WoO Preliminary Won by Bobby Davis Jr.

by Bob Wilson

Knoxville, IA – Bobby Davis Jr. of Memphis, Tennessee took a first lap lead from his outside row one starting position to claim the 20-lap World of Outlaws preliminary feature at the Knoxville Raceway.

Davis, who claimed his first career feature win at the half-mile Knoxville oval led the entire distance to win by the length of the front chute.

In the winner's circle the Volunteer state pilot quipped, "I wanted this one real bad and it feels good to win here." He said that the Suiter owned sprinter was Hoosier equipped with a new experimental tire. The win paid David \$3,000.

Chasing Davis Jr. across the line were Steve Kinser, Sammy Swindell, Ron Shuman and Rocky Hodges who came from the tail of the event. Rounding out the top ten were Doug Wolfgang, Mike Brooks, Randy Smith, Danny Smith and Keith Frantsen.

Ten-lap heat races were won by Ron Shuman, Bob Hop, Doug Wolfgang and Steve Kinser. Marv DeWall claimed the 10-lap C main and Mike Brooks took the 12-lap B main.

Steve Kinser, who was the first driver to take time trials, set a new Knoxville one-lap track record at 17.326 to erase the mark of 17.446 he had set on October 19, 1983. Numerous wrecks and mishaps prolonged the program. No injuries were reported.

Hodges Claims Knoxville's Season Opener

by Bob Wilson

Knoxville, IA – Rock Hodges grabbed a seventeenth lap lead from TJ Giddings to claim the 20-lap regular season opener at the Knoxville Raceway.

Hodges, who captured his third career feature win en-route to the victory, started in the sixth row and dogged the quick Giddings sprinter for much of the race. As Hodges crossed the finish line for the checkered flag, Giddings was coasting to a stop in the fourth turn, the victim of mechanical problems.

In victory lane, Hodges told co-announcer, Jack Herwehe, “We had problems with our engine in the heat race, but the loss of power helped us in the feature because the track got slicker.” The Lenard McCarl, Jensen Construction/R.C. Long sponsored sprinter claimed the \$1,500 to win race as the Knoxville Raceway entered its 31st year of weekly competition.

Finishing second was 1983 Knoxville Rookie of the Year, Jerry Richert Jr., who led the first seven laps of the event. Third was Tod Bishop, fourth was Bob Hop and Marlon Jones rounded out the top five.

Mike Brooks began the ten event program by setting quick time in time trials at 17.657. Brooks dropped from the feature event on lap five after winning the third heat event. Giddings captured the first heat and Hodges

took heat number two after a first turn skirmish eliminated trophy dash winner Randy Smith and pole-sitter Ned Fry. Fry's car sustained heavy damage and the West Burlington driver was taken to a local hospital for a checkup. Knoxville's Tim Deaver won the B main.

In modified sprint action, Mike Johnson of Concord, California captured the first heat event. The second heat was won by Dean Chadd of Lincoln, Nebraska. Chadd came back to claim the 12-lap modified sprint feature as well as the \$350 which that event paid.

Next Saturday night is Merchant's night and Lions' Club night as the Knoxville Raceway continues winged sprint racing in its thirty-first year of continuous operation.

Smith Claims First '84 Knoxville Sprint Win

by Bob Wilson

Knoxville, IA – 1983 Knoxville track champion, Randy Smith, driving the Gary and Kay Mussatto sprinter claimed the 20-lap winged sprint feature at the Knoxville Raceway Saturday night.

Smith, who credited his front row starting position as a helpful factor in capturing the \$1,500 to win event, also took home career feature win number twelve on the half-mile oval. The race was restarted three times due to spins on a track which became dusty and dry-slick.

Bob Hop, who started behind Smith, finished second, Jerry Richert Jr. was third, Tod Bishop was fourth and Marlon Jones finished fifth. Rounding out the top ten were Mark Shaffer, Danny Lasoski, Rick Ungar, Rocky Hodges and Keith Frantsen.

Mike Brooks began the eleven event program by setting quick time in time trials at 18.537. Marlon Jones bested the top six qualifiers to claim the 5-lap trophy dash. Hodges, Buddy Wallen, Rick Ungar and Hop captured sprint heat events. Keith Frantsen led all 12 laps to win the B feature.

In the modified sprint main, Dean Chadd, who had earlier won the first modified heat, rolled and flipped spectacularly on the initial lap of that event. Although the car sustained heavy damage, Chadd was only shaken but took a quick ride to the local hospital for a checkup. Knoxville driver veteran, Stacy Redmond won the event, while leading all twelve laps to finish half a lap in front of Mike Johnson, who claimed the second heat.

Next week is McDonald's and Family Night with fans invited for picture taking at trackside during the evening.

Hodges Takes 12th Annual Mini-Nationals

by Bob Wilson

Knoxville, IA – Rocky Hodges grabbed a seventh lap lead from a faltering Mark Shaffer and went on to claim the 20-lap 12th Annual Knoxville Mini-Nationals at the Marion County Fairgrounds. It was his second 1984 feature event win here in the Lenard McCarl/RC Long sprinter and paid that team \$1,600 for the victory.

Hodges inherited the lead after Shaffer lost an engine on the backstretch and stretched his margin to win by a half straightaway at the checkers. Randy Smith, Bob Hop, Tod Bishop and John Stevenson followed in that order.

The ten event program was kicked off by Mike Brooks who set quick time at 17.731. Danny Lasoski took the five-lap trophy dash while 10-lap heat events went to Hodges, TJ Giddings and Glenn Hughes Jr. The 12-lap B main went to Jeff Tuttle.

In modified sprint action, Stacy Redmond and Lonnie Jensen took qualifying heat races. Jensen, who was the 1972 and 1974 Knoxville Season Point Champion, made a white flag lap pass of race leader, Dean Chadd, to claim that division's A feature race by a narrow margin.

Next week at the Knoxville Raceway is Hardee's night as the winged sprinters and modifieds compete in the thirty-first year of continuous racing at the Marion County Fairgrounds.

Lasoski is Surprise First-Time Knoxville Winner

by Bob Wilson

Knoxville, IA – Second generation driver, Danny Lasoski, powered the Robert Derry/Derry and Son Ready Mix sprinter to a surprising white flag lap pass of race leader, Randy Smith, to capture his initial Knoxville Raceway feature event. The win paid \$1,500 to the young kid from the “Show Me State”.

In victory lane, Lasoski greeted the exuberant crowd with, “Fantastic! My dad changed the car around and on the white flag lap, I figured it was now or never, so I dove low in turn three and stayed on the ridge. Fortunately, I was able to hold it.”

Lasoski, who started on the pole of the 20-lap event, yielded the front spot to Glenn Hughes Jr. at the drop of the green flag. The initial eight laps saw five cars running in very close order with positions of those cars in constant flux. The field then worked through four restarts until the final exciting trio of laps.

Smith, who had set quick time at 18.267, finished second as he suffered wing difficulties in the final rounds of the race. Third went to Tod Bishop, fourth to Hughes Jr. and Bob Hop rounded out the top five.

The five-lap trophy dash went to Jerry Potter, with Buddy Wallen, Rocky Hodges and Smith each taking 10-lap heat events. The B Feature was won by Scott Ritchhart, after he lost an engine on the white flag lap of his qualifying heat event while leading that race by a healthy half-lap.

In companion modified winged sprint action, Lonnie Jensen and Mike Johnson won heat events. Jensen came back in the 12-lap feature event for that division to claim his second consecutive A main.

Next week at the Knoxville Raceway will be the Mid-Season Championship. Old Milwaukee will be the chief sponsor of the event, as the Knoxville Raceway continues into its 31st year of weekly racing.

Rain Delays Knoxville

by Bob Wilson

Knoxville, IA – Showers and thunderstorms forced a postponement of the Mid-Season Championship at the Knoxville Raceway Saturday night. The 31st Annual affair has been rescheduled for June 16, with an additional \$1,000 being added to a posted purse paying \$1,750 to win.

The ten-event program for winged sprints and modified winged sprints will be co-sponsored by Old Milwaukee and Titan Models Unlimited. Action will get underway at 7:30 with hot laps and time trials at 8:00 p.m.

Wolfgang Comes Home to Claim Knoxville's Mid-Season

by Bob Wilson

Knoxville, IA – Doug Wolfgang returned to home base Saturday night to take a thirteenth lap led in route to victory and claimed the Knoxville Raceway 31st Annual Mid-Season Championship title. It was Wolfgang's thirty-eighth Knoxville feature win.

In the winner's circle, Wolfgang was apparently in a light mood as he told the large grandstand crowd about running the rim. "At my age, it is too strenuous to run up there all night." "Wolfie", who recently joined the Doug and Joanne Howells sprint team, collected \$1,750 for the win in a race which saw two yellows.

Wolfgang had started in the sixth row by virtue of having himself drawn a twelve car invert after being quick qualifier in time trials. At lap nine, he trailed race leader, Rocky Hodges, by a straightaway when the first yellow flew.

On the restart, the two dived for the top spot until Wolfgang maneuvered a turn two pass which Hodges was unable to counter. The runner-up spot paid Hodges \$1,250 as John Stevenson, Randy Smith and TJ Giddings rounded out the top five of that event.

Scott Ritchhart proved too strong from his outside row one starting position to claim the program opening trophy dash. Sprint heats were won by Hodges, Giddings, Danny Lasoski and Wolfgang. Rick Weld took the B main.

Modified sprint heats went to Mackie Heimbaugh and Stacy Redmond. Redmond claimed the 12-lap modified feature for his second win at Knoxville this year.

Knoxville's 31st season of weekly racing continues next Saturday with Pizza Hut and KIOA night.

Hodges Takes Third 1984 Knoxville Feature

by Bob Wilson

Knoxville, IA – Rocky Hodges, driving the Lenard McCarl-RC Long winged sprinter picked up win number three for 1984 at the Knoxville Raceway Saturday night. The 20-lap feature paid Hodges \$1,500.

In victory lane, Hodges commented on the track itself by saying, “It was kind of a one lane track, and I had to stay on the cushion,” as indeed the balance of the pack ran that quick groove.

The win did not come easily for Hodges as he had to wait until lap seventeen to take the top spot, when race-long leader, Danny Lasoski, dropped from the event with mechanical problems. Hodges then controlled that spot to the checkers.

The top five in the feature event saw Scott Ritchhart, Cliff Woodward, Glenn Hughes Jr. and Mark Shaffer follow Hodges.

Ritchhart scored the opening event win in qualifying time trials as he set quick time and Lasoski proved he would be a threat by winning the trophy dash, which featured the top six cars. Ten-lap heat events went to John Stevenson, Hodges and Hughes Jr.

In companion modified sprint events, Stacy Redmond and Dean Chadd claimed heat events. Chadd claimed the Mid-Season Modified Championship and the \$500 that event paid to win.

Next week, the Knoxville Raceway will celebrate the Sixth Annual Hall of Fame Old Timers Night as the famed Iowa oval will induct four new members into its elite membership. It will be Hy-Vee night and \$1,000 will be given away to fans and drivers by long-time raceway supporters, Bob Olson and Max Rogers.

Wolfgang Again Claims Knoxville Cash
by Bob Wilson

Knoxville, IA – Doug Wolfgang drove through the backdoor Saturday night and the Knoxville Raceway to win the 20-lap feature event on Hall of Fame night at the Marion County Fairgrounds. It was Wolfgang's 39th career feature win here and paid \$1,500 to him.

It was a race which looked to belong to front row starter, Randy Smith, for twelve laps, with Scott Ritchhart having moved into a contending position. Going into turn three, Smith got sideways and Ritchhart was unable to avoid the hapless sprinter. Smith was sidelined, but Ritchhart restarted on the tail.

In a postrace interview, "Wolfie" commented that he had bent a tie rod early in the race and had hoped to finish fifth at best. The Smith-Ritchhart incident gave him an opportunity to make the necessary repairs to hold a restart lead to the checkers.

Jerry Potter, TJ Giddings, John Stevenson, who started on the tail, and Marlon Jones rounded out the top five for the event.

Tod Bishop kicked off the evening by setting quick time at 18.220. Doug Wolfgang grabbed the trophy dash, and heat events went to Rick Weld, Smith and Rocky Hodges.

Dean Chadd continued his winning ways in the modified sprint division as he again captured the feature event for that division. Heats were claimed by Bruce Drottz and Jimmy Riggins. Hawkeye Strobel and Mike Chadd, both of whom took wild rides during the evening, were each reported as o.k. at the conclusion of the evening.

In Hall of Fame ceremonies, Dick Santee, Hank Smith, Bob Williams, Lloyd Beckman and Eddie Leavitt were inducted into that elite group of thirty-six men. Next week at the Knoxville Raceway will be Pepsi/Mountain Dew Night with a total sprint purse of \$10,000.

Hodges a Class Act at Knoxville

by Bob Wilson

Knoxville, IA – Rocky Hodges, driving the Lenard McCarl/RC Long sponsored sprinter walked away and hid from the field at the Knoxville Raceway Saturday night to claim his fourth 1983 feature event win here. In the process, he lapped all but the second and third place cars and padded his lead in the Season Point Standings.

The lopsided win paid Hodges \$1,500 as the yellow and checkered flags flew for a spun car on lap twenty. Second place in the event went to Doug Wolfgang, as he overtook Scott Ritchhart on lap fifteen in a race-long battle which delighted the grandstand crowd. Bob Hop claimed fourth and John Stevenson once again drove from the tail to take fifth.

Hodges was the class of the field in time trials with an 18.116 clocking, but he and Ritchhart could not top TJ Giddings in the opening 5-lap trophy dash. Sprint heats went to Glenn Hughes Jr., Ritchhart and Tod Bishop. Stevenson grabbed the B main.

Modified heats were won by Lonnie Jensen and Mike Johnson. Jensen claimed the modified feature by a wide margin for his third win here this season. Stacy Redmond and Bruce Drottz followed.

Next week will be Twin 16 Night sponsored by Brenton Banks. The \$12,000 winged sprint purse will pay \$1,200 to each 16-lap winner.

Rain Cancels Twin 16s at Knoxville

by Bob Wilson

Knoxville, IA – Swift moving thunderstorms forced the cancellation of the 9th Annual Twin Sixteens at the Knoxville Raceway Saturday night. The event has been rescheduled for July 21.

The \$12,000 sprint purse will have an additional \$1,000 added to the total, and will be cosponsored by Brenton Banks and Coors Brewing Company. Each Sixteen winner will collect a guaranteed \$1,200. A three-event modified sprint program will be held additionally.

Davis Jr. Performs Hat Trick: Takes Both Knoxville Twin 16s

by Bob Wilson

Knoxville, IA – Bobby Davis Jr., driving the Gil Suiter-Gambler sprinter paid a visit to Iowa Saturday night and won both Twin Sixteen Feature events at the Knoxville Raceway. Davis Jr., who had the night off from the traveling World of Outlaw troupe has now scored three feature event wins here in 1984 at the Marion County oval.

In the initial 16-lap event, Davis appeared to be headed for a third place finish until the white flag flew. Running down the backstretch, race-long leader, Danny Lasoski, became hindered by a lapped car. Davis used this opportunity to slide below him as well as second place Rocky Hodges in turn three.

The three crossed the finish line in very close order, with Lasoski and Hodges trailing. Illini regulars, Scott Ritchhart and Tod Bishop rounded out the top five.

In the inverted second sixteen, Davis came from row six by lap six to a second position slot to chase race leader, Glenn Hughes Jr., for five laps. On lap eleven, he maneuvered a pass by Hughes on the dry-slick surface to take the lead for good. Both features paid the Volunteer State native \$1,200 to win. Hodges once again had to settle for the bridesmaid position with Randy Smith, TJ Giddings and Tod Bishop forming the top five.

Jimmy Sills, who was also passing through the Hawkeye State on his way out East, set quick time for the evening at 18.299. Mechanical problems brought an end to his evening. Sprint heats went to Bishop, Lasoski, Davis Jr. and Ritchhart. Cliff Woodward won the nineteen car B main after taking the lead on the fifth lap from a tail end starting position.

In winged modified action, 1984 season points leader, Stacy Redmond, captured the first heat event, while Knoxville resident Mike Johnson won the second. Lonnie Jensen took the 12-lap feature event for that division, his fourth at Knoxville this season.

Next week, the annual Marion County Fair will feature the World of Outlaws in a \$25,000 Wednesday night show and a Saturday weekly program sponsored in part by Knoxville radio station KNIA.

Swindell Captures WoO Knoxville Fair Date

by Bob Wilson

Knoxville, IA – 1983 Knoxville National Champion, Sammy Swindell, driving the Raymond Beadle-Old Milwaukee-Blue Max sprinter, took a thirteenth lap lead from row one starter Bobby Allen to claim the 20-lap Skoal Bandits World of Outlaws feature event at the Knoxville Raceway Saturday night. The win paid Swindell \$4,000 as he picked up his 92nd WoO career feature and his thirteenth at Knoxville.

In the winner's circle, Swindell said, "My car was tight at the start of the race and Bobby was just right. I was quicker at the end, and that's where you want to be, I guess." Allen entered the pits shortly after a yellow flag when his shoulder strap loosened. He was able to make the field on the restart on the tail and managed an eleventh spot finish.

Shane Carson, who closely chased Swindell for a good portion of the race, followed second across the line at the checkers by fifty yards. Jeff Swindell, who started alongside his brother in row three of the feature, took the third spot, while Steve Kinser and Danny Smith filled out the top five.

Swindell kicked off the field of thirty-eight sprinters in time trials with a 17.393 clocking, .067 off the track record. He also won the trophy dash in record time. Bobby Davis Jr. captured the first heat, while Shane Carson and Jimmy Sills won heats two and three in identical track record times. Knoxville track regular, Rocky Hodges, held off Swindell for eight laps to take the fourth qualifying heat. Rick Ungar was the victor in the B main, also in record time.

The Knoxville Raceway winds up its 1984 racing season with a Marion County Fair date on July 28 and a 31st Annual Season Championship on the pre-National Saturday night of August 4.

Scott Ritchhart Scores 1st Knoxville Feature Win

by Bob Wilson

Knoxville, IA – Powering the Gil Sonner-Casey's General Stores winged sprinter, Scott Ritchhart captured the final night of racing at the Marion County Fair as well as his initial feature event at the Knoxville Raceway.

Ritchhart, who came from the fifth row to win, said in victory lane, "I've wanted to win one here for a long time." The win paid the Illini pilot \$1,500 as well as a 900 lb. 4-H steer for his efforts.

The race saw numerous yellow flags, but Ritchhart, who grabbed a third lap lead, was able to pull away with ease on each restart. Danny Lasoski, Tod Bishop and Randy Smith claimed second through fourth places in a nip and tuck race-long battle. Rocky Hodges finished fifth to capture the 1984 Knoxville Point Championship.

Bishop set quick time at 17.989 and Lasoski won the opening 5-lap trophy dash. Heat races went to Ritchhart, Rick Weld and Smith. Galen Martin won the B main.

The winged modified sprint feature turned out to be a wild affair. Exiting turn four on the ninth lap, race leader, Bruce Drottz, and Dean Chadd came together with Chadd hitting the fence with a great deal of speed. Coming through the mix-up, Stacy Redmond, ran over the rear of another car and his mount took a slow tumble. Also involved in the fracas was Mackie Heimbaugh.

The Chadd and Redmond cars were extensively damaged and all cars were unable to restart. Second generation driver, Richard Crook, was the winner of the event, marking his first victory here. Both Chadd and Heimbaugh had earlier claimed heat event wins.

Next week, the Knoxville Raceway will celebrate its 31st Season Championship with two feature events being staged. The event will be cosponsored by radio station KMGO and Perkins Family Restaurants.

It's Rocky II at Knoxville Pre-National Warm-ups

by Bob Wilson

Knoxville, IA – 1984 Knoxville Point Champion, Rocky Hodges, drove the RC Long-Phoenix Motors winged sprinter to convincing wins in both ends of Twin Features at the Knoxville Raceway. The victories paid Hodges \$2,500 as the regular season of racing came to a close at the Marion County Fairgrounds.

In the first feature, which was the Season's Point Feature, Hodges grabbed a fifth lap lead and coasted to the win in the 20-lap event. Trailing him to the checkers were Tod Bishop, Rick Weld, Scott Ritchhart and John Stevenson.

The six-row invert of the second feature found Hodges on the pole and he never looked back in claiming that event. Tim Green, who started alongside Hodges, ran second throughout the race, but had to stave off some late race challenges by Jimmy Sills to claim that position. Scott Ritchhart took fourth and Rick Weld finished in the fifth spot.

Sprint heats went to Ritchhart, Bishop, Hodges and quick qualifier, Jimmy Sills. Randy Smith was the winner of the 10-lap B main.

The 12-lap modified sprint point feature was decided as much by wrecks and attrition as anything. Six cars remained at the finish, and Lonnie Jensen led the way to claim his fourth win at the raceway this year as well as \$500 for his efforts. The winged modifieds will compete here on August 25 in their own Nationals event.

Shuman Grabs Speedweek Opener NCRA Champ Dirt Cars at Knoxville

by Bob Wilson

Knoxville, IA – Arizona’s Ron Shuman tuned up for the 24th Annual Knoxville Nationals at the Knoxville Raceway Tuesday night by winning the 25-lap NCRA Champ Dirt Car feature event. Shuman, the 1979 Nationals titlist was paid \$2,000 for his efforts.

It was not a good night for the OFIXCO Lloyd K. Stephens team of which Shuman is a part. The other team members, Tony Armstrong and Jerry Stone, were involved in wrecks during that event. Armstrong brought out the red with a first turn flip on the fifth lap, after he struck a slower car.

On the sixth lap after the restart, race leader Jerry Stone flipped violently in turn three when the center hub on the right front wheel broke. The car catapulted the twelve foot structure.

Stone was taken by ambulance to the Knoxville Community Hospital for observation after he complained of upper body pain. It was later reported that he had suffered two broken shoulder blades.

At the start of the feature, seventh row starter Jack Moulton and ninth row starter, Terry Guinn became entangled shortly after the green was dropped. Moulton did a series of flips down the front chute with Guinn becoming involved with the Moulton mount. Both cars were extensively damaged and Moulton was taken to the area hospital for observation.

When the race was restarted after the Stone incident, Shuman settled into the top spot and sailed home to the checkers by the length of the straightaway. Andy Hillenburg finished second, while Mike Peters, who fought a spirited battle for that runner-up spot, was third. Fourth and fifth went to Shane Carson and eleventh row starter, Donnie Crawford.

Ten lap heat events went to Hillenburg, Bruce Jennings and Stone. The 12-lap B main was captured by Troy Matchen as the top six cars from that event were placed at the tail of the feature.

Swindell Scores a Perfect 500 to Grab Knoxville's Championship Pole

by Bob Wilson

Knoxville, IA – The first night of qualifications to the 24th running of the Knoxville Nationals found Bartlett, Tennessee's Sammy Swindell taking a commanding edge in securing his chances for winning a second Knoxville title in a row as he guaranteed himself a front row spot during Wednesday night's qualifying for that event.

By winning the time trials, his heat race and the feature event, Swindell will now sit on the pole position in Saturday's National Championship by virtue of claiming a perfect 500 point score under the Knoxville point structure. Also making the prestigious event was Ron Shuman, Bobby Davis Jr., Jimmy Sills, Kenny Jacobs, Rocky Hodges, Scott Ritchhart and TJ Giddings. All eight cars will form the inside row alignment.

In post-race ceremonies, Swindell told trackside announcer, Jack Miller, "We've had some ups and downs, but we're looking o.k. right now. We're pretty happy." Indeed, the Raymond Beatle, Old Milwaukee sprinter led from start to finish in the Wednesday night feature event.

Swindell's only serious challenge came late in the event as second place Ron Shuman was able to make up some of the distance in lapped traffic. Third went to Bobby Davis Jr., who was also getting a late race bid from

Rocky Hodges, who finished fourth after he found a low line groove to his liking. Sills, Jacobs, Lealand McSpadden, Billy Boat and Giddings filled out the top ten for the feature.

Sills and Shuman both took second lap leads to claim their 10-lap qualifying heat races. Swindell caught young John Eskuri on lap seven to take his heat. Knoxville track regulars Junior Parkinson and Scott Ritchhart led the distance in winning theirs. Ritchhart established a new Knoxville Raceway track record in the process.

Doty Wins Thursday Preliminary Feature at Knoxville Amid Controversy

by Bob Wilson

Knoxville, IA – It is never officially a Knoxville Nationals without a little controversy, some unique entertainment, and an underdog winner. Thursday night at the 24th running of the event, the near capacity crowd at the Knoxville Raceway witnessed each ingredient.

The controversy arose when the official winner of the qualifying feature event was protested. The entertainment was a trackside wedding directly before the ill-fated feature and the underdog winner proved to be a super-modified driver from Illinois.

In the feature event, Oklahoma's Shane Carson looked to be on his way to garner the 200 points and the \$1,500 the race offered, as he led the distance through the first eighteen laps. Coming out of turn four on the next circuit, the Carson sprinter bumped the tail of a lapped car and went into a lazy spin.

Second place Steve Kinser, who had been closely following the Carson mount, narrowly avoided disaster as he nearly looped his car in close quarters to the outside of Carson. The yellow flag was thrown to insure the rest of the field of cars was aware of what appeared to be a potentially dangerous situation. However, both Carson and Kinser managed to keep their sprinters going, but not until several other front runners got by them.

When the race was restarted, officials aligned the cars by the way they were running on the previous lap. That finish found Carson, Kinser, Brad Doty, Doug Wolfgang and Jeff Swindell coming across the line in that order.

After the race, Doty lodged a formal protest as to the results. Director of Racing, Ralph Capitani and World of Outlaws officials, Ted Johnson and Beryl Christian, held informal trackside discussions to determine the outcome.

Nearly two hours later, after reviewing video tape of the race and calling in the drivers involved for private discussion, the official finish was finally reached. That finish gave Doty the victory, followed by Kinser, Wolfgang and Swindell. Carson was placed fifth.

On the lighter, yet just as serious side, Greg Easley and Katie Thomas, both longtime race fans from Missouri, were joined together in matrimony. 9000 race fans witnessed their exchange of vows on the victory stand in front of the grandstand. Sammy Swindell and his sister were best man and maid of honor respectively.

Carmen Manzardo, of McHenry, Illinois, stole the hearts of nearly everyone in attendance as he drove his outdated and highly undermatched super-modified to a second place finish in the fourth heat event. Manzardo held off the hard charges of Steve Kinser for four laps as the entire audience stood cheering in disbelief.

Blaney and Haudenschild Capture Friday Night Feature Events at Knoxville

by Bob Wilson

Knoxville, IA – Second generation driver, Dave Blaney, led the entire 20-lap distance in winning the final qualifying feature event of the Knoxville Nationals. The win was worth \$1,500 to the Ohio driver and was his first feature win here.

A crowd estimated at 12,000 saw the top four finishers accumulate enough points to enable them to transfer to the final two rows for the Championship race on Saturday. Joining Blaney were Rick Ungar, Kramer Williamson and Lealand McSpadden.

In the final event for the evening, the Race of Champions, Jac Haudenschild made it two in a row for the state of Ohio. The race featured the top sixteen qualified cars for Wednesday and Thursday.

Haudenschild got an early jump on the field and cruised across the line for a \$2,000 win. He was followed by Tim Green, Rocky Hodges and Brad Doty. Sammy Swindell, who finished fifth, collected an additional \$1,000 as he drove from the rear of the field to accumulate the most passing points.

Tommie Estes Jr. set quick time in qualifications, but a loss of his nose wing while running second in the A feature sent the Okie to the tail of the pack and eventually to the pits. The only double winner for the evening was Rick Weld, as he captured the fourth heat and the B feature.

Junior Parkinson, Lealand McSpadden, Richard Griffin and Spike Lempelius were victorious in the other heat events. Dick Coburn and Rick Lemanski took the D and C features, respectively.

Doug Wolfgang Claims Third Knoxville Nationals Title

by Bob Wilson

Knoxville, IA – Doug Wolfgang became only the third, three-time winner of the Knoxville Nationals as he guided the Bob Weikert #29 sprinter to a popular victory at the Knoxville Raceway. The Sioux Falls, South Dakota native collected a record \$20,000 plus contingencies for the thirty-lap run.

“Damn, I’m so happy I can’t believe it!” Wolfgang yelled from victory stand. “I can’t remember being this happy, it’s been so long since the other two. My fans stuck with me,” he continued, “they always have.”

Wolfgang commented that his crew had only been together for three weeks and that they had done a tremendous job of getting things together. He referred to the fact that he had come home to the Midwest without a car during the summer and thought that he would never drive again.

However, on the tenth lap of the National Championship Feature, Wolfgang put a move on race-long leader Sammy Swindell in turns three and four to shoot to the front for good. An estimated crowd of 13,000 rose to their feet, as Wolfgang powered by Swindell. He continued to extend his lead and Steve Kinser got by the 1983, Champion, Swindell, as well.

When the yellow flew for the sixth time on lap sixteen, the red flag was displayed as well for a fuel stop.

With half the race completed, Wolfgang once again assumed command on the restart. He received a few challenges during the remainder of the event from Kinser, but nothing ever developed. Kinser crossed the finish line for second, not less than four car lengths after Wolfgang, as the twosome were impeded by lapped traffic.

Swindell, who later stated that he had chosen the wrong tire compound, finished third. Fourth row starter, Brady Doty, took fifth. Jeff Swindell also experienced tire problems and relinquished his early third place running to restart at the rear during a yellow, but finished fifth.

Canadian fans in attendance had much to cheer about as natives Tim Gee and Ken Chapman collected B and D features, respectively. The C feature went to John Eskuri in a race he led from start to finish.

The C feature was marred by a frontstretch accident at the drop of the green flag. Spike Lempelius, who started in the third row, skidded to the low side of the track, striking a double retaining wall which protects the

presentation stand. Lempelius received shoulder injuries and a bystander suffered a broken shoulder in the incident.

Lipsey Wins Knoxville Modified Sprint National

by Bob Wilson

Knoxville, IA – Ray Lipsey, driving the Skoda Construction Special based out of Lincoln, Nebraska, claimed the second leg of the First Annual Midwest Modified Nationals at the Knoxville Raceway Saturday night. The win paid the Cornhusker \$1,500 for the 20-lap run.

Lipsey grabbed a ninth lap restart lead, which he held to the finish. Second went to JJ Riggins and third was captured by Lonnie Jensen as they garnered \$1,200 and \$1,000, respectively for their efforts. Don Droud Jr. made a clean sweep of the first four places for Lincolnites and Stacy Redmond rounded out the top five.

The seven event program began with Jensen setting a modified sprint time trial record of 19.336 on the half-mile. Eight-lap heat races went to Jensen, Redmond, Riggins and Dean Chadd, who set a track record in the process. Steve Frisell and Harry Barr finished one-two in the 15-lap B main to transfer to the tail of the feature event.

Richard Crook, who smacked the turn two fence during time trials, was reported to have suffered several broken ribs. He was transferred to an Oskaloosa hospital for overnight observation. Paul Riggs was listed as o.k. after flipping violently during the fourth heat.

The Knoxville Raceway heads back into action on September 8 with the Fall Sprint Car Festival and concludes the race season with the WoO Skoal Bandit's Shootout on October 12, 13 and 14.

Randy Smith Claims Lucky 13th Feature Win at Knoxville

by Bob Wilson

Knoxville, IA – Randy Smith, driving the Bob Trostle sprinter for the first time this year, won the Fall Sprint Car Festival at the Knoxville Raceway Saturday night. The win was Smith's thirteenth career feature at Knoxville and paid the 1983 Track Champion \$1,500.

Canadian, Ken Chapman, led the 20-lap event through the initial seven laps. After a yellow on the next lap, Smith caught the Winnipeg native on the restart and was never headed in the event. TJ Giddings pressed the Trostle sprinter during the closing laps, but was unable to mount a durable threat and claimed second at the checkers.

Third went to Chapman, Tommie Estes Jr. took fourth, Tod Bishop was fifth and tail-end starter, John Stevenson managed sixth.

Giddings found much of the evening to his liking, however. After setting quick time, he captured the fourth heat event as well as the two-lap match race in record time ahead of Smith. Other 10-lap heat races went to

Rick Weld, John Eskuri and second generation driver Guy Forbrook, who in his Knoxville debut set a track record for his efforts.

John Stevenson won the 12-lap B main as he and second place finisher Marlon Jones transferred to the tail of the A main.

The Knoxville Raceway concludes its 1984 race season with the World of Outlaws Skoal Bandits' Shootout on October 12, 13 and 14. Iowa Public Television (IPTV) will carry the event by tape delay on Wednesday, October 17 at 8 p.m.

Mark Kinser Records Win at WoO Shootout Opener

by Bob Wilson

Knoxville, IA – Mark Kinser, driving the Kinser Bros. #51 captured his first feature win in Outlaw competition during the opening round of the 1984 World of Outlaws Skoal Bandits Shootout at the Knoxville Raceway Friday night.

An exuberant Kinser threw his gloves high in the air upon exiting his mount in victory lane. “I can’t believe it!” the Indiana native exclaimed, as indeed the cousin to Outlaw King, Steve Kinser, shook more hands than a busy politician. The win paid the son of Karl Kinser \$2,000 and assured him the inside pole position for the WoO grand finale to be staged on Sunday.

However, the 20-lap event looked to be in the pocket of Steve Kinser, who shot to the lead on the first lap from his outside row two starting position. After extending a healthy margin in the race, Kinser suffered a collapse of his outside wing panel on lap eleven and noticeably slowed. Four laps later, both Jeff Swindell and Mark Kinser passed him in that order.

On lap seventeen, Swindell, while running a close second, ran over a tire of a lapped car, coming off turn four and did a lazy flip into the fence. He was not injured, but was unable to restart.

The ensuing four laps, to the checkers saw Steve Kinser, with the aid of a new wing, make one valiant attempt to get around his younger cousin, but that effort failed and he placed second by six car lengths. Keith Kauffman finished third, Bobby Davis Jr. was fourth and Danny Smith took fifth.

Jeff Swindell set the pace in time trials with a 17.767 clocking for the half-mile and won his heat as well. Other heat events went to Kauffman, Steve Kinser and Davis Jr. The B main was captured by TJ Giddings.

Sammy Swindell Takes Skoal Bandits Shootout Feature on Saturday

by Bob Wilson

Knoxville, IA – Sammy Swindell, driving the Raymond Beadle, Old Milwaukee/Blue Max sprinter, held off the determined challenges of Rocky Hodges to take the 20-lap Saturday night Skoal Bandits Shootout feature at the Knoxville Raceway.

As if the battle with Hodges wasn't enough, Swindell also experienced problems with a broken right-side wing sideboard and a bowed steering arm during the feature event. The win paid the Volunteer State native \$2,000 and guaranteed him a front row starting spot for the A feature on Sunday.

Swindell, who started the event in the outside row two position, grabbed the lead from Hodges on the sixth lap. Three yellows then ensued during the next four laps, but when the green finally flew on lap fifteen, Hodges, Brad Doty and Shane Carson were in the chase to the end as the four front runners threaded through lapped traffic with perfection.

Hodges finished three car lengths behind Swindell for second, with Doty and Carson right on his bumper. Tim Green, Ron Shuman, Doug Wolfgang, John Stevenson and Tim Gee rounded out the top nine slated to start the A feature on Sunday.

Doug Wolfgang kicked off the evening with a sizzling 17.448 clocking in time trials. Hodges captured the race opening Knoxville Challenge, a race open to all drivers and owners who had won non-Outlaw feature events during the 1984 racing season at Knoxville. Bobby Davis Jr. led the event through three laps before experiencing mechanical problems.

Heat events went to Swindell, Doty and Randy Smith. John Stevenson led the entire distance to capture the B main.
