairgrounds Saturday night. The race was the culmination of a three-day event, the first two of which were plagued by rain. The events were also sanctioned by the American Sprint Car Series (ASCS).

Moore, who started in the third row of the 24-car field was never really a factor until about the half-way point of the 25-lap championship event. Texan Ronald Laney set the early pace from his front row starting nod as he paced the field of sprinters with a low groove line that kept all challengers at bay. Suddenly on lap seven, fourth-row starter Randy Martin flew by on the outside to take the lead showing that the high groove was the fastest route around the half-mile oval.

Martin continued to run that line and at the five-mile mark pole sitter Danny Wood gained the runner-up position after a long battle with Laney and set sail on the cushion in an attempt to chase down Martin. Lap twelve proved to be the undoing of Martin when he came upon heavy lapped traffic with Wood in tow. On the backstretch Martin dove low and Wood continued high and took the lead as he ran through turns three and four. Wood then proceeded to put some distance between himself and the Martin machine using the high line until a yellow flag was displayed on the seventeenth go around for a car part on the track.

On the restart a wild scramble took place as fifth running Ricky Logan slowed dramatically having lost a rear-end. All cars were able to miss the hapless Logan machine which had started at the tail of the event after winning the B Main.

When the race resumed Wood held his position with Moore now in contention having gained the runner-up spot from Martin. Wood continued to run the high cushion and was able to put a ten-car length gap between himself and Moore. On the twenty-first circuit Wood's sprinter began to become unstable as the right-rear tire began to lose pressure. One lap later it blew just after he flew past the start-finish line and with some fancy driving he was able to keep it from striking the turn one fence with much force. Some damage did occur and after leading the race for ten laps Wood rode the wrecker to the pit area.

On the single-file restart, Moore inherited the lead and from his low-running groove he held that position for the remaining three laps to claim the \$6,000 to win title in his self-own sprinter. Martin of California, Missouri took the \$3,000 runner-up paycheck and 1992-1993 champion Garry Lee Maier of Cameron, Kansas received \$2,500 for third. Mooresville, North Carolina's Bill Wilburn was fourth and Don Droud, Jr. of Lincoln, Nebraska took passing honors from the tail of the field to place fifth. Rounding out the top ten finishers were Laney, Tim Crawley also from a last row start, Randi Miller, Steve Gennetten and Tim St. Arnold.

Preliminary events saw Mike Houseman of Des Moines win the E Main, Jan Howard of Byhalia, Mississippi take the D Main, Jeff Haines of Oskaloosa, Iowa capture the C Main as Logan led from start to finish in winning the B Main. Ninety-four cars competed during the three-day championship events.

DENNIS MOORE HAS NIGHT TO REMEMBER IN KNOXVILLE SPRINTS

By Bob Wilson

for immediate release

KNOXVILLE, Iowa - June 12 - Dennis Moore, Jr. captured two feature events at Knoxville Raceway Saturday night as he won the regular 410 main event as well as the 9th annual O'Reilly Auto Parts 360 Nationals. His paycheck for the evening totaled \$8,500.

The twenty-lap 410 feature event got off to a rocky start when Skip Jackson performed a three-sixty spin in turn one just after the green flag flew. In the wild scramble Travis Cram hit the fence between turns one and two and Terry McCarl, having no where to go, did an easy crunch right behind him. Cram was unable to continue but McCarl changed a wing and restarted on the tail.

When the race restarted Moore assumed the point position from his pole start with Australian Kerry Madsen in very close pursuit. Moore set his self-owned sprinter on the pole of Knoxville's big half mile as Madsen too tried the same line to keep pace with the quick Schnee machine.

On the sixth circuit Jeff Mitrison, who had found the high cushion to his liking, took the runner-up position away from Madsen as he exited turn two. Mitrison worked the high groove lap after lap coming within striking distance in turn two on each circuit, but each time Moore fended him off as he slid out of the low groove going down the backstretch.

Lap fourteen saw fourth row starter Jackson come into contention when he grabbed the second place position away from Mitrison with a low groove pass. Jackson was willing to try every portion of the track to catch and challenge Moore but could make no headway on the front runner.

A yellow flag flew on the 16th go around and the single-file restart which promised to be interesting only proved that Moore knew how to fend off the defending track champion. Moore stayed with his low groove line which allowed him to slide to the top coming out of turns two and four. Jackson was unable to make a bid and that was when Madsen came back into the picture taking second place again on the 18th circuit. One lap later Madsen, who was running the high route, charged to the rear nerfbar and bumped Moore as the leader slid high in turn two. One lap later it was all over as Moore crossed the finish line for his third career feature win here with Madsen taking second in a close finish. Jackson claimed third. Taking passing honors for fourth place was Don Droud, Jr. who started eighteenth. Leonard Lee was fifth. Rounding out the top ten finishers were Mitrison, Scott Whitworth, McCarl, John Sernett and Jason Sides.

McCARL AND DOTY ARE MID-SEASON KNOXVILLE CHAMPS

*By Bob Wilson
JUNE 19, 1999*

KNOXVILLE, IOWA - June 19- Terry McCarl and Doran Doty, two drivers from Des Moines, each claimed mid-season championships at Knoxville Raceway Saturday night.

For McCarl, who is currently driving the Guy Forbrook Wirtgen/Jackpot Junction Casino Maxim, it was his third of the season here as he captured his nineteenth overall career win at this historic oval.

Pole sitter, Mike Reinke took the lead at the start of the 25-lap mid-season affair and shot to a huge lead as he rode the cushion of the half-mile oval. When he hit lapped traffic on the seventh circuit he had mustered a fifty car-length advantage. Behind him a war of sorts had broken out between Brent Antill, Dennis Moore, Jr., McCarl and Skip Jackson. Those four cars were running nose to tail and often side by side until they had closed within striking distance of Reinke who found a comfort zone on the top side of the track.

Just after the five-mile mark Jackson showed a burst of speed and dashed from fourth place to the runner-up slot on the 12th go around. One lap later Jackson went low as he exited turn two and roared by Reinke to take the lead as he shot down the back chute. McCarl made a similar move four laps later and charged into second place with a low line move as Reinke continued to run the high groove.

Jackson, the defending track champion, found a low groove in turns three and four and the high cushion in turns one and two to his liking but that line would not be satisfactory to win on this night. McCarl, who had placed his car on the top side began to close the gap. On the twenty-third lap, just as they headed for the start-finish

line, McCarl roared under Jackson to take the lead, a position he would increase as the race wound down to the finish.

McCarl, the current track points leader here received \$3,000 for his efforts with Jackson gaining \$2,500 for his second place finish. Dennis Moore, Jr., a winner one week ago, took third, Antill was fourth and Reinke held for fifth. Rounding out the top ten finishers were Jeff Mitrisin, Don Droud, Jr., Larry Pinegar from the tail of the 20-car field, Manny Rockhold and Tony Moro.

Doran Doty captured his second career win in the 360 cid O'Reilly Auto Parts Hard Chargers division. He grabbed the lead on the eighth lap and fended off David Hesmer the rest of the way in the twenty-lap mid-season affair to register the win. He was paid \$1,500 for the win, a race he completed in track record time. Hesmer took second, Randy Martin was third, Jon Agan placed fourth and Steve Gennetten came across the line for fifth.

HAUDENSCHILD TOO TOUGH AT KNOXVILLE

by Robert Mayson

KNOXVILLE, IA., JUNE 23 --

Jac Haudenschild was the class of the field Wednesday night at the Marion County Fairgrounds in Knoxville, Iowa. Leading all 30 laps, Haudenschild beat Troy Cline to the checkered flag with little challenge.

USAC regular Tracy Hines was third followed by Mike Kirby and Bill Rose. Dwight Cheney took the night's wildest flag in heat race number four. Cheney was taken to the hospital for observation. Cal Smith and local driver Bobby Weuve both tumbled hard in hot laps, but neither was hurt.

McCARL WINS AGAIN IN KNOXVILLE SPRINTS

*By Bob Wilson
JUNE 26, 1999*

KNOXVILLE, IOWA - June 26- Terry McCarl captured his fourth feature event of the season at Knoxville Raceway Saturday night to register a milestone 20th career win at this Marion county oval.

McCarl, who sits aboard the Guy Forbrook Wirtgen/Jackpot Junction Casino Maxim, waited until just before the half way point of the twenty-lap feature event to take the lead in a race which paid \$2,000 to win.

Skip Jackson, who inherited the pole after front-row starters Mark Toews and John Sernett were sent to the rear of the field by flagman Doug Clark, held the initial lead when the race began and utilized a low groove line around the half-mile oval. McCarl grabbed the runner-up spot on the second circuit and began to chase the Jackson machine by running the cushion in turns one and two and pacing the defending track champion in the low groove through three and four.

McCarl had succeeded in closing the margin between himself and Jackson when lap traffic came into the picture on the eighth go around. With Jackson impeded by the slower cars, McCarl kept to his high line and took the lead as the cars exited turn two on the following circuit. Jackson stayed close but was unable to make a dent in the McCarl lead.

With five laps to go Jackson suddenly forged his way back into the picture and was once again within striking distance. On the final lap Jackson was again on the rear bumper of the McCarl sprinter and as the two cars roared out of the final turn McCarl was able to hold his advantage. At the finish line the two cars charged beneath the checkered flags with McCarl winning by no more than half a car length. Moments later the winning sprinter pulled into victory lane in a cloud of smoke. In the winner's circle McCarl told the crowd that he had started experiencing engine problems with four laps to go.

Finishing behind McCarl and Jackson were Dennis Moore, Jr. and Don Droud, Jr who came all the way from a twentieth starting nod. Kerry Madsen finished fifth. Rounding out the top ten finishers were Jerry Richert, Jr., Leonard Lee, Bob Weuve, Chris Walraven and Manny Rockhold.

Jeff Haines took his second win of the season in the 360 cid O'Reilly Auto Parts Hard Chargers division. Using a borrowed engine he grabbed the lead on the fifth lap and held it to the finish to take the \$1,000 victory. David Hesmer took second, John

Kearney was third and Dwight Snodgrass finished fourth. Fifth went to Randy Martin.

Thirty-five 410 cid sprinters and thirty-nine O'Reilly Auto Parts Hard Charges competed on the evening.

In trackside ceremonies 4 new members were inducted into the Knoxville Raceway Hall of Fame.

New members were, Lonnie Jensen (LINCOLN, NE), Gary Hanna (TOPEKA, KA), Donna Vert (DES MOINES, IA), Jack Miller (TAMPA, FL).

Lasoski takes WoO Weekend Opener

*By Bob Wilson

LASOSKI TAKES WoO IOWA ETHANOL CLASSIC PRELIM

KNOXVILLE, IOWA - July 2- Danny Lasoski captured the 20-lap preliminary feature event of the Pennzoil World of Outlaws (WoO) Iowa Ethanol Classic at Knoxville Raceway Friday night.

It was a feature event race that got off to a rocky start as Stevie Smith and Steve Kinser collided at the end of the first lap while fighting for fifth as each driver tried to take the low groove in turn one. Kinser received the worst of it as he careened across the track and slammed the turn one fence. He exited the battered car and walked to the pits.

On the restart Smith's car, whose front end appeared to be extremely unstable spun in turn two. Lance Blevins and Kerry Madsen struck the fence as they attempted to miss him. None of the cars restarted.

When the race finally went green pole sitter Danny Lasoski charged to the lead with Mark Kinser sliding into second behind the 7-time Knoxville track champion. Lasoski roared around the half-mile oval utilizing the low groove much as he did in capturing the Amoco Knoxville Nationals nearly one year ago. Meanwhile Kinser rode the high groove in his Karl Kinser prepared mount and stayed even with the Lasoski Dennis Roth Racing Eagle.

Each lap found Kinser and Lasoski drag racing out turn four with Lasoski holding the edge at the line. Just after the five-mile mark on lap eleven Kinser shot by Lasoski at the start-finish to take the lead. As the two drivers entered turn two Lasoski grabbed the front spot back again. Lap fifteen saw them enter lapped traffic and that is when Lasoski was finally able to put some distance between himself and the pesky Kinser.

Behind the frontrunners Tyler Walker was running a solid third. Sammy Swindell and Jac Haudenschild had a long battle for the fourth place position which was finally settled on the seventeenth go around when the smoking Swindell exited the race.

At the end of twenty laps Lasoski took the checkered flags ten car lengths ahead of the Kinser machine. It was a milestone victory for Lasoski as the win was his 70th at this historical fairgrounds and paid the Missouri driver \$5,000 for his efforts.

Walker held his spot for third and Haudenschild took fourth. Local standout Terry McCarl was fifth. Rounding out the top ten finishers were Donny Schatz who started dead last, Skip Jackson, Daryn Pittman, Jeff Swindell and Craig Dollansky.

A companion field of 360 ci sprinters contested a seven-event program with David Hesmer taking his 46th career win in that division. Hesmer grabbed a fifth lap restart lead from Tim Newman who finished second. John Kearney, Eddie Leavitt, Jr. and Doran Doty rounded out the top five finishers.

Forty-eight WoO sprinters and thirty-nine O'Reilly Auto Parts 360 Hard Chargers competed on the evening.

LASOSKI AND HERRERA WIN IOWA ETHANOL CLASSIC FEATURES

*By Bob Wilson
July 3, 1999*

KNOXVILLE, IOWA - July 3- Danny Lasoski and Johnny Herrera, two former Knoxville Raceway champions, each captured feature events at the 4th annual Iowa Ethanol Classic featuring the Pennzoil World of Outlaws (WoO) at Knoxville Raceway Saturday night.

In the first 25-lap feature event which went nonstop, Mark Kinser grabbed the top spot at the drop of the green flag as he out-dragged fellow front row starter Danny Lasoski through turns one and two. The early stages of the race saw Kinser utilize the high groove to circle the half-mile oval with Lasoski trying the low line to make a dent in the Kinser lead. As the race progressed Lasoski tried both the top and the bottom in an attempt to find the fastest way around the track.

By lap seven they had entered lapped traffic and Lasoski immediately caught the Karl Kinser prepared mount. As a rule Lasoski followed Kinser's line whether high or low but when Kinser placed lapped cars between them he would shoot to a different groove.

Lap sixteen saw Kinser nearly lose his momentum when he slid out of the low line when he exited turn two. Lasoski made a hard run at the Kinser machine but could not get around the current WoO points leader.

At the ten mile Mark Kinser had pulled out to a ten car-length lead but within the distance of one lap the two front runners had entered heavy lapped traffic and Lasoski had pulled to within the back bumper of the lead car.

The pass came on the twenty-second lap as Kinser became impeded slower cars and Lasoski guided the Dennis Roth Racing Eagle low in turns three and four. It was that move that enabled the Dude to exit turn four with the lead.

The remaining laps saw Lasoski extend his lead until he crossed the finish line nearly 20 car lengths ahead of the Kinser Maxim. It was Lasoski's 71st feature event win at this historic oval and paid the Beef Packers team \$12,000. Kinser received \$6,000 for his second place efforts. Jac Haudenschild was third, a position he assumed for the entire distance of the race as did fourth place Steve Kinser. Tyler Walker was fifth. Rounding out the top ten finishers were Tim Shaffer, Stevie Smith, Daryn Pittman, Terry McCarl and Kevin Gobrecht.

In the second Iowa Ethanol Classic feature event, which was completely inverted from the finish of the first, Johnny Herrera withstood one red and two yellow flags to win that 25-lap contest.

The race was barely three laps old when second running Larry Pinegar slowed dramatically and as he cruised into the high line of turn one the onrushing Tyler Walker could not miss his left rear tire and he rolled and crashed into the track and fence. Both drivers exited their cars and walked to the pits.

On the restart, Herrera roared to a huge lead in the DOCC Motorsports Eagle with Craig Dollansky chasing him around the high line against the famous Knoxville fences. On back Jeff Swindell, Brooke Tatnell, Kevin Gobrecht and Sammy Swindell created the most interesting contest of the early portion of the race as that foursome exchanged positions nearly ever corner.

At the half-way point the first yellow flag was displayed for Jeff Swindell who had lost a left rear tire. An assessment of the single file field showed that Mark Kinser had move all the way to tenth from a near-tail end start.

When the race resumed Herrera again pulled away from the field but four laps later a second yellow flew for a Tim Shaffer spin in turn three. His right front tire had gone flat.

With barely five miles left to go in the race Herrera again controlled the restart and as he had done previously he pulled away from his closest challengers. Sammy Swindell made a last lap pass of Dollansky and was exiting turn four as Herrera roared across the finish line for a \$12,000 payday and his eighth career win here. Mark Kinser took fourth and Steve Kinser was fifth.

Completing the top ten finishers were Gobrecht, Lasoski, McCarl, Andy Hillenburg and Brooke Tatnell.

McCarl, Jackson Split Brenton Bank Twin Features Night

*By Bob Wilson
July 10, 1999*

KNOXVILLE, IOWA - July 10-Current Knoxville Raceway points leaders Terry McCarl and Skip Jackson won respective ends of Twin Twenties at the Marion County Fairgrounds Saturday night. McCarl currently leads the 410 cid sprints points and Jackson is second.

The first 20-lap feature event saw the early stages break out into an all-Aussie battle as pole sitter Kerry Madsen and Jackson waged a tremendous battle around the half-mile oval for nearly a dozen laps. Madsen chose the cushion to hold his top spot and Jackson ran turns one and two on the high side while in three and four he ran the low line. For the most part the two 'Sydney-siders' were never five car lengths apart.

Lap thirteen proved to be an unlucky lap for Madsen as he slid high while exiting turn four and struck the front stretch fence. His car was heavily damaged but he walked to the infield. The restart was equally as eventful for Brent Antill as his top-wing support brackets broke as he roared into the third turn and he took a tumble into Knoxville's famous fences.

When the race resumed Jackson held the lead with McCarl making a pass of second running Dennis Moore, Jr. As the race wound down it looked as if those three cars would finish that way but on the final circuit McCarl seemed to inch closer to the Jackson machine. As the two front runners exited the fourth turn McCarl caught Jackson and in what could only be described as a photo finish, McCarl nipped Jackson by no more than inches. Jackson then spun in turn one the victim of a broken steering arm. Moore came across the stripe in third, Travis Cram was fourth and Leonard Lee took fifth.

In the inverted second feature event, a visiting Rocky Hodges took a runaway lead until a caution flag slowed the race at the halfway point. Previous to that event Lee and Jackson had put on a driving clinic and had roared from deep in the pack via the cushion to secure the second and third place spots.

The restart went perfectly for Jackson as Hodges and Lee went high in turns one and two while Jackson used a patented low line to grab the top spot as he exited the second turn. Hodges kept close but Lee eventually faded as the race progressed.

With five laps to go McCarl grabbed the runner-up spot and when he and Jackson crossed the finish line in that order it was only fitting that it would be the reverse of their positions in the first feature. Hodges held for third, Larry Pinegar was fourth and Jaymie Moyle took fifth.

The 360 cid division saw David Hesmer take his 47th feature event at this fairgrounds. Early race leader Mike Houseman was second and Steve Wares took third. In the inverted second feature, visiting Ricky Logan led flag to flag in his third career win here. Tim Newman was second with a last lap pass of third place John Kearney.

Aukland keeps Moyer at bay for Knoxville 10-grand

By Greg Parent

KNOXVILLE, IA (July 13, 1999) - Under bright blue skies, the temps were warm, it was not humid and there was a nice breeze blowing out of the south. The pits were filled with race cars. A total of 46 UMP late models were on hand.

A very nice sized crowd was on hand too. With NASCAR drivers Ken Schrader and Tony Stewart in the pits, the regular UMP late model warriors would have a little extra competition for the limelight. Stewart actually took a few hot laps in Tony Moro's #2M sprint car after the hot lap sessions were completed, but prior to the racing action getting underway. Stewart said it was a "blast" to circle Knoxville in a winged sprint, something he had not had the opportunity to do before tonight.

Billy Moyer set fast time at 20.474 seconds around the famous 1/2-mile oval, while Rick Aukland claimed top honors in the fast dash to earn the pole position for the main event.

Heat wins went to Bill Frye #66, Scott Bloomquist #0 and Steve Francis #15. Most of the races ran off with little or no cautions.

The 50-lap UMP late model A main ran 36 straight laps before the first caution waved. For the first eight or nine laps, the #99c of Aukland and the #21 of Moyer ran side-by-side most of the time with Aukland on the bottom and Moyer in the middle. Aukland was finally able to gain the advantage over Moyer and eventually went on to claim the \$10,000 win.

There were only two cautions during the entire 50 laps (the second yellow waved with 7 laps left when Steve Francis lost oil pressure and stopped in turn #4). The track was hard and black, but it was smooth and actually had more than one racing groove. Many cars used the bottom line, but several ventured into the middle and a few cars ran the topside (Kenny Schrader for one). It was a good race nevertheless.

Madsen and Golik take Knoxville Sprint Wins

MADSEN AND GOLIK TAKE KNOXVILLE SPRINT WINS

KNOXVILLE, IOWA - July 17 - Kerry Madsen and Brent Golik took feature event wins at Knoxville Raceway Saturday night. It marked the first time each driver reported to the winner's circle this season and gave both drivers the second career win at this race facility.

Madsen started on the front row of the 20-lap feature event but lost the challenge for the lead when the green came out as pole sitter Matt Moro roared into turn one in the top spot and Madsen faded to fifth. By lap four Moro had built a near-straightaway lead as Madsen began to pick his way back through the field.

On lap seven Moro entered lapped traffic and all was well until backmarker Kevin Whitworth spun his sprinter and tipped over directly in front of him at the pit entrance. Moro narrowly missed the Whitworth machine but the red flag had been shown to the field and the huge lead Moro had developed was now down to a single file restart.

When the race resumed Moro again pulled away from the field as he continued to ride the rim on the half-mile oval. Madsen challenged and passed second running Kim Mock and as the laps continued he began to make a dent in the Moro lead. A caution flag was displayed for a stalled car and the race again went to a single file restart.

On the restart Madsen went low into turn one and when he exited turn two he had taken the lead from Moro as Terry McCarl roared into third. With but five laps to go Madsen parked the Al Parker Twister on the cushion and pulled away from Moro and McCarl who created the best racing with their battle for second. Madsen, who had crashed while leading the feature event one week ago here, finished ahead of Moro and McCarl who completed the ten miles in that order. It was Madsen's second career win here. Larry Pinegar closed fast to place fourth and Skip Jackson was fifth. Rounding out the top ten finishers were Dennis Moore, Jr., Leonard Lee, Randy Anderson, Manny Rockhold and Mock.

In the companion O'Reilly Hard Chargers 360 cid sprints, Brett Golik survived a ninth lap wreckfest which saw two of the top four runners eliminated to take his second career win here, and his first of this season. Doran Doty, John Kearney, Larry Ball, Jr. and Randy Martin completed the top five finishers. Forty-six 360s and thirty-four 410s competed during the evening.

Troy Folkerts conquers Harris Clash at Knoxville Raceway

KNOXVILLE, Iowa (July 20) – More than 130 of the best racers from a dozen states came to the Knoxville Raceway, with visions of winning the Harris Clash for I.M.C.A. Sunoco Modifieds.

The driver who went home with the tallest trophy, however, only had to drive 30-odd miles down Highway 5 to get home to Albia after the race.

The victory was worth \$1,500 to Troy Folkerts, who took the front position from pole starter and early leader Tom Charles of Bonner Springs, Kan., and then used the low side of the track around the famed half-mile dirt oval.

"There were a lot of drivers there that people expected to win, and I probably wasn't one of their first choices," said Folkerts, who had dropped out of the I.M.C.A. modified anniversary race the night before with a busted fuel line. "I went out there with no pressure on myself. I thought I'd just go out and run my race."

Folkerts had started the 25-lapper from inside row two. He stayed in the fast groove, taking the checkers before lapped traffic could aid his pursuers.

Johnny Saathoff of Beatrice, Neb., was second and two-time Clash champion Kelly Shryock of Story City was third.

Fourth went to Kevin Larkins of Greenwood, Neb., last year's runner-up. Kenny Schrader, of Winston Cup renown, made a guest appearance, won his B race and finished fifth in the main event.

Schrader was driving the Harris Auto Racing house car usually piloted by John Logue of Boone. The two were in the same heat, with Schrader finishing second and Logue fourth in the car he borrowed from Rich Lewerke of Garner.

World of Outlaws driver Danny Lasoski was also another special invitee and passed half the feature field to finish 13th.

"It's nice to know you can run with somebody with that caliber of talent," Folkerts said. "It makes you feel like you're accomplishing something."

Folkerts is running second to Saathoff in the national points race and credited his sponsors, parents and crew members with keeping him on the track recently. He works for an industrial contractor in Eddyville, and has been going straight to the track after longer days on the job.

"My family and crew have pretty much been putting the car back together, bringing it to the track and meeting me there," said Folkerts, in the midst of a schedule that will see him race 14 times in two and a half weeks. "They've played a big part in the success that we've had this year."

Lasoski Takes Knoxville Prenationals Warm-up

By Bob Wilson

July 21, 1999

KNOXVILLE, IOWA - July 21 - Danny Lasoski took a big step towards defending his Nationals title at Knoxville Raceway as he captured the World of Outlaws (WoO) 25-lap feature event during the Marion County Fair Wednesday night.

The 'pre-Nationals warm-up' feature event found pole sitter Johnny Herrera grabbing the lead when the race went green as he dove to the low side of the half-mile oval and parked his sprinter there during the early portion of the race. Third row starter Sammy Swindell immediately shot to the cushion and took the runner-up position.

For the first eight laps Herrera utilized the low line to keep Swindell at a seven car-length disadvantage while Swindell roared around the top side just feet from the famous Knoxville fences.

On lap eight Herrera entered lapped traffic and a side by side battle developed with Swindell on the backstretch. Herrera won out and began to slowly pull away from Swindell and the field.

At the time of the Herrera/Swindell skirmish, Lasoski had closed the gap and had come into the picture as a contender. At the six-mile mark he had begun a fierce battle with Swindell that would last another two miles as

the Dude ran his now patented low Knoxville groove. He finally took the second position away from the high flying Swindell on the sixteenth circuit with a backstretch pass.

All eyes were now on the gap Herrera had forged between himself and the Lasoski machine as the race began to wind down and the distance between the two contenders began to shrink. Herrera continued to use the low line much as Lasoski was doing unless he came upon lapped traffic. By lap twenty-two Lasoski had pulled to within two car lengths of Herrera. On the next go around Lasoski pulled along side Herrera in heavy lapped traffic on the backstretch and took the lead when he dove low going into the third turn. From that point he pulled away in the Dennis Roth Eagle to score his 72nd career feature event win and gain the \$8,000 payoff.

Herrera held his position to gain the runner-up spot with Mark Kinser, who started along side Lasoski taking third. Steve Kinser was fourth and Stevie Smith finished fifth. Tim Shaffer, Lance Blevins, Dale Blaney, Joey Saldana and Jeff Swindell rounded out the top ten finishers. Early contender Sammy Swindell dropped from the event on the twenty-third circuit and finished twenty-second.

In trackside ceremonies during the evening, WoO star Andy Hillenburg was honored for making his 500th consecutive A Main event.

McCARL TAKES 6TH KNOXVILLE WIN OF SEASON)

KNOXVILLE, IOWA - July 24 - Terry McCarl guided the Guy Forbrook Wirtgen/Jackpot Junction Maxim to his sixth feature event win of the season at Knoxville Raceway Saturday night. The victory paid the second generation driver \$2,500.

Rookie Mark Toews led the opening lap of the 20-lap feature event only to be over hauled by Jeff Mitrison on the second go around. Mitrison made the pass using the high groove and with that success he stayed in that line with Toews, Matt Moro, Kerry Madsen and McCarl following like a string of beads. Moro grabbed the runner-

up spot on the fourth lap and Madsen took third two laps later. Mitrising in the mean time began to pull away from the field.

At the ten mile mark Madsen shot into second and began to chase down the Mitrising machine. McCarl likewise passed Moro one lap later and set his sights on Madsen as the top five cars all chose the cushion to fly around the half-mile oval.

On lap thirteen Madsen made a dramatic dent in the Mitrising lead and as the cars roared into the fourteenth lap Madsen had cut the gap to just a couple of car lengths. Heading into turn three Madsen shot to the low side of the track at a high rate of speed and his momentum caused him to drift up and into the lapped car of Jerry Richert, Jr. The collision damaged both cars and forced both machines to the sidelines.

On the restart Mitrising chose to stay in the high groove while second running McCarl dove to the inside. That move proved to be successful as he exited turn two with the lead while Mitrising had his hands full staying off the advances of Skip Jackson. Lap sixteen saw Jackson make the same move that McCarl had made in turn two to take the second spot.

Once Jackson had secured second, he dropped his sprinter into the low groove in an attempt to run down the McCarl machine. The strategy proved to be ineffective and Jackson again jumped to the cushion but it was too late as McCarl had checked out and was on his way to the checkered flag.

At the finish line it was McCarl taking his twenty-second career victory here, eighth overall on the all-time win list. Jackson was second, Mitrising took third, Moro finished fourth and Craig Dollansky took passing honors as he came from the tail of the event to place fifth. Rounding out the top ten finishers were Scott Whitworth, Dennis Moore, Jr., Calvin Landis, Larry Pinegar and Toews.

David Hesmer notched career win number forty-eight as he captured the 360 cid feature event. Hesmer inherited the lead after the tenth lap when race leader Randy Martin dropped from the event. Steve Breazeale, Steve Gennetten, Doran Doty and Jerry Crabb formed the top five finishers.

CALIFORNIAN HANNAGAN TAKES KNOXVILLE SPRINT CASH

*By Bob Wilson
July 31, 1999*

KNOXVILLE, IOWA - July 31 - Randy Hannagan made a stop at Marion County Fairgrounds payoff after a long tow from California as he captured the 20-lap feature event at Knoxville Raceway Saturday night. It was his first win at this racing facility and paid him \$2,500.

Matt Moro took the initial lead at the drop of the green flag but lost it to Larry Pinegar on a lap three restart. Pinegar tore around the half-mile oval in the low groove with Moro within striking distance on the top side. They had just hit lapped traffic on the ninth go around when a second caution flag was displayed, erasing the gap they had placed between themselves and third running Dennis Moore, Jr.

On the restart Moore made a pass of Moro and one lap later he dove to the low side of Pinegar in turn one and took the lead as he exited down the backstretch. On that same restart Hannagan, who had started in the sixth row, moved into third with a pass of Skip Jackson. Lap thirteen saw him gain the runner-up position not more than twelve car lengths behind the leader.

Lap fifteen saw the leaders enter lapped traffic and for the next two laps Moore and Hannagan diced superbly through the backmarkers with Hannagan unable to utilize his World of Outlaws experience to take the top spot. On the white flag lap Leonard Lee and Craig Dollansky stopped on the track in separate situations with mechanical problems forcing a yellow flag to fly and creating yet another single file restart.

The win was not destined to fall in the books for Moore although he was able to fend off Hannagan's moves on the restart. As the two cars tore out of turn four on the final lap, Hannagan went high while Moore chose the low route. The drag race down the front chute saw Hannagan gain the edge and cross across the finish line just ahead of the Moore machine.

Hannagan, who told the large grandstand crowd that he made the stopover at Knoxville while on his way to Ohio's Eldora Speedway and the Big One, was at this racing facility for the first time this year. Finishing third behind Moore was Pinegar with Jackson taking fourth. Brent Antill placing fifth. Rounding out the top ten

finishers were Randy Anderson from the tail, Jaymie Moyle, Moro, Terry McCarl who transferred from the B Main and Robert Jackson.

David Hesmer, who has dominated the 360 cid O'Reilly Auto Parts Hardchargers was again the class of the field and drove from the eighth starting position to take the 15-lap feature event, his seventh of the season. Randy Martin was second and early leader Jeff Haines took third. Tim Newman and Brett Mather formed the top five finishers.

Thirty-five 360 sprints and forty-four 410 sprints representing 13 states competed on the evening.

DOLLANSKY SPRINTS TO KNOXVILLE PRE-NATIONALS WIN

*By Bob Wilson
August 7, 1999*

KNOXVILLE, IOWA - August 7 - Craig Dollansky grabbed a late race lead in the twenty lap feature event to take a big win in this pre-Nationals event at Knoxville Raceway Saturday night. For Dollansky it was his sixth career win here and paid him \$2,500.

Travis Cram took the initial lead from his pole position start when the race began and moved his sprinter to the topside of the half-mile oval with fellow front row starter Brent Antill on his heels. The two front runners stayed close to each other in the initial stages and had just come upon lapped traffic on the sixth circuit when the yellow flag was displayed for a car part on the track. Third running Matt Moro was unable to repair his sprinter at this juncture and was left in the pits when the green flew once again.

Cram was able to hold his position on the restart and Antill fell into line behind him about 8-10 car lengths off the pace. Peter Murphy, a third row starter had raced into the third spot and Dollansky who started twelfth got by Leonard Lee on lap eight to take fourth.

At the ten mile mark those cars held those positions and when they entered lapped traffic once again on lap fourteen current Knoxville Raceway defending track champion Skip Jackson had replaced Lee in fifth. That is also when Dollansky began to make his second charge as he took over third on the fifteenth go around and two laps later had gained the runner-up spot with a low side pass in turn three of Antill.

On the next circuit Dollansky performed the very same low side pass in turn three of Cram and as he roared into turn four he had the lead for good. From that point on he pulled away from the competition to record the win with Antill taking a hard fought second and Jackson posting third. Cram held for fourth and Murphy claimed fifth. Rounding out the top ten finishers were Lee, Terry McCarl, Lance Blevins, Ronnie Day from dead last and Bill Robertson.

In the companion 360 cid O'Reilly Hard Chargers, Larry Ball, Jr., made good on his 1998 Rookie of the Year honors as he posted his first career win in that division. Ball lead flag to flag, setting a new 15-lap track record in the process. Randy Martin took second after starting eighth and John Kearney was third after starting right beside Martin. Current points leader David Hesmer was fourth after a final lap pass of fifth finishing Jerry Crabb.

Thirty-nine 360 sprints and fifty-one 410 sprints competed on the evening.

Rain Wins Wednesday Night Races

By Perry Bell

August 11, 1999

The first night of qualifications for the 39th running of the Amoco Knoxville Nationals was delayed by a very wet track and infield from showers earlier in the day Wednesday.

Racing action got underway with the start of time trials over four hours after the advertised starting time.

A total of 64 cars were entered to run qualifying laps on the first day of the event.

The first car hit the track for time trials at 11:35 p.m. Lightning was in the air, but track officials managed to get qualifying in.

Quick time belonged to Brownsburg, Indiana's Joey Saldana. Saldana clocked a 15.477 lap around the half-mile Knoxville dirt oval.

Saldana was quick credit to his engine builder Charlie Fisher for putting together good motors. "I owe it all to Charlie," Saldana stated.

In the Last Chance event, the No. 20 car driven by Larry Weeks went up in smoke. The yellow dropped but was soon replaced by the red as the car caught on fire, but was quickly put out by the rescue crew working the backstretch.

Rain also stopped the Wednesday evening show shortly before 1:00 a.m. Thursday morning. The rest of the Wednesday slated program will be finished Friday morning at 11:00 a.m.

The Thursday program will run as scheduled.

**Danny Lasoski Takes Quicktime at 15:955
Tyler Walker Takes Thursday Event!**

*By Perry Bell
August 12, 1999*

On the second night of qualifying the defending Knoxville Nationals Champion was in action.

Danny Lasoski posted quick time with a spin of 15.955 seconds around the half-mile dirt oval. In the first heat race however, Lasoski ran second to Donny Schatz, of Minot, North Dakota.

A total of 66 cars were slated to take time trial runs, 64 posted times.

When the dust settled for the evening the No. 35 sprinter of Tyler Walker was in victory lane. Walker took advantage of a red-flag situation halfway through the feature which wiped out race leader Stevie Smith.

Smith led the first 10 circuits, but he was involved with a wreck that involved the cars of Dale Blaney, Brent Antill and Dean Jacobs.

In victory lane the emotional Walker performed his patented victory backflip.

Walker commented in victory lane, "I'm just trying to make it a special nationals, since it probably will be my last one."

Walker recently announced that he will be leaving sprint car racing to join the NASCAR ranks with Busch Grand National action in the year 2000.

Walker held off Donny Schatz in the feature event. Lasoski claimed third in the Thursday feature followed by Kevin Gobrecht in the Amoco-sponsored sprinter and Steve Kinser in fifth.

Other heat wins were gained by Ronnie Day, from the state of California, Dean Jacobs, from Ohio, Daryn Pittman, from Tulsa, Oklahoma and Tyler Walker, from California.

Steve Kinser, 11-time Amoco Knoxville Nationals Champion, ran third in the third heat race. The top four in each of the heat races transferred to the main event.

A red flag was displayed in the fourth heat for Randy Anderson, of Clarion, Iowa. Anderson was taken to the Knoxville Area Community Hospital for observation for a back injury.

The C-Feature was won by Travis Cram, of Snohomish, Wash. The 12-lap B-Feature went to Tim Shaffer.

The Nationals continue with an 11:00 a.m. start Friday morning, which is a make-up session for the rained out portion of the nationals Wednesday night.

Continued from Wednesday Nights Action, Craig Dollansky Takes the Victory

By Perry Bell

August 13, 1999

KNOXVILLE, IOWA (Aug. 13) -Friday morning and afternoon completed the scheduled first day of qualifying for the 39th Annual Amoco Knoxville Nationals Sprint Car Championship.

Due to rain Wednesday night, the first day of qualifying finished after the Thursday portion of the show was completed.

A light mist also delayed the qualifying efforts Friday morning as well. A persistent Marion County Fairgrounds staff managed to get the qualifying in however.

The happy face in victory lane early Friday afternoon was Craig Dollansky, of Zimmerman, Minn.

Dollansky ran away with the 20-lap main event by leading every lap. Dollansky won a feature at the Knoxville Raceway Saturday, Aug., 7 which helped prepare the Minnesota pilot for the Nationals.

Frankie Kerr, a regular on the All Star circuit ran second in the main event. Rounding out the top five were Lance Blevins in third, Joey Saldana in fourth place and Randy Hannagan in fifth.

Former Knoxville Nationals Champions Sammy Swindell and Mark Kinser were sixth and seventh respectively.

Running sprint car shows during the day when the track hardens a lot more than evening shows, made for some treacherous moments, but for the most part the heats were completed with minimal trouble.

Winning the five heat races Friday were Lance Blevins, of Broken Arrow, Okla., Brooke Tatnell, Sydney, NSW, Australia, Calvin Landis, Phoenix, Ariz., Johnny Herrera, Tempe, Ariz., and Jeff Swindell, Memphis, Tenn.

Joey Saldana had quick time Wednesday before qualifying was stopped with the thunderstorm. Saldana ran second in the first heat race to advance to the Friday main event.

Eight caution flags were dropped by flagman Doug Clark in the five 10-lap heat races. Brad Furr from the state of California brought out a red flag in the second heat when his sprinter tipped over.

Furr managed to get his car fixed in time to enter the 10-lap C-Feature. Furr managed a second place finish in the C. Only the top two in the C advanced to the B.

Winning the C was Toni Lutar from White Rock, B.C., Canada.

Paul McMahan, of Oroville, Calif, won the 12-lap B-Feature and Skip Jackson, defending Knoxville Season Point Champion, was second. The top two from the B made it to the main event.

Just missing transfers to the feature were two top eastern pilots, Keith Kauffman in third and "Fast" Freddy Rahmer in fourth place in the B-Feature.

KNOXVILLE, IOWA (Aug. 13) - TNN Motorsports carried the Friday night three-day racing action to a nation-wide audience.

There was plenty of action on the track as five heat races, three pole scramble races, three features and an Australian/American Challenge race were all contested.

Heat winners for the night were Dale Blaney, from Hartford, Ohio, James Chesson, Far Hills, New Jersey, Kenny Hansen, Nunda, S.D., Brad Furr from the state of California and Aaron Berryhill from Broken Arrow, Oklahoma.

The C-Feature, eight-laps in length, went to Shane Stewart, of Bixby, Okla. The B-main was claimed by Blake Robertson, of Visalia, Calif. The B was 12 laps in length.

The non-qualifiers A-Feature Friday was won by Don Droud Jr, from Lincoln, Neb.

In a special event Australian/American Challenge event, Randy Hannagan, yet another Californian, ran away with the 10-lap victory. Brooke Tatnell, from Australia, was second in the Challenge, followed by Joey Saldana, of Brownsburg, Ind. Saldana was the opening night fast qualifier of the four-day running of the Amoco Knoxville Nationals Sprint Car spectacular.

In victory lane Hannagan stated, "Being able to be up on the podium is a dream come true."

In the pole scrambles which are added to earlier qualifying efforts, Kenny Jacobs won the C-Scramble while Tatnell claimed the B-Scramble.

Sammy Swindell, a former Knoxville Nationals Champion from Cordova, Tenn., won the A-Scramble with Kevin Gobrecht running second.

Defending Knoxville Nationals Champion Danny Lasoski was third in the scramble. After all qualifying had concluded, Lasoski has the most points earning him the pole position for the \$100,000 to win A-Feature on Saturday night.

The pole position for the \$100,000 to win Knoxville Nationals Saturday night was earned by defending Nationals Champion, Danny "The Dude" Lasoski from Dover, Mo. Outside the front row will be Tyler Walker, from North Hills, Calif. Walker announced earlier this week he will be leaving the sprint ranks for Busch Grand National NASCAR action in the year 2000.

Row two starters for the Saturday main event will be the Amoco-sponsored car of Kevin Gobrecht. Gobrecht pocketed \$100,000 last weekend with a win at the Historical Big One at Eldora Speedway in Rossburg, Ohio.

Two other defending Knoxville Nationals Champions Sammy Swindell, has a row three starting spot and Mark Kinser will be in row four. Eleven-time Nationals Champion Steve Kinser will start the main event Saturday inside the seventh row.

KNOXVILLE, IOWA (Aug. 13) - Friday was a big day at the Knoxville Raceway. Not only did the facility host two races, one in the morning/afternoon and another in the evening, but several press conferences as well.

One of the press conferences was for an announcement from the World of Outlaws announcing their growth in the sport to major racing venues, such as Charlotte, N.C., and the Dallas/Fort Worth, Texas area.

Jerry Gappens, public relations man at Lowes Motor Speedway in Charlotte was on hand for the announcement as was Eddie Gossage, general manager of Texas Motor Speedway.

Ted Johnson, Pennzoil World of Outlaws Series Founder and President, answered questions about racing in the future and about a support series the WoO will be promoting next year.

Also on hand for the conference were Mark Kuchan and Ralph Sheheen, of TNN Motorsports. Kuchan is the Director of TNN Motorsports and Sheheen an announcer. Also present were representatives from Amoco, Leigh Dorrington and Kathy Leach.

In a separate news conference Billy Boat, IRL driver for car owner A.J. Foyt was on hand to take in the Nationals and reminisce about his days in the sprint car ranks and chat about IRL action.

**Mark Kinser Takes his Second
Amoco Knoxville Nationals-A-Main Winner**

By Perry Bell

August 14, 1999

The 39th Annual Amoco Knoxville Nationals sprint car championship offered a total purse of \$605,000 for the four-day running of the event.

A capacity crowd of nearly 30,000 fans viewed the event which has been classified as the Super Bowl of sprint car racing in person. TNN Motorsports televised the entire five-race lineup live to a nation-wide audience around the world.

Sanctioning the nationals are the Pennzoil World of Outlaws, which label themselves as "the greatest show on dirt."

Pocketing the \$100,000 first place prize money Saturday night Aug., 14 was Mark Kinser in one of the most exciting finishes of all-time.

The win was the second Nationals win at Knoxville for Kinser. He also won the 1996 Knoxville Nationals crown.

It marked a record 13th Nationals title for car owner and crew chief Karl Kinser, who is also Mark's father. Danny Lasoski, the 1998 Knoxville Nationals Champion led the first 17 laps of the 30-lap championship feature.

On the 18th lap restart Mark Kinser motored the Mopar Wirtgen-America sponsored sprinter to the lead.

Lasoski moved the Beef Packers 83 sprinter back around Kinser only for a few seconds on the final lap.

Lasoski led only briefly when he captured the 1998 crown, as he made a dramatic last-lap pass for the victory. "The Dude," Lasoski, nearly duplicated that feat again and might have pulled off the feat had it not been for lapped cars that slowed his progress.

Mark Kinser took the win with Lasoski second and Kevin Gobrecht in third. Gobrecht pocketed \$100,000 last weekend in Ohio, and just missed a duplicate for prize money, by just two places.

Rounding out the top five in the A-Feature were Stevie Smith and Johnny Herrera.

Several caution flags bunched the cars on restarts. With 17 laps down, a red flag was displayed by flagman Doug Clark. Three cars turned over on the incident in the main event as P.J. Chesson, of New Jersey, Joey Saldana, of Indiana and Terry McCarl, the lone Iowan in the 24-car "A" were all involved.

McCarl is also the 1999 Knoxville Raceway season point leader.

Also stopping the race were yellow flag incidents on lap nine for Scott Whitworth and with 13 complete for former All Star Circuit of Champions point champion Frankie Kerr, who spun.

The initial lap of the 22-lap B-Feature saw the car of Ed Lynch Jr., from Apollo, Pa., go flipping exiting turn one of the half-mile dirt oval. Spinning on the opening lap was Travis Whitney in the 88W car.

On the next start the car of Kasey Kahne, lost a right front tire, forcing a yellow flag before a lap had been completed.

Only the top four in the B-Feature managed to collect even bigger money and fame by getting in the main event. The cars of Terry McCarl, Pleasant Hill, Iowa, Brooke Tatnell, of Australia and Jac Haudenschild, of Wooster, Ohio put on quite a racing show.

Jeff Swindell, of Memphis, Tenn., won the 22-lap race and he was running away from the field until a yellow was dropped with 19 laps completed.

Swindell held on to win the B with Tatnell taking second, McCarl third and "The Wild Child" Haudenschild in fourth. Kenny Jacobs raced from the back of the pack to finish fifth. One spot out of transferring for further action.

Five cars became entangled with two upside down on the initial drop of the green flag in the C-Feature. Cars involved in the first-lap melee were Travis Cram, Tim Monson, Matt Moro, Phil Gressman and James Chesson. Gressman, from Clyde, Ohio and Monson, of Lakefield, Minn., were both upside down.

Track officials were quick in clearing up the entanglement as it took just six minutes to get the cars rolling again.

Travis Whitney, of Fridley, Minn., led the first five laps of the C-Feature. Whitney slipped to second, but he held on for the final transfer to the B-Feature. Taking a win in the 15-lap C-Feature was Kenny Jacobs, "The Mouse" of Holmesville, Ohio. Larry Pinegar II, of Des Moines, ran third, but only the top two advanced to the B-Feature.

Jim Carter, of Surrey, British Columbia, Canada, got the D-Feature started with a bang. Carter brought out the red caution flag as his sprinter crashed into the wall underneath the scoreboard.

In the D-Feature, J.R. Patton brought out the yellow flag with nine laps of the 12-lap event in the books. As Patton's car was stalled Duane Bonini Jr's, car struck the stalled car. Rocky Hodges, a former Knoxville track champion, led the first lap of the D-Feature, but he faded and finished third, one spot out of a transfer spot. Blake Robertson, of Visalia, Calif., won the D-Feature by leading the final 11 laps of the event. Finishing in second place and earning the final advancement position in the race was Dale Blaney, of Hartford, Ohio. The evening started off with the 10-lap E-Feature. Claiming a win in that race was Knoxville resident Chris Walraven. Walraven led all 10-laps of the event which ran green to checkered without any caution flags.

Jim Moughan chased Walraven the entire route, but couldn't get around him. The top five in the event transferred to the D-Feature. Third in the E-Feature went to Jerrod Hull, fourth to Loren Langerud and fifth to J.R. Patton, a 15-year-old from Las Cruces, N.M.

DOLLANSKY FLIES TO KNOXVILLE SPRINT WIN

*By Bob Wilson
August 28, 1999*

KNOXVILLE, IOWA - August 28 - Craig Dollansky won his second feature event of the season at Knoxville Raceway Saturday night and garnered a \$2,500 paycheck for his efforts. The win marked his sixth career victory at this historic oval.

Dollansky, who started in the third row of the twenty-car feature event seemed to be mired in the third spot during the early portion of race. Front row starter Kerry Madsen had seized control of the race and had pulled away from any challengers. A red flag on lap eight gave Dollansky the opportunity he needed as he got by Manny Rockhold on the restart to take the runner-up spot. Defending track champion Skip Jackson also passed the Rockhold sprinter on that restart as the top four cars and fifth running Terry McCarl ran in close proximity on the half-mile oval.

At the halfway point sixth running Randy Anderson slowed bringing out the caution flag on the next go around. The restart saw a classic move by Dollansky as he dove to the low side of Madsen to take the lead with a slide job into turn two. Madsen came back as he propelled his sprinter low into turn two but the move was to no avail as Dollansky shot down the backstretch with the lead.

One lap later a red flag flew for a Bob Weuve mishap near the fourth turn pit gate. It was at this stoppage that Madsen discovered problems with the floor pan on his vehicle but was unable to make the necessary repairs before the race again went green.

When the race resumed Dollansky took control and slowly pulled away from Jackson and third running McCarl. At the finish he had secured a 30 car-length advantage with Jackson and McCarl crossing in that order. Matt Moro charged from the fifth row to take fourth and Dennis Moore, Jr. who started along side Moro took fifth. Rounding out the top ten finishers were Rockhold, Brent Antill, Jerry Richert, Jr., Ricky Logan and Jeff Mitrisin.

In the companion 360 cid O'Reilly Hard Chargers, Terry Thorson led the distance to take his second feature win on the season, his sixth career win here. Current points leader David Hesmer took second and Jeff Haines was third. Larry Ball, Jr. took fourth and John Kearney finished fifth from a sixth row starting nod.

Forty-three 360 sprints and thirty 410 sprints competed on the evening.

JACKSON WINS RACE, McCARL WINS TITLE, HESMER WINS BOTH

By Bob Wilson
September 4, 1999

KNOXVILLE, IOWA - September 4 - Skip Jackson gave it his best shot but fell a few points short of repeating as track champion at Knoxville Raceway Saturday night. The Aussie sprint pilot took the 46th annual Season Championship feature event for 410 sprint cars while David Hesmer captured that event for 360 sprints as well as the track title. Terry McCarl was crowned track champion in the 410 sprint division.

The final 410 feature event of the season saw Brent Antill take the lead from his front row starting position as a twelve-car invert saw Jackson and McCarl starting deep in the pack. A yellow flag on the sixth circuit just as

Antill was entering lapped traffic bunched the cars with Matt Moro, Craig Dollansky and Don Droud, Jr. trailing. Fifth running Kerry Madsen had brought out the slow-down banner when he spun between turns one and two.

On the restart Dollansky sailed into the runner-up spot as Jackson and McCarl began a long battle for the fifth position. After a second restart two laps later for a Robert Jackson spin, Dollansky then took the top spot with a pass of Antill in turns one and two.

At the six-mile mark Skip Jackson's Hallett Enterprises machine became noticeably erratic when the nose wing loosened and layed askew. It was at this point that McCarl lost contact with Jackson's challenge.

Just as Dollansky crossed under the start-finish line completing the fifteenth lap a caution was again displayed, this time for parts on the track belonging to second running Antill. He was relegated to the rear after some quick repair work. The restart saw Madsen strike the turn one fence bringing out the red flag. The stoppage allowed the Jackson crew the time they needed to repair the crooked nose wing.

When the race resumed Dollansky again assumed control but he was closely challenged by McCarl. The frontrunners stayed that way as McCarl edged ever closer to the Dollansky machine. On the 21st circuit McCarl's engine died as he roared down the back chute and the 1999 Knoxville track champion ended his season stopped against the turn three fence.

The final restart of the 25-lap season finale saw Jackson shadow Dollansky through turns one and two. Dollansky went high on the cushion in turns three and four while Jackson took the low route and shot out on the final turn with a slight advantage. As the two lead cars came down the front chute and past the finish line Jackson had the lead, a position he kept to the finish of the \$3,000 to win event. Dollansky settled for second, Moro took third, Dennis Moore Jr was fourth and Manny Rockhold came from the tail to finish fifth. Droud, Jr., Jeff Mitrisin, Larry Pinegar, Leonard Lee and Antill rounded out the top ten finishers.

David Hesmer defended his track championship in the 360 sprint division as the Marshalltown, Iowa driver took his fourth title at Knoxville Raceway. Hesmer took the lead in the 20-lap feature event just prior to the halfway mark and went on to win his 50th feature event here, a division leading mark. John Kearney who battled most of the season with Hesmer for the title finished second and Randy Martin took third. Dwight Snodgrass was fourth and second year driver Jon Agan came across the line for fifth.
