

RAINOUT POLICY

In the event of inclement weather, we will post the event status on our website, on our answering machine, and in various other ways such as radio or internet. In the event the entire racing program is canceled prior to the start of the event, your ticket for that event will serve as your rain check for a future event. In the event that racing has started, and in the opinion of the track officials, the inclement weather is sufficient to cancel the remainder of the racing event, the show will be considered complete if we have reached intermission or the Heat races are complete. If the halfway point in the program has not been completed, your rain checks (tickets to races) will be good for an upcoming race. NO REFUNDS will be given. We are not responsible for loss or theft of your rain check. If you choose to use your rain check at an event with a higher admission you will have to pay the difference.

Knoxville Raceway may from time to time choose to complete a feature race from a previously rained out event. This action in no way effects or changes the rainout policy above.
