Rain Cancels Knoxville WoO Friday Races, Sunday Now Added

by Bob Wilson

Knoxville, IA – The Friday night World of Outlaws sprint car races at the Knoxville Raceway were called at 11 p.m. as intermittent showers plagued the program until track officials cancelled activities. Time trials and four qualifying heat races had been completed when the rains began.

The entire program was scrubbed and rescheduled for Saturday evening at 7:15 p.m. Knoxville limited sprints will be added to the race card.

The second night of WoO races will be run on Sunday at 6:30 p.m. No limited sprints will run on Sunday.

Steve Kinser Claims Saturday WoO Knoxville Dollars

by Bob Wilson

Knoxville, Iowa (April 25) - Steve Kinser proved once again why he is a seven-time Knoxville Nationals champion as he powered to a twenty lap World of Outlaws win at the Marion County Fairgrounds Saturday night.

Kinser, who started in the front row of the twenty-lap feature event, jumped to the point position as the race began and never relinquished the top spot in his Karl Kinser prepared Maxim mount. He was paid \$3,500 for his efforts. Fellow front row starter Mark Kinser trailed in second position for the duration of the event and finished two hundred yards behind his cousin at the checkered.

Stevie Smith finished third after starting in that spot while Dave Blaney took passing honors as he finished fourth after starting seventeenth. Jac Haudenschild was fifth. Danny Lasoski, Bobby Davis, Jr., Randy Smith, Lee Brewer and Danny Smith completed the top ten finishers.

Rain once again threatened to cancel the event as the crowd estimated at nine thousand endured a sixty-five minute delay along with temperatures in the low forties. The added moisture made for an extremely quick track surface as six drivers dove under the existing one-lap track record. Mark Kinser found the quickest route around the half-mile oval as he shattered Bobby Allen's three year mark by nearly half a second with a clocking of 15.281.

Qualifying heats went to Brent Antill in record time, Danny Smith, Danny Young, Dave Blaney and Kevin Doty. Sammy Swindell was involved in a three car wreck during the third heat and was unable to continue.

Drivers from the World of Outlaws and those from Knoxville went through the grandstands during a break in the program to collect money for injured driver Doug Wolfgang. It was not known what the final dollar amount of their efforts proved to be.

The limited sprints were pitted in the 4-H barns, their program was postponed to Sunday.

Swindell Claims Knoxville Win, Last lap pass beats Kinser in 'WoO' main

by Bob Wilson

Knoxville, Iowa (April 26) - Sammy Swindell was a patient man at the Knoxville Raceway Sunday afternoon during the World of Outlaws (WoO) Spring Opener. He also made a wise choice when he picked his tire for the 25-lap feature event.

For 24 laps of the feature trace Steve Kinser was in control but the final circuit proved to be Swindell's as the Tennessee native guided the Harrold Annett TMC Swindell Chassis to a surprising \$8,200 win. I marked Swindell's 33rd career feature event victory at Knoxville and his fourth on the 'WoO' circuit this year.

The race was slowed by several yellow flags but the action during racing proved to be exciting as Kinser was challenged early in the event by Mark Kinser. A day time dry-slick track made for close action as most of the front runners chose the low route around the half mile.

By lap ten Swindell had entered the runner-up position and he ensued a patient hunt of Kinser through lap traffic. As the white flag was waved, Kinser's car began to falter in turn two as he slid high. Swindell moved along side him as the twosome raced down the backstretch. Entering the final corners of the race, Swindell edged in front and flew to the checkered flag just feet in front of Kinser. Kinser was paid \$5,000 for his second place finish.

The disgruntled Kinser later stated that he had chosen to soft of a right rear tire for the event. Swindell, who wrecked in his qualifying heat race the previous night, stated in victory lane that his tire was a slightly harder compound than that of Kinser.

Mark Kinser, Dave Blaney and Stevie Smith completed the top five finishers. Rounding out the top ten were Danny Lasoski, Bobby Davis, Jr., Kenny Jacobs, Lee Brewer and Gary Wright.

Qualifying heats went to Davis, Jr., Johnny Herrera, Wright and Randy Smith. Steve Beitler captured the B Main.

In Knoxville 360 c.i. limited sprint competition, Danny Young captured his initial feature in that division. Young, who started in the fifth row, grabbed the lead on the ninth lap and was chased to the checkered flag by Dwight Snodgrass and Mike Twedt.

Tuttle and Walraven are Knoxville Stars

by Bob Wilson

Knoxville, Iowa (May 2) - Jeff Tuttle drove to a twenty-lap feature event win at the Knoxville Raceway Saturday night. The \$2,500 finish was Tuttle's ninth career feature victory at the Marion County half-mile oval.

Tuttle, who led the entire event, had a battle on his hands in the closing stages of the event as Marlon Jones began to challenge for the lead. A yellow flag five laps from the finish bunched the cars and on the restart Tuttle pulled away from the field for the win. Jones, a front row starter with Tuttle, lost a right rear tire on the final lap and limped across the line in fourteenth position.

Australian Jaymie Moyle finished second, Don Droud, Jr., took third, Randy Smith was fourth and quick-timer Brent Antill captured fifth. Skip Jackson, Danny Young, Devin Doty, Jim Evans and Kenny Hansen completed the top ten finishers.

The Knoxville Limited Sprints contested the first of five special point races in the SKOAL 360 Challenge Series. Chris Walraven made it look easy as he won the fifteen lap event. Defending Knoxville limited point champ Dwight Snodgrass was second while Steve Breazeale took passing honors from a tail-end starting position to finish third. Steve Wares and Mark Wilson completed the top five finishers.

Knoxville Features go to Smith and Hesmer

by Bob Wilson

Knoxville, Iowa (May 9) - It was a night of champions at the Knoxville Raceway Saturday night as Randy Smith and David Hesmer each claimed feature event wins

Six-time and defending Knoxville track champion Randy Smith took a late race lead in the twenty-lap feature event to capture his 35th feature event win on the Marion County half-mile oval. The victory placed Smith third on the all-time winner's list at this speed plant.

The race saw several leaders as John Kearney took the top spot at the outset only to yield to Tim Monson on the seventh circuit. A yellow at mid-race bunched the field of cars but Monson was able to hold the point position when the race resumed. Lap 14 saw Jac Haudenschild grab the lead but the World of Outlaws participant lost a right rear tire on the next go around and was relegated to the tail-end restarting position. He finished tenth.

Kearney was able to hold the lead for two circuits until Smith got by on lap eighteen. Chasing Smith and Kearney to the stripe was Monson, Don Droud, Jr. and Jeff Tuttle. Rounding out the top ten were Jerry Richert, Jr., Brent Antill, Jim Evans, Jaymie Moyle and Haudenschild.

1991 Knoxville Limited Sprint Nationals champion David Hesmer led the entire distance to claim his twenty-first Limited Sprint feature event. Bob Thompson, Steve Breazeale, Mark Wilson and Dwight Snodgrass formed the top five finishers.

Twedt, Peters take Knoxville wins

by Bob Wilson

Knoxville, Iowa (May 16) - Mike Peters took a break from his usual NCRA tour schedule and the change of venue paid off as he guided the Court Grandstaff Winged sprint car to a 20-lap feature event win at the Knoxville Raceway Saturday night.

Young Dennis Moore, Jr., in only his second year of sprint competition, led the race from his pole position for the first 15 laps. Peters, who had steadily moved up from a fifth row starting position, grabbed the top spot as he raced Moore down the back chute on the following circuit. Peters then pulled away for the \$2,500 win, his initial conquest on the Knoxville oval.

Jeff Tuttle had a late race pass to claim second, Moore held for third, Jerry Richert, Jr., took fourth and Shawn Moore was fifth. Australians Skip Jackson and Jaymie Moyle were sixth and seventh. Randy Smith, Joe Gaerte and Brent Antill completed the top ten finishers.

Arguably the most exciting race of the season saw Mike Twedt make a pass on the final turn to claim the 15-lap Limited Sprint feature. David Hesmer finished second and Mark Wilson was third in the Bob Trostle "coiler". Dwight Snodgrass and Bill Dusenbery completed the top five in this tune up for the second annual Limited Nationals in one week.

Rain Halts Limited Nationals after Time Trials

by Bob Wilson

Knoxville, IA – The second annual Knoxville Limited Nationals was struck by a sudden cloudburst at 8:45 p.m., just as the qualifying time trials had finished.

The cancellation forced the remainder of the preliminary program to be moved to Saturday noon. Six heats will be contested to qualify cars for the championship feature events on Saturday night.

Sixty-four cars from ten states had gone through timing procedures before the rains came. David Hesmer, the defending Limited Nationals champion, eclipsed the one-lap track record with a sizzling 17.426. Eight of the top ten timers were Knoxville regulars.

Saturday night's schedule will also offer a full program of 410 c.i. sprints in addition to the limited events. A total purse for the two-division sprint program will be \$43,000.

Garry Lee Maier Wows 'em at Knoxville Limited Nationals

by Bob Wilson

Knoxville, Iowa (May 23) - He's the hottest 360 sprint car driver in the central states region, if not the nation, and Saturday night at the Knoxville Raceway Garry Lee Maier lived up to his reputation.

He drove the Jimmie Rogers Maxim Gaerte to a remarkable victory at the second annual Knoxville Limited Nationals. Maier was only able to make the championship lineup after winning the B Feature. The Dodge City (Kansas) resident had lost a magneto during Friday Qualifications and the resultant poor time trial run placed him far down the line in this first year of a point system.

The 25-lap feature saw a two-car battle develop as the defending race champion David Hesmer and Danny Young engaged in a torrid fight for the top spot for the first dozen laps of the event. Young captured the initial lap of the race but trailed Hesmer until lap 12 when he overtook the front runner on the back chute. A red flag for a single car accident negated the position change.

During the Hesmer-Young duel Maier had surged through traffic to post a third position showing at the lap 12 red banner. Maier had posted a runner-up finish at last year's event after starting 22nd.

The restart saw another battle for the top spot develop as Maier passed Young on the 14th circuit and for five laps he and Hesmer put on a driving clinic not soon to be forgotten at this half-mile oval. Maier took the lead for good on the 20th lap when Hesmer became hindered in lapped traffic.

With Hesmer exiting turn four, Maier took the checkered flag at 1:20 a.m., \$3,000 richer for his amazing efforts. Hesmer, who had started on the pole with a perfect 120 point score, maintained the second place

position but was pressed at the flag by Young. Billy Bell and Randy Nygaard completed the top five finishers. Dwight Snodgrass, Mike Twedt, Bill Dusenbery, Mike Chadd and Todd Wessels came across the line in that order to complete the top ten.

Qualifying heat races which were lost to Friday night rains went to Hesmer, Terry Alexander, Young, Bruce Drottz, Maier and Dusenbery. Rick McClure won the C Main. Unseasonably cold temperatures were endured for the \$25,000 Central Iowa Chevrolet GEO-sponsored event.

Sixty-four cars from ten states competed during the two days of racing. Hesmer broke the one-lap track record during Friday qualifications with a run of 17.426

A companion 410-cubic-inch sprint program was contested prior to the limited headliner. After an absence of nearly one year from the Guy Forbrook American Challenge sprint car, Danny Lasoski came from an eighth row starting berth to take the lead on lap 12 and coast to a 20-lap \$2,500 win, his 26th at Knoxville. Greg Hodnett, Brian Schnee, Randy Smith and Jim Evans formed the top five finishers.

Repeat Winners at Knoxville Raceway Oval

by Bob Wilson

Knoxville, Iowa (May 30) - Former track champion Danny Lasoski drove the Guy Forbrook American Challenge Gaerte to a convincing win at the Knoxville Raceway Saturday night in front of 6,500.

Lasoski, who just last week reunited with the Forbrook car, came from a sixth row starting position to grab an eleventh lap restart lead. Once in front, the Show-Me-State pilot powered away from the pack to record his twenty-seventh feature event victory and a \$2,500 payday.

The initial leader of the race was Kevin Doty. Randy Smith took the top spot on lap three as he rode the rim to the point position until Lasoski came to the front on the lap eleven restart. The win was Lasoski's second in a row here.

Smith, who was challenged from the mid-race to the finish by Skip Jackson, held off the Australian to claim the runner-up spot. Jackson was third and Danny Young bested John Kearney for fourth after a race-long battle for that position. Bob White, Jeff Tuttle, Brent Antill, John Sernett and Kenny McCarl completed the top ten finishers.

Mike Twedt became the first repeat winner of the season in the limited sprint division after he took a sixth lap lead and staged a see-saw battle with Bill Dusenbery for the remainder of the race. Dusenbery, Duane Van Heukelom, Billy Bell and Chris Walraven chased Twedt to his ninth career checkered flag.

Lasoski Repeats at Knoxville for Third Straight

by Bob Wilson

Knoxville, Iowa (June 6) - Danny Lasoski took feature event win number three in a row as he guided the Guy Forbrook American Challenge sprinter to a 20-lap main event victory at the Knoxville Raceway Saturday night.

Brent Antill motored to the front at the start of the race and led through the first eleven laps. Piece by piece Antill's nose and top wings began to disintegrate causing him to lose speed and control. Finally on lap twelve Lasoski made a pass for the lead on the back chute and he went on to capture the \$2,500 to win race before nearly six thousand fans.

John Kearney finished second, Garry Brazier took third, current track points leader Randy Smith was fourth and Antill salvaged fifth. Danny Young, Bob Weuve, Jim Evans, Tim Monson and Bob White rounded out the top ten finishers.

Billy Bell became a first time winner as well as the sixth different victor this year in the fifteen lap limited sprint feature. Bell led the distance in this second round of the five-race Skoal Bandit Racing Kum and Go point series. Bill Dusenbery, Dwight Snodgrass, Mide Twedt and Steve Wares trailed Bell to the checkered.

Next week the Knoxville Raceway will salute the National Sprint Car Hall of Fame induction weekend on June 12, 13 and 14.

Lasoski Takes Fourth Straight Knoxville Win

by Bob Wilson

Knoxville, Iowa (June 13) - Former Knoxville track champion Danny Lasoski made it four straight at the Knoxville Raceway as he led flag to flag to claim the 20-lap feature event at the Marion County Fairgrounds before 6,500 fans.

Lasoski, who claimed track crowns here in 1986, 1989 and 1990, started in the second row of the feature event and had the top spot shortly into the first lap of the non-stop affair. He was never seriously challenged during the race.

Jerry Richert, Jr. chased the fleet Lasoski from the fourth lap but dropped out on the 18th circuit. Jimmy Evans then inherited the runner-up spot, which he held to the checkers. Danny Young was third, Randy Smith took fourth and Bob Weuve claimed fifth. Bob White, Jaymie Moyle, Tim Monson, Jeff Tuttle and Dennis Moore, Jr. completed the top 10 finishers.

In limited sprint competition, David Hesmer made amends for his recent streak of sour luck by capturing the 15-lap feature event. Trailing Hesmer to the stripe were Steve Wares, Duane Van Heukelom, Chris Walraven and Walt Esch.

In fairgrounds activities during the day, 18 men were inducted into the Nationals Sprint Car Hall of Fame during the third annual induction banquet.

Swindell Grabs Friday WoO Knoxville Prelim

by Bob Wilson

Knoxville, Iowa (June 19) - After a rash of rainouts which have plagued the trail of the World of Outlaws, Sammy Swindell drove the Harrold Annett TMC self-built sprinter to an exciting 20-lap win at the Knoxville Raceway Friday night.

Swindell, who started on the pole, chased fellow front-row starter Jac Haudenschild into the first turn at the drop of the green flag. The duo raced in close quarters lap after lap and through lapped traffic with Swindell unable to gain the upper hand on the fleet Haudenschild.

Finally on lap 19, Swindell put the nose of his sprinter below the Haudenschild car in turn four and came across the line with the lead. The final circuit saw Haudenschild regain the top spot down the back chute but Swindell again dove to the low side for the lead and was able to hold that position to the checkered flag.

Local standout Danny Lasoski, who was gaining on the first and second place cars, finished a close third. Stevie Smith and Mark Kinser completed the top five finishers.

Dave Blaney came from a row eight starting position to place sixth. Steve Kinser, who restarted on the tail of the field after cutting a tire down on lap six, finished seventh. Jeff Swindell took eighth, Johnny Herrera was ninth and Knoxville track points leader Randy Smith was tenth.

Qualifying heat events went to Steve Kinser, Jeff Swindell, John Kearney and Danny Young. Young was shuttled by helicopter to and from Des Moines during the night to compete in the weekly racing program at the Iowa State Fairgrounds. He took both feature events in the capital city for Limited Sprints and placed 15th in the feature at Knoxville.

Matt Richard won the C Main, Mark Kinser captured the B Main and Sammy Swindell took the five-lap Trophy Dash.

Kinser is Still “King” at Knoxville WoO Finale

by Bob Wilson

Knoxville, Iowa (June 20) - Defending Knoxville Nationals champion Steve Kinser can again lay claim to the king's crown of Knoxville Raceway as he swept to a 25-lap World of Outlaws feature event win Saturday night at the Marion County Fairgrounds.

Kinser, who stated that winning had been hard to come by lately, claimed his thirty-fifth career feature at Knoxville before a crowd estimated at over 12,000. The current 'WoO' points leader garnered \$8,200 for his efforts on the half-mile Iowa oval.

Sammy Swindell jumped to the top spot at the start of the race and moved to a considerable margin as he pulled away from the twenty-four car field. With Kinser in tow the Volunteer State pilot looked to have a repeat of the preliminary feature event win of twenty-four hours earlier.

As Swindell exited turn four of lap twelve he suddenly slowed and coasted past the start/finish line and into the pit area. Kinser then zoomed by for the lead which he never relinquished. Swindell finished twenty-third, falling victim to the loss of a quick change gear.

Runner-up position at the finish went to Mark Kinser who trailed Steve's Karl Kinser prepared chassis the entire distance. Local standout Danny Lasoski claimed the third spot, Jac Haudenschild took fourth after a late race pass of fifth position finisher Stevie Smith. Johnny Herrera, Kenny Jacobs, Dave Blaney, Terry McCarl and Andy Hillenberg completed the top ten finishers.

Qualifying heat races went to Jacobs, Steve Kinser, Blaney and Bobby Davis, Jr. Steve Beitler took the B Main and Dale Laadso won the C Main. Sammy Swindell claimed the five-lap trophy dash.

A companion program of Knoxville Limited Sprints saw Bob Thompson claim the fifteen lap feature event. Walt Esch, Wayne Redmond, Billy Bell and David Hesmer formed the top five finishers.

Lasoski Still Hot at Knoxville – 5 Straight

by Bob Wilson

Knoxville, Iowa (June 27) - Danny Lasoski took his fifth straight regular feature event at the Knoxville Raceway Saturday night. The "Show Me State" pilot guided the Guy Forbrook American Challenge winged sprinter to a commanding \$2,500 win.

The race saw three leaders as first John Kearney Held the point position which he lost to Bob Weuve on a lap five restart. Lasoski took the top spot at the half-way point of the 20-lap event as he then proceeded to run away and hide from the 20-car field.

A yellow flag with two laps to go wiped out nearly a half-lap Lasoski advantage. On the restart, the former track champion again pulled away to claim his thirtieth career feature win at the Marion County half-mile oval. Jeff Tuttle, Skip Jackson, Bob Weuve and Gary Brazier completed the top five finishers.

Defending track champion Dwight Snodgrass grabbed a late race lead to win his initial limited sprint feature event of the year. Billy Bell, Wayne Redmond, David Hesmer and Mike Twedt chased Snodgrass to the finish line.

At the 14th annual ceremonies during the evening, the Knoxville Raceway inducted Bobby Van Hosen, Gene Hockensmith, Norman Galpin and Bob Dyer into its own Hall of Fame.

Rain Stops Lasoski at Six as Snodgrass Doubles

by Bob Wilson

Knoxville, Iowa (July 4) - Danny Lasoski had his six-race win streak halted by the weather at the Knoxville Raceway Saturday night during the annual Twin Sixteen feature events. Defending limited sprint champ Dwight Snodgrass grabbed both ends of Twin Twelve features.

The first 16-lap feature saw Lasoski run away from the field as he took the lead from Randy /smith at the half-way point. Smith held on to second, Marlon Jones took third, Dennis Moore, Jr. placed fourth and Skip Jackson was fifth.

With the finishing order inverted, John Sernett raced away to the lead from his pole position in the second feature event. When the red flag flew at lap eight for the sudden shower, Sernett was declared the winner.

Brent Antill, Kevin Frey and Rod Henderson trailed across the finish line. Lasoski had worked his way from the tail of the field to place fifth.

The companion limited sprints contested twin 12 features and each event was taken by Dwight Snodgrass. The first feature saw Billy Bell, Wayne Redmond, Bill Dusenbery and Chris Walraven chasing Snodgrass to the checkered. Redmond, Walraven, Bruce Drottz and Terry Alexander completed the top five finishers in the second feature event.

Randy Smith is Back on Top at Knoxville

by Bob Wilson

Knoxville, Iowa (July 11) - In only his second week with the Dan Motter sprint team, Randy Smith claimed the 20-lap feature event at the Knoxville Raceway Saturday night. The \$2,500 win was Smith's 35th at the Marion County oval and the initial victory for the Motter crew here.

Danny Young grabbed the top spot at the race outset with Smith moving by for the point position on lap seven. Two laps later Danny Lasoski also moved by Young and fell in behind Smith.

A lap 14 red flag bunched the cars, but the restart proved to be no advantage to Lasoski as Smith guided his Schnee chassis to a 20-car length win. Brent Antill took third, Danny Young was fourth and Greg Hodnett finished fifth. Bob White, Skip Jackson, Garry Brazier, Peter Murphy and Bob Weuve completed the top ten as six Australians as well as drivers from ten states competed during the evening.

David Hesmer picked up win number three of the season in the Limited Sprint division. Completing the top five finishers were Wayne Redmond, Mike Twedt, Dwight Snodgrass and Bob Thompson.

Knoxville, Iowa (July 18) - Danny Lasoski guided the Guy Forbrook American Challenge sprint car to his seventh feature event win of the season at the Knoxville Raceway Saturday night.

At the outset of the 20-lap event, young Garry Brazier of Sydney, Australia grabbed the top spot from his front row starting position. A yellow flag on lap 14 bunched the cars and the ensuing restart saw Lasoski take the point position which he easily held to the \$2,500 checkered flag. The win placed Lasoski in a virtual dead heat with Randy Smith in the season's point chase.

Brazier and fellow Australian Max Dumesny, finished second and third respectively. Brent Antill took fourth and Dennis Moore, Jr. was fifth. Randy Smith, Jaymie Moyle, Brian Schnee, Danny Young and Bob White completed the top ten finishers.

David Hesmer won his fourth feature of the season in the Limited Sprint division. Hesmer, the winningest driver in the Knoxville Limited Sprints, let the distance and was chased to the finish by Mike Twedt, Dwight Snodgrass, Bill Dusenbery and Steve Wares.

Kinser wins 'WoO' Knoxville Tune-up

by Richard Day

Knoxville, Iowa (July 22) - Seven-time Knoxville Nationals champion, Steve Kinser, tuned up for next month's 32nd Annual Nationals with a green-to-checker victory in record time Wednesday night when the World of Outlaws visited Knoxville Raceway for the third time this year.

Kinser's 7:13.7 clocking in the caution-free "A" Feature chopped 15.7 seconds off the 25-lap record he set at the historic semi-banked, half-mile oval five years ago to the day.

"The King of the Outlaws," the third-fastest qualifier, earned the right to start the main event on the outside pole by following Fourth Snap-on Tools Heat Race winner, Andy Hillenburg, across the finish line in the Tums Trophy Dash.

Kinser, Hillenburg and fast-qualifier Mark Kinser, raced wheel-to-wheel through turn one within seconds after the green flag was thrown. Steve, keeping the #11 Valvoline Maxim in the low groove, took the lead heading into the second corner, while Mark took the high road into the runner-up spot.

Sammy Swindell, the second-fastest qualifier, took third place from Hillenburg two laps later.

Kinser, who entered lapped traffic five laps into the race, weaved through Fifth Snap-on Tools Heat Race winner, Brian Schnee, Shane Carson and Jaymie Moyle to open a half straightaway lead three laps later.

Mark was attempting to drive the #5M Payless Hardware & Rockery Maxim around Third Snap-on Tools Heat Race winner, Skip Jackson, during the ninth lap. He relinquished second place to Swindell when he moved dangerously close to the outside retaining wall when Jackson slid high.

"Slammin' Sammy" cut Kinser's lead in half - to 10-car lengths - during the 17th lap, and was six car-lengths behind with five laps remaining. Two laps later, with Kinser having problems lapping Brent Antill, Sammy narrowed the gap to four car lengths.

With two laps remaining, Kinser clinched his 15th World of Outlaws "A" Feature victory of the season with a quick move around Antill. Steve took the checkered flag six car-lengths ahead of Swindell, with Moyle, a back-marker, racing between the leaders.

Sammy's third second-place finish of the year pushed him past Terry McCarl into tenth place in the Copenhagen-Skoal Shootout point standings. Mark Kinser finished the "A" feature in third place, ahead of "B" feature winner, Johnny Herrera, First Snap-on Tools Heat Race winner, Stevie Smith, Max Dumesny, Danny Lasoski, Hillenburg, Second Snap-on Tools Heat Race winner, Dave Blaney and Jac Haudenschild.

Mark, whose tow rig broke down on his way to the race track, arrived at Knoxville Raceway late in the qualifying session. His crew unloaded the #5M quickly, and he promptly ran the program's fastest qualifying lap - a 15.973 (112.690).

Carter, Jenneman and Anderson All Win at Knoxville Fair

by Bob Wilson

Knoxville, Iowa (July 23) - Close and exciting racing proved to be the fare during the Marion County Fair at the Knoxville Raceway Thursday night.

B.J. Carter (Oskaloosa), who last year led the charge in the karting competition, was again major factor as he took two out of three features in that division's headline events. Only Josh Walker (Newton) was able to stop the carter charge. Joey Beaver (Knoxville) and Curtis Van Der Wal (Oskaloosa) additionally won clas division titles.

Matt George (Des Moines) won the Sportsman Cycle feature and Dale Jenneman (Omaha, NE) captured a very hotly contested feature for the Open Cycles.

For the second year in a row, the Iowa Mini-Sprint Car Association presented a five-event card on the half-mile Marion County Fairground's oval.

Kinser is Perfect in Wednesday Nationals Opener

by Bob Wilson

Knoxville, Iowa (August 12) - Defending Knoxville Nationals champion Steve Kinser claimed a perfect 500 points score during the opening round of qualifications at the 32nd Annual Knoxville Nationals. The perfect score was gained with wins in time trials, qualifying heat race and the feature event, all of which assured the seven-time Nationals champ the pole position in Saturday's championship feature.

The 20-lap feature event looked to be an upset in the making as front row starter Craig Keel roared to a comfortable lead on the half-mile oval. The New Yorker lost his tremendous advantage on lap nine as he was slowed by lapped traffic to claiming the opening night Nationals finale.

Chasing Keel were Cris Eash, Johnny Herrera, Kinser, Donnie Kreitz, Jr. and Jac Haudenschild at the halfway mark. Three laps later Kinser made a pass of Herrera but the 11-time World of Outlaws champion seemed bogged down and unable to mount the usual Kinser challenge.

Lap fourteen saw Keel's hopes dashed as the frontrunner's engine expired in a cloud of smoke and the car coasted to a stop just into turn one. At final tally he received a 21st place finish.

On the single file restart Kinser shot low into turns three and four and took the point position as he crossed the start-finish line. He then led the final circuits of the event to take the \$3,500 to win the race as well as claim his fourth straight preliminary qualifier in as many years.

The restart additionally saw Herrera get by Eash as the New Mexican star finished in the runner-up position, the only car within reach of the winner. Haudenschild took third after a late race pass of fourth place finisher Eash. Krietz finished fifth.

Andy Hillenburg placed sixth and Knoxville regular Randy Smith was seventh. Kenny Jacobs and Dave Blaney finished eighth and ninth as Australian Brooke Tatnell rounded out the top ten.

Qualifying heat events went to Kinser, Hillenburg, Blandy, Dennis Moore, Jr. and Haudenschild. Terry McCarl captured the B Main. Seventy-eight cars came to the line for qualifying time trials as Steve Kinser timed the first lap below sixteen seconds in Nationals competition.

Swindell Tops Thursday Night Feature

by Bob Wilson

Knoxville, Iowa (August 13) - Sammy Swindell showed the way to the checkered flag in a non-stop 20-lap affair during the second night of qualifications at the 32nd annual Knoxville Nationals. The fleet Swindell led every lap in winning the final Thursday night event, in addition to capturing his qualifying heat race. But a poor showing in time trial painted a pallor over an otherwise perfect night for the Volunteer State native.

The feature event was yellow flagged at the outset as flagman Doug Clark sent Mark Kinser to the rear of the pack for jumping the start. Kinser managed to forge his way back to seventh at final tally.

When the race finally went green, Swindell took the immediate lead from his second row starting position. On lap three Danny Lasoski passed Keith Kauffman for the runner-up spot and the stage was set for a cat and mouse chase to the finish.

With Lasoski in tow, Swindell entered lapped traffic on lap eight. At times traffic proved to be a hindrance for Swindell as Lasoski was able to pull within striking distance. On other laps Sammy was able to place a passed car between himself and Danny which made for short-lived breathing room. Each driver utilized all portions of the half-mile track.

The final laps saw both drivers exhibit expert driving skills but at the checkered Swindell led Lasoski by several car lengths to the \$3,500 finish line.

Bobby Davis, Jr. finished third, having garnered that position just prior to the half-way point in the race. That finish coupled with high finishes in time trials and qualifying heat earned for Davis the top Thursday night point total and a front row start for the championship feature on Saturday night.

Stevie Smith and Jeff Swindell formed the top five finishers, with Smith having come from a sixth row start to pass Jeff on the final lap. Kauffman was sixth and Kinser was seventh. California standout Steve Kent took eighth, Frankie Kerr claimed ninth and Danny Smith finished tenth.

Qualifying heat races went to Brian Schnee, Max Dumesny, Todd Shaffer, Kauffman and Swindell. Shane Carson won the B Main as 80 cars came to the line for qualifying time trials.

Lasoski, Swindell, Brazier are Friday Feature Winners

by Bob Wilson

Knoxville, Iowa (August 14) - The final night of qualifications for the 32nd annual Knoxville Nationals saw Danny Lasoski, Jeff Swindell and Garry Brazier each post 20-lap feature event victories.

Brazier won the final qualifying feature in an event in which he led the distance and an event which was arguable the most exciting of the four-day venue. The 19-year-old Australian took the lead at the drop of the green flag and was pulling away from the field. A yellow flag on lap five bunched the cars and placed South Dakotan Kenny Hansen right on Brazier's tail.

By lap ten Brazier and Hansen had developed a dog fight which would last to the checkered flag. With Brazier on the cushion and Hansen on the low side, first one driver would lead the race and then the other would have the advantage. The final circuit saw Brazier duck low into turn three to cut off the Hansen assault and the twosome came across the finish line in that order. Nationals rookie Paul McMahan was third, Mike Peters took fourth and second year participant Johnny Mackison, Jr. finished fifth.

The race of States feature was a blowout as Danny Lasoski took the 20-lap event for the state of Missouri by nearly half a lap. Stevie Smith led the event until he spun all by himself on lap five, yet continued running. The yellow flag was displayed however, and Smith was sent to the rear where he valiantly fought his way back to a fourth place finish.

Dave Blaney made a brilliant drive from a twenty-second starting position to take a runner-up spot in the event for the state of Ohio. Craig Keel finished a strong third, Smith was fourth and Terry Shepherd finished fifth.

Jeff Swindell took a relatively new ride to a \$3,000 victory in the Mystery Feature. Swindell led the entire ten-mile distance as fellow front-row starter Jaymie Moyle finished in the runner-up spot. Swindell faced lapped traffic by the eighth circuit as well as a yellow flag situation three laps from the finish.

Steve Kinser Wins Eighth Knoxville Nationals

by Bob Wilson

Knoxville, Iowa (August 15) - "Why is this one special? Because it's tonight," Steve Kinser said affirmatively after having just dominated the 32nd running of the Knoxville Nationals! The win before 22,000 spectators capped a perfect week of racing by the Bloomington, Indiana driver.

Kinser, who has a habit of winning Nationals titles in sets of three, now has two legs up on a third set with his latest crown having come in 1991. Previous titles were gained in 1980-81-82 and 1986-87-88. All eight wins have come with car owner Karl Kinser.

The 30-lap NAPA-sponsored event, which went non-stop, pushed off at four minutes to ten o'clock and was over at 10:10 p.m. having been run in track record time. The 37-year-old Kinser led each lap of the fifteen mile race and set a blinding pace which was 35 seconds faster than the track record he set in 1982 while gaining his third Nationals title.

At the green flag, Kinser utilized his pole position to jump to a comfortable lead. By lap four he had put more than a hundred yards of distance between himself and second-place runner Andy Hillenburg. As Kinser entered lapped traffic on the seventh circuit, Hillenburg and Bobby Davis, Jr. were in the throes of a battle for the runner-up spot with Davis taking the contested position on the next round.

Lap eleven saw Danny Lasoski wrestle second place away from Davis as Kinser's margin had increased to a full straight-away. At ten miles into the contest the difference could be measured at half a lap.

"I ran as hard as I could and took chances in traffic that I never should have taken," Lasoski lamented. "I could see him but I just couldn't catch him."

At the finish Lasoski had made up some of the distance, but Kinser's blistering pace had seen all but eight cars lapped by his Maxim chassis. The win paid the Hoosier native \$50,000. Lasoski settled for second place prize money of \$25,000 and his highest finish in the championship race.

Davis, who started the race along side Kinser, finished a close third and was paid \$15,000 for his efforts. Hillenburg remained at fourth and took home \$12,000. The \$10,000 fifth went to Mark Kinser who had started

in the third row along side Lasoski. Sammy Swindell, Jeff Swindell, Keith Kauffman, Johnny Herrera and Stevie Smith completed the top ten finishers.

Four preliminary features were run prior to the \$184,000 championship finale. First timer Craig Eshenaur won the E Main and local driver Dennis Moore, Jr. captured the D Main. Rookie contender Fred Rahmer was victorious in the C Main while Frankie Kerr grabbed the B Main for the second straight year. The Best Appearing Crew award went to the Donnie Krietz, Jr. crew and Dale Blaney was named as the 1992 Rookie of the Nationals.

Lasoski and Snodgrass Are Knoxville Track Champions

by Bob Wilson

Knoxville, Iowa (August 29) - Danny Lasoski and Dwight Snodgrass each won track point championships as the Knoxville Raceway concluded its 39th season of weekly racing Saturday night. For Lasoski it was his fourth title here, while Snodgrass was the defending limited champion at the Marion County oval.

In the feature event for the 410-cubic-inch sprints, Danny Young led through the first 12 laps until a sideboard on his top wing collapsed and a yellow flag was displayed for debris on the track. Lasoski then inherited the top spot which he held to the end of the 25-lap event.

For Lasoski, who received \$2,750 for his efforts, it marked his 10th feature event win of the season and his 35th career victory at this historic oval. Randy Smith trailed Lasoski throughout the race and settled for a \$2,000 second place paycheck. Smith was additionally runner-up in the final season point tally.

Max Dumesny took third, Brent Antill finished fourth and Devin Doty was fifth. Jerry Richert, Jr., Skip Jackson, Peter Murphy, Jaymie Moyle and Don Droud, Jr. completed the top 10 finishers.

Brooner captures Knoxville Enduro by Bob Wilson

Knoxville, Iowa (September 12) Gary Brooner of Des Moines took the lead in the final lap to capture the Second annual Fall Enduro at the Knoxville Raceway Saturday night. The top spot was hotly contested in the final stages, but Brooner prevailed at the end of the two-hour time limit as the second running car began to run out of fuel. A crowd estimated at 3,000 saw the winner pocket \$1,000 for his efforts at the completion of 134 laps.

Des Moines driver, Kenny Miller had to settle for second after making a late race pit stop in his fuel-starved machine and after having led the event just after the 90-lap mark. Tony Roth of Grinnell took third and was also a race leader. John Thompson of Montezuma was fourth and defender champ Dan Banker of Des Moines finished fifth.

Eleven red flags halted the event during the evening. One hundred twenty-four cars took the green flag.

Monson, Blaney win 'Valvoline' openers, Hesmer gets 26th limited win!

by Bob Wilson

Knoxville, Iowa (September 25) - The World of Outlaws tuned up for the two-day \$100,000 Knoxville "Valvoline Classic" by running two Texas Pursuit races Friday night at the Knoxville Raceway.

Tim Monson and Dave Blaney were the top winners in the twin pursuit races, which were preludes to the double features to be staged Saturday.

Monson, who began the first pursuit from the pole, held that position to the end of the 12-lap event to pocket \$2,000. He was chased the entire distance at close range by Andy Hillenburg, who settled for the runner-up finish. Sammy Swindell drove from the tail to take third. Jac Haudenschild and Don Droud, Jr. completed the top five.

Blaney, likewise, took advantage of a front row starting berth to win the second pursuit race. Skip Jackson, Kenny Jacobs, Stevie Smith and max Dumesny completed the top five finishers.

Only the 24 fastest sprinters qualified for the two 12-lap pursuits. That left World of Outlaws drivers Dale Blaney, Craig Keel and Steve Beitler, along with Knoxville regulars Jaymie Moyle, Danny Young, Kevin Doty and Jerry Richert, Jr. to watch the action from the pit area. With each 12-car field being completely inverted, the fastest cars started at the back of the pack.

Monson set a new Knoxville Raceway record in the first event, completing the distance in 3:18.1, an average speed of 109.091 mph. Monson eliminated the last driver on each lap before out-dragging Hillenburg across the finish line. By setting fast time, Haudenschild started at the rear.

Steve Kinser, the second fastest qualifier, started last in the second event, but drove the #11 Valvoline Maxim to the pit area early in the event.

Randy Smith, who drove the #71M in Knoxville's weekly points, had the third fast time in his own #0 sprinter and was the fourth driver eliminated in the first Texas Pursuit. Kenny Jacobs, making his debut in the #71M, passed six cars before being eliminated in the second event.

Beitler, racing with the World of Outlaws for the first time since suffering a shoulder injury in a July 26th Tri-City Speedway event, was the 32nd fastest qualifier.

David Hesmer won his 26th feature event in capturing the 20-lap limited sprint feature. The win paid the Marshalltown native \$750. Completing the top five finishers were Wayne Redmond, Billy Bell, Bill Dusenbery and Chad Radel.

Kinser Dominates Knoxville Valvoline Classic

by Bob Wilson

Knoxville, Iowa (September 26) - Steve Kinser continued his domination at the Knoxville Raceway as he captured two feature events during the World of Outlaws "Valvoline Classic" at the Marion County Fairgrounds Saturday night.

Kinser collected \$10,000 apiece for his two victories in the Karl Kinser-prepared Valvoline Maxim as the Knoxville Raceway closed out its 39th season of weekly racing.

In the first feature event, Sammy Swindell grabbed the lead at the outset from his pole position. The Tennessee ace ran the big half mile on the high side until he entered lapped traffic on the fifth circuit. By lap 10, Jac Haudenschild began to close and five laps later he was glued to the back of the fleet Swindell.

Running into turn three, Haudenschild hit Ricky Logan, who had gotten out of shape and the Casey Luna car sustained damage to the front end. He was unable to continue.

During the red flag period several sprint teams made adjustments to their race cars. Among those who benefited was Steve Kinser as the #11 was suffering ignition problems and the coil and battery were replaced.

On the ensuing restart, a lethargic Kinser seemed to catch fire and the crowd, estimated at 10,000, witnessed the 1992 Nationals champ catch and pass Swindell with two laps to go in the 25-lapper for the ten grand win.

Swindell, Kenny Jacobs, Mark Kinser and Danny Lasoski formed the top five finishers.

The inverted second feature event lived up to all expectations as all eyes watched the Kinser sprinter come from the 10th row starting position to place fifth at the end of lap five.

With race-lion leader Garry Brazier entering turn one on lap 12, Kinser dove low and grabbed the top spot, a position he would hold to the finish.

With five laps to go, a yellow appeared but the outcome was never in doubt as Kinser roared to his 40th career feature event win on Knoxville.

Max Dumesny, Lasoski, Haudenschild and Jacobs trailed at the checkered.

Kinser picked up an additional \$1,500 as he paced the Hard Charger Award for passing the most cars (23) in both feature events. Lasoski and Haudenschild each passed 17 and Stevie Smith was fourth with 14 passes.

"We were just struggling along in the first one (feature race)", Kinser said. "The car was right, but the motor wouldn't run. In the second one everything came together."

The 21 cars finishing the first race were inverted for the second event putting Kinser outside row 10. Tim Monson replaced Kevin Frey in the second feature lineup.

Dave Blaney flipped on the original start and Johnny Herrera and Terry McCarl crashed into the fence on successive restarts. That moved Kinser up to the eighth row before a lap had been run.

Between the two contested features, Doug Wolfgang was escorted to the front stretch and he greeted and thanked the gathered race fans for the many cards of support during his absence from racing.
