#### **Weather Cold, Richert Hot at Knoxville Opener**

by Bob Wilson

Knoxville, IA – Jerry Richert Jr., son of 1962 Knoxville Nationals champion, Jerry Richert Sr., captured the 20 lap season opener at the Knoxville Raceway Saturday night. The win, Richert's initial here, came aboard the Marty Johnson Taggart Racing Gambler and earned \$2,000 for the young Minnesota pilot in track record time.

With temperatures hovering in the low forties, Richert took the lead on the second lap, but lost the top spot to 1987 track champion, Randy Smith, on the ninth circuit. The duo raced nose to tail through lapped traffic until they caught the white flag. Richert dove below Smith, took the lead in turn one, and sprinted the final half-mile distance for the win. Terry McCarl, Ray Lipsey and Jeff Tuttle completed the top five finishers.

Finishing sixth through tenth were Tommy Scott, Tim Monson, Bruce Moore, Danny Young and Galen Martin. Many eyes were focused on rookie Danny Young, as the seventeen year old ran in the top five for much of the event. Heat race winners were Bruce Moore, Kenny McCarl and Wayne Redmond. Jerry Beek Jr. took the B main.

The Limited Sprint feature saw Mike Twedt take an exciting win after grabbing the lead on the tenth circuit of the twelve lap event. It was Twedt's first career win at the Marion County Fairgrounds. Mike Chadd, Bob Thompson, Cliff Koidahl and Lonnie Jensen formed the top five finishers.

### **Mark Kinser Takes WoO Knoxville Sprint Opener Prelim**

by Bob Wilson

Knoxville, IA – Mark Kinser found the low groove to his liking, as he came on strong late in the race to capture the World of Outlaws Knoxville Spring Opener at the Knoxville Raceway Friday night.

Kinser, who started in the third row in the Jim Reid Gambler, caught and passed cousin Steve Kinser with a low groove pass in lapped traffic on the sixteenth circuit of the twenty lap event. He then went on to extend his lead to a sizable margin as he collected \$3,000 for his second career win on the half-mile oval.

The major portion of the race saw a classic duel between long-time rivals Steve Kinser and Sammy Swindell. The duo toured the oval in close proximity until Mark Kinser made his late race bid. Steve and Sammy followed to the finish line in that order to finish ahead of a fast closing Jac Haudenschild with Doug Wolfgang fifth.

Rounding out the top ten finishers were Bobby Davis Jr., Andy Hillenburg, Jeff Tuttle, Tommie Estes Jr. and Cris Eash. Heat races went to Danny Smith, Wolfgang, Shane Carson and Jerry Richert Jr. Steve Kinser captured the FRAM trophy dash and Bobby Davis Jr. took the B feature. Mark Kinser set the pace in qualifying time trials at 16.629 to top the forty-six competitors.

## **Steve Kinser Wins WoO Knoxville Spring Opener**

by Bob Wilson

Knoxville, IA – For the second straight year, Steve Kinser guided the Karl Kinser Coors Light Gambler to a 25 lap feature event win at the 10<sup>th</sup> Annual World of Outlaws Knoxville Spring Opener. The win was Kinser's fifth triumph on the 1988 WoO campaign trail and paid the Indiana pilot \$8,000 in front of a huge sellout crowd.

The even was a race of attrition, as numerous wrecks sidelined several pre-race favorites. Sammy Swindell and Jac Haudenschild collided while contesting for second place and both flipped as a result. A five-car incident at the original green flag brought the race to an immediate halt. Cris Eash and Lee Brewer Jr. were unable to restart after sustaining damage to their sprint cars.

Several other cars including Friday night's preliminary winner, Mark Kinser, exited before the mid-race point due to mechanical problems. Doug Wolfgang was disqualified for pushing off after the green had been thrown on lap nine.

During the early portion of the race, Kinser had been closely challenged by Haudenschild with Swindell in close pursuit. After those two were sidelined, Dave Blaney took up the chase but was never able to stick a wheel under the Kinser mount.

At the checkered, Kinser had pulled away in lapped traffic to win comfortably. Blaney came across the line second, and was followed by Danny Smith, Randy Smith and Jeff Tuttle. Greg Wooley, Danny Lasoski, Bobby Davis Jr., Tony Armstrong and Tommy Scott rounded out the top ten finishers.

### **Sammy Swindell Sweeps Knoxville Competition**

by Bob Wilson

Knoxville, IA – Sammy Swindell had the night off from the World of Outlaws circuit and made it pay off handsomely as he guided the Harold Annett TMC Challenge winged sprinter to a twenty-lap feature event win at the Knoxville Raceway Saturday night.

For Swindell, who came from mid-pack to take the lead on lap nine, it marked his twenty-third career feature event victory on the Marion County half-mile. The win paid him \$2,000 as he also swept qualifying time trials and his heat event.

Randy Smith made a late race challenge on Swindell in lapped traffic, but fell short at the checkered to the Volunteer State native. Jerry Richert Jr. finished third, Danny Lasoski tallied fourth, and Ray Lipsey was fifth.

The limited sprint feature found a new face in the winner's circle as Knoxville rookie, David Hesmer, took his initial win in sprint competition. Steve Wares, Mike Chadd, Lyle Sylvester and Bob Thompson rounded out the top five finishers in an exciting twelve-lap affair.

### **Richert Jr. Takes Second Knoxville Sprint Main**

by Bob Wilson

Knoxville, IA – Jerry Richert Jr. captured his second feature event of the young racing season as he guided the Marty Johnson Taggart Racing Gambler to a twenty-lap win at the Knoxville Raceway Saturday night.

It was not an easy win for Richert as dry and dusty track conditions forced three yellow-flag periods during the event. On each restart, Richert was able to pull away from his competitors as Jeff Tuttle closed strong at the checkered to take the runner-up spot with Terry McCarl finishing third.

Danny Lasoski took top passing honors, as he came from the tail to place fourth and Ray Lipsey was fifth. Danny Thoman, Randy Babcock, Devlin Polkinghorn, Terry Thorson and TJ Giddings rounded out the top ten finishers.

In the limited sprint portion of the program, Dean Chadd led from flag to flag to capture his seventeenth career win on the Knoxville half-mile oval. Chadd, the 1985 limited sprint champion, also faced numerous caution periods as well as stiff challenges from second place finisher David Hesmer. Mike Twedt, Jordan Albaugh and Mike Chadd completed the top five finishers.

### **Knoxville Mini-Nationals to Danny Thoman**

by Bob Wilson

Knoxville, IA – Young Danny Thoman etched his name into the record books as he captured the 16<sup>th</sup> Annual Mini-Nationals at the Knoxville Raceway Saturday night. The second generation driver grabbed a second lap lead in a race which was never halted to collect \$3,000 in the Al Vander Woude Challenge winged sprinter. It was his initial feature event win here.

Mike Peters took the immediate lead of the twenty lap race but exited shortly thereafter with engine problems. Thoman then picked up the top spot and quickly began cruising through lapped traffic with Jim Grafton making a race-long bid to reel him in. Each driver moved to the high side of the half-mile oval, but time and laps ran out for Grafton as he fell twenty yards short at the checkered.

Only the top six cars remained on the lead lap as Randy Smith, Terry McCarl, Ray Lipsey and Jeff Tuttle chased the front running duo across the line.

The limited sprints also saw a first time winner as Dwight Snodgrass won that division's feature event. Snodgrass was hounded from the mid-race point by David Hesmer, who finished second. Mike Twedt, John Hall and Rick McClure formed the top five finishers.

### **Lasoski Takes Knoxville Feature Win**

by Bob Wilson

Knoxville, IA – 1986 Knoxville track champion, Danny Lasoski, captured his initial feature win of the season as he piloted the Max Rogers Scotch Grove Challenger to victory at the Knoxville Raceway Saturday night.

Lasoski took the lead in the twenty lap event on the seventh circuit when race leader, Terry McCarl, drifted high and struck the turn two fence. McCarl retired from the event with front end damage as Lasoski began to power away from the field. Lasoski was then able to survive a late race yellow to take the \$2,250 win.

Finishing second at the checkered was Jeff Tuttle, who charged hard at the finish, but was unable to reel in the Lasoski machine. Rich Bubak took third, Randy Smith was fourth, and Ray Lipsey rounded out the top five.

Rick McClure captured his initial feature win of the season in the limited sprint division, as he led from flag to flag. Mike Chadd challenged late in the race, but fell short in his bid. Mike Twedt, David Hesmer and Matt Fox finished in that order.

The 35<sup>th</sup> season of weekly racing was marked at the Knoxville Raceway Saturday night with an increase in purse. The new \$16,000 figure compares to \$250 for the initial evening of racing activities on June 4, 1954.

**Knoxville Sprint Races Cancelled**  
by Bob Wilson

Knoxville, IA – The Mid-Season Championship for winged sprint cars at the Knoxville Raceway was canceled Saturday night.

Severed drought conditions throughout the Midwest had forced track maintenance to take unusual watering measures to counter the extremely dry soil. Unfortunately, the scarified track absorbed too much moisture and could not be worked into a running condition.

#### **Steve Kinser Takes Knoxville WoO Tilt**

by Bob Wilson

Knoxville, IA – Steve Kinser is on a roll at Knoxville. Spanning the last two years, the seven-time World of Outlaws King has won every WoO feature event staged at the Marion County Fairgrounds. Wednesday night was no exception, as he piloted the Karl Kinser, Coors Light Gambler to yet another checkered flag at the Knoxville Raceway.

The Kinser streak was in jeopardy throughout the twenty-five lap event as Sammy Swindell threatened for the distance on a track which turned dry-slick from record setting heat wave conditions across the Midwest.

Doug Wolfgang grabbed the immediate lead, but lost that spot to Kinser on the second circuit. Swindell took the runner-up position on the fourth go-around and the stage was set for a classic Kinser-Swindell battle to the checkered.

Lap after lap saw the duo race nose to tail until Swindell dove low into turn one and rode that momentum into turn two for the lead on lap thirteen. With the running positions reversed, Kinser trailed in close proximity until he again seized the top spot six laps later on the front chute as the twosome progressed through lapped traffic.

At the finish, Kinser claimed a narrow fifty yard advantage over Swindell with Doug Wolfgang coming on strong to take third place. Dave Blaney came across the line for fourth and local standout Randy Smith was fifth. Bobby Davis Jr., Johnny Herrera, Danny Smith, Andy Hillenburg and Mark Kinser formed the top ten finishers.

The Fram Dash went to Wolfgang, who additionally set quick time among the forty-six entrants. Qualifying heat races were captured by Swindell, Mark Kinser, Jerry Richert Jr. and Greg Wooley. Davis Jr. won the B main.

In Knoxville Limited Sprint action, Dean Chadd scored his second feature event win on the season to extend his lead in that division's point standings.

### Randy Smith Takes Feature on Hall of Fame Night

by Bob Wilson

Knoxville, IA – Defending track champion, Randy Smith, utilized a late race caution flag to capture his initial feature event of the season at the Knoxville Raceway Saturday night.

Smith, who started in the fifth row, moved steadily through the pack in the Phil Durst Gambler and was in the runner-up spot when the race was slowed on lap seventeen. On the restart, he shot to the inside of race leader, Jerry Richert Jr., and took the lead coming out of turn two to win his twenty-sixth career feature here and a \$2,250 paycheck.

Richert had led the event for seven laps, but settled for the second position at the checkered. Danny Lasoski, Jeff Tuttle and Terry McCarl formed the top finishers.

In the companion limited sprint division, rookie David Hesmer captured his second feature win. Mike Chadd and Bobby Thompson crossed the finish line in second and third.

Trackside ceremonies during the evening saw four men inducted into the 10<sup>th</sup> Annual Knoxville Raceway Hall of Fame night. New inductees were John Stevenson, Gene Kirfman, Jerry Hayes and Johnny Baker.

Saturday night was also a “Night at the Races” promotion and fundraiser for the National Sprint Car Hall of Fame and Museum. Admission prices were increased by one dollar, with all proceeds going to the building fund for that project.

### **Smith, Young, Hesmer, Twedt Post Knoxville Sprint Wins**

by Bob Wilson

Knoxville, IA – Double twin features headlined the racing card at the Knoxville Raceway Saturday night as the annual Twin Sixteen and Twin Ten feature events were contested for limited and unlimited winged sprint cars.

In the unlimited portion of the sprint program, veteran Randy Smith and 17 year old rookie, Danny Young, captured feature event wins in the twin bill. For Smith, it marked his 28<sup>th</sup> career victory here and for Young, the win was his initial at the Marion County Fairgrounds half-mile oval.

Smith grabbed the lead at the outset and held that position for the win in the first sixteen lap A main. Danny Lasoski, Terry McCarl, Ray Lipsey and Jerry Richert Jr. were the top five finishers. In the second feature, Young moved to the front on the fifth go-around and maintained that spot to the checkered. Mark Shaffer, Richert Jr., McCarl and Lipsey completed the top five.

The companion limited sprint division saw David Hesmer and Mike Twedt post feature event wins. Twedt and Dean Chadd followed Hesmer to the checkered in the opener, while Steve Breazeale and Hesmer trailed Twedt to the finish line in the second ten lapper.

### **Smith Wins Knoxville; Weld Debuts New Sprint Car**

by Bob Wilson

Knoxville, IA – Randy Smith scored his fourth Knoxville Raceway feature event win on the season as he guided the Durst-Smith Gambler to a convincing win at the Marion County Fairgrounds Saturday night.

Kenny Weld, now of Independence, Missouri, debuted a radically designed winged sprint car during the evening, but failed to qualify for the feature event. Weld, who is a four-time Knoxville Nationals champion, has been away from racing for over a decade and last raced here in 1977.

The feature event saw Smith come from a fifth row starting slot to take a ninth lap lead in route to his twenty-ninth career win at Knoxville. Danny Lasoski, who started a row behind Smith, made a strong bid late in the race to nail down second place. Jerry Richert Jr. finished third, Jeff Tuttle was fourth and Ray Lipsey took fifth.

In the limited sprint feature event, Toby Lawless grabbed a late race lead to take the win. Steve Breazeale, Dwight Snodgrass, Craig Agan and David Hesmer formed the top five finishers.

A gigantic watermelon feed concluded the evening in the infield pit area as several hundred fans enjoyed the treat sponsored by the 3M manufacturing company.

### **Two Terrys Take Knoxville Sprint Tilts**

by Bob Wilson

Knoxville, IA – Terry McCarl guided the Lenard McCarl prepared Lazer chassis to a twenty-lap feature event win at the Knoxville Raceway Saturday night. The win was the McCarl's first here this season, the sixth of his career, and was worth \$2,250 to the second generation pilot.

The race saw three lead changes as Jim Grafton led on the half-mile oval until lap ten. At that point, Randy Smith lopped his car against the fourth turn fence as he challenged for the lead. Danny Lasoski, who was running a close third, missed the stalled sprinter, but Jerry Richert Jr., in the fourth position, hit Smith solidly. Neither car was able to continue.

On the restart, Lasoski grabbed the lead and appeared to be cruising to the win when a caution flag flew on the eighteenth circuit. During the yellow, he made a quick pit stop for a flat front tire and was relegated to the rear on the final restart.

Jeff Tuttle, who started beside McCarl in the sixth row of the event, finished second and Lasoski drove hard to take third. Danny Young and Ray Lipsey completed the top five.

The Limited Sprint Division saw Terry Thorson lead from flag to flag to win his initial feature event win of the season. Mike Twedt was second and Larry Webb was third.

### **Brad Dubil Takes Knoxville Fair Date**

by Bob Wilson

Knoxville, IA – Brad Dubil made the tow from Davenport pay off as he claimed the twenty-lap IMCA Modified feature event at the Marion County Fairgrounds Thursday night. The win paid Dubil \$500.

The unusual night for racing at the Knoxville Raceway was part of a three-night racing venue during the 71<sup>st</sup> Annual Marion County Fair.

Dubil grabbed the lead at the outset and lost that top spot for one lap to fellow townsman Rick Wages who then dropped from the event with engine failure. Dubil led the rest of the distance to the finish line and was trailed closely by Randy Schroeder and Kelly Shryock who finished second and third respectively.

Fast qualifier, Rex Nun, took fourth, Merv Chandler came from a mid-pack start to take fifth and Jack Miles drove from dead last to place sixth.

### **Billy Moyer Wins WoO Late Model Knoxville Fair Date**

by Bob Wilson

Knoxville, IA – Billy Moyer utilized a mid-race restart to take the lead in a race-long battle with Ken Essary to claim the World of Outlaws/American Late Model Association Series feature event Friday night at the Knoxville Raceway. The win paid Moyer \$4,000 and was his fourth on the season.

Essary took the initial lead on the fourth circuit of the thirty-lap affair and held that top spot until Moyer slipped by on the backstretch of the half-mile oval. On the next go around, Essary regained the lead with an identical move on the same portion of track. Once in front again, he appeared to be in command of the race.

Lap eighteen saw the yellows fly for the first time on the evening and the cars were bunched together. On the restart, Moyer dove to the inside going into turn two and took the lead as he exited into the backstretch.

A second yellow was waved for a spun car with three laps to go and the field of cars again reassembled. Moyer pulled away on the restart, and Willy Kraft, who had been trailing the leaders closely, was able to power his new car by Essary in the first turn.

At the finish, it was Moyer, Kraft, Essary, Rick Aukland and Ray Guss Jr. Finishing sixth through tenth were Johnny Johnson, Johnny Stokes, Joe Kosiski, Rick Egersdorf and Steve Kosiski.

### **Lasoski and Twedt Take Exciting Knoxville Fair Date Sprint Wins**

by Bob Wilson

Knoxville, IA – Danny Lasoski drove the Scotch Grove Challenger to a convincing win at the Knoxville Raceway Saturday night to take his second feature event flag of the season. The win paid the “Show-Me” state pilot \$2,250 and was his eighth career win here in front of a packed house at the 71<sup>st</sup> Annual Marion County Fair.

Jerry Richert Jr. grabbed the lead at the outset of the twenty-lap event, with Lasoski in close pursuit. A yellow flew on the third circuit, bunching the cars and when the green came out again, Lasoski dove to the low side of the track and took the lead going into the backstretch from a rim riding Richert.

With Richert on the cushion, Lasoski continued a low side run through turns three and four, and a high cushion charge through one and two as he pulled away from the competition on a track which had turned dry-slick. Lasoski took the win by the length of the front chute.

Richert held his position to take second, Johnny Herrera followed in third, Jeff Tuttle took fourth and Terry McCarl was fifth. Randy Smith, Tommy Scott, Ray Lipsey from the tail, Wayne Redmond and Danny Young rounded out the top ten finishers.

The feature event for the limited sprints proved to be an exciting affair as Mike Twedt edged Jordan Albaugh by the width of a tire at the checkered flag after the duo ran nearly dead even for the entire 12 lap distance. Bobby Thompson, Dwight Snodgrass and David Hesmer completed the top five in the event.

### **Lasoski, Hesmer Take Knoxville Pre-Nationals Wins**

by Bob Wilson

Knoxville, IA – Danny Lasoski, driving the Max Rogers Scotch Grove sprinter, made it two feature event wins in a row as he captured the twenty-lap pre-Nationals A main at the Knoxville Raceway Saturday night. The win was the ninth in his career here and paid Lasoski \$2,250.

Lasoski led the event the entire distance, yet a total of six caution periods kept the outcome in doubt until Doug Clark's checkered finally flew. Second place finisher, Randy Smith, gained his position on the sixteenth circuit after a hard fought battle from his fourth row starting berth.

Jeff Tuttle took third, Jerry Richert Jr. held for fourth and Tommy Scott came from the seventh row for fifth. Danny Young, Jason McMillen, Brian Tobin, Bob Weuve and Wayne Redmond rounded out the top ten finishers.

The limited sprint feature turned into a one hour marathon as seven yellow, and three reds plagued the race. David Hesmer survived the lengthy affair to claim his fourth feature event win on the season. Sixteen year old Jason Danley was second, and Bobby Thompson was third at the checkered.

**Bobby Davis Jr. Takes Nationals Opener by a Narrow Margin**

by Bob Wilson

Knoxville, IA – Bobby Davis Jr., driving the Casey Luna Ford Gambler, captured the opening round Wednesday night qualifying feature event at the 28<sup>th</sup> Annual Knoxville Nationals.

Davis, who led every circuit of the twenty-lap qualifier, was hard pressed in the closing stages by the defending Nationals champion, Steve Kinser. The final lap saw the front running duo enter heavy lapped traffic and Kinser was actually able to take a momentary lead as he shot to the low side of the track in turn three. The twosome forged into the final turn, side by side, but Davis' cushion riding momentum gave him a slight advantage coming down the front chute. At the checkered, it appeared that the front bumper of the Davis machine was actually pushing one of the backmarkers in front of him as he took the win over Kinser by no more than the width of a tire.

"It looked close to me. I just stepped on the gas," Davis explained at trackside afterward about the narrow margin of his win. He credited mechanic, Kenny Woodruff, and engine builder, Ron Shaver, for their work on the Ford powered sprinter. "Casey Luna," Davis said of his owner, "If it wasn't for him, this whole program wouldn't be together right now."

The race brought out an immediate yellow flag on the opening lap when B main transfers, Ray Lipsey and Kenny Weld each struck the outside retaining wall, Lipsey in turn four and Weld in turn one. A second red flew just as Davis completed the eighth circuit when Devlin Polkinghorn struck the first turn fence. It was at this point on the restart in which Kinser moved into the runner-up spot with a pass of Danny Smith. Smith held that position to place third in the event, pole-sitter Donnie Kreitz Jr. took fourth, and local standout, Danny Lasoski, came from a sixth row starting berth to finish fifth.

The all important battle for points to make Saturday's Championship line-up wound up in a three-way tie with Kinser getting the nod over Davis and Smith by virtue of a faster qualifying time trial. His one-lap clocking of 16.331 narrowly missed the year-old mark of 16.263 set by Jimmy Sills on the half-mile oval, as fifty-five cars went through qualifying paces. Davis, who finished second to Kinser in last year's Championship feature, went into the record books with the first Ford powered win at this historic fairgrounds in a quarter of a century.

The race promised an additional historic note as the only three, four-time Nationals champions, Steve Kinser, Doug Wolfgang and Kenny Weld were scheduled in the twenty-two car starting feature grid. Wolfgang, who was slated to start in the fourth row, lost a fuel pump as he was pushed off and failed to make the event.

## **Dave Blaney Posts Second Round Knoxville Win-Gains Nationals Pole**

by Bob Wilson

Knoxville, IA – Dave Blaney provided the drama during the Thursday night qualifications at the 28<sup>th</sup> Annual Knoxville Nationals, as the Buckeye State pilot guided the Allen Nott Honda Gambler into the winners' circle for the twenty-lap feature event.

Blaney, who had just picked up a big win at Hagerstown the previous weekend, was fortunate to have made the race at all as he was nearly sidelined in a four-car pile-up during the start of his qualifying heat race. Also involved in that violent first turn skirmish were Marlon Jones, Danny Thoman and John Sernett, with Jones' machine exiting the track through the safety fence. None of those drivers were able to restart.

Thirty-five minutes after the tow wrecker had dropped the badly damaged Blaney mount in the work area, and while the fence repairs were taking place, the Darryle Saucier crew completely rebuilt the front end on the car and had it pushed off on time for the heat event.

In the feature, Blaney assumed a second lap lead after the original start fell to a caution flag when Sammy Swindell cut a tire and Mark Kinser jumped the starting spot. Each driver was relegated to the rear as a result of the incidents.

Blaney, whose father was fourth in these Championship events in 1974, used the cushion on the half-mile oval as the race progressed, but was equally successful when he chose to run the low route.

“The guys had my car hooked up really well either way,” Blaney said in a post race interview. “I think mostly you could stay on top and kind of sneak through and stay out of trouble up there.” The first place finish enabled Blaney to compile 494 points which was enough to guarantee the pole position in Saturday night's Championship lineup.

Jeff Swindell, who led the race on the first circuit, dogged the fleet Blaney for the entire ten-mile distance. A lone caution flag on lap twelve for a stalled Mark Kinser sent that hapless youngster to rear for a second time and when the race was resumed, Blaney was able to keep Swindell at bay and take the win by ten car lengths.

California transplant, Jimmy Sills piloted the Pennsylvania based sprinter to a third place finish and Jerry Richert Jr., whose father won this event in 1962, came from a mid-pack start to place fourth. Cris Eash settled for the fifth place finish.

Fifty-two cars went through qualifying time trials as the halfway point was reached for the twenty-eighth running of the Knoxville Nationals.

## **Wolfgang Doubles, Sammy Wins During Friday Night National Events**

by Bob Wilson

Knoxville, IA – Long-time Knoxville Nationals participants Doug Wolfgang and Sammy Swindell took the spotlight by winning feature events at the Friday night portion during the four days of qualifications at the Knoxville Raceway.

Wolfgang, who sat aboard the Les Kepler Kodiak Lightning chassis sprinter, captured two feature events on the evening and pushed his all-time career feature wins total to 46 at this historic half-mile oval. The South Dakota native had been sidelined during the opening night of qualifications and was forced to run Friday's events in order to gain a starting position on Saturday.

In that 20 lap qualifier, "Wolfie" inherited a ninth lap lead when front-runner Robbie Stanley lost an engine as he entered turn one. Wolfgang maintained that top spot to the checkered and was followed by Kenny Jacobs, Mackie Heimbaugh, Danny Young and Jim Bell Jr., who came from the rear of the twenty-two car field after lap nine. The win gained Wolfgang and the top ten finishers a starting spot in Saturday's C main.

The second feature which went into the Wolfgang win column was the twenty-lap Race of States. The 18 car field was paced for thirteen laps by Colorado's Rich Bubak. Nationals veteran, Lealand McSpadden, then claimed the top spot for the state of Arizona for three circuits, while fending off a determined challenge by Wolfgang. Lap seventeen saw the duo enter heavy lapped traffic in turn three and a side-by-side battle ensued through the turns with Wolfgang inching in front for good as they passed the flag stand. Cris Eash brought home third for the state of Maryland, Bubak held fourth for Colorado and Ray Lipsey took fifth for Nebraska.

The Swindell win was registered in the 20-lap Mystery Feature as the race went green to checkered for the ten-mile distance. Jimmy Sills took the lead at the outset and set sail on the high side cushion. Swindell, aboard the Harold Annett TMC '89 Challenger, tried various portions of the half-mile track in order to catch the fleet Californian, but could gain no more than a ten car distance behind the Sills' mount. Lap eighteen saw the duo enter heavy traffic as Swindell dove low in turn one and took the lead for good from the high riding Sills. Donnie Kreitz Jr. followed for third, Jack Hewitt finished fourth and Steve Butler claimed fifth.

### **Steve Kinser Takes a Sixth Title at 28<sup>th</sup> Knoxville Nationals**

by Bob Wilson

Knoxville, IA – Steve Kinser drove the Karl Kinser Coors Light Gambler to one of the most exciting wins in the twenty-eight years of Knoxville Nationals history before a sellout crowd at the Knoxville Raceway Saturday night.

“I didn’t think I was gonna win it. They go to racin’ with each other,” Kinser explained about Dave Blaney and Bobby Davis Jr., who were running first and second in front of him, “and I snuck back in there.”

The track played a big part in the sixth Kinser win as pole sitter Dave Blaney was in command of the race for a great portion of the 30-lap event with Kinser chasing in close quarters. A lap sixteen restart after a yellow, saw Davis get by Kinser and that trio of cars brought the huge grandstand crowd to its feet for the remainder of the race.

On lap twenty-four, Davis dove beneath Blaney in turn one and gained the top spot momentarily, but Blaney was able to fend him off down the back chute. The following lap saw Davis try the high cushion and that was when Kinser mounted his charge on the low side and formed a three abreast battle around the half-mile oval. The issue was settled at the flagstand as Kinser took the lead and held it to the checkered for a ten car length win.

In the post-race interview, Kinser said he noticed Blaney getting a little loose on the track at about lap twenty-five when Blaney and Davis were contesting the lead. “The track had a middle groove in it,” Kinser said. “I wish I’d been in there a little bit sooner. I guess I’m a little bit hard-headed. I stayed right three for too long. Those last 5 or 6 laps, I just caught it just right and I’ll tell you what...I’m just worn out.”

Kinser, whose previous titles came in 1980, 1981, 1982, 1986 and 1987, was paid \$30,000 for the championship run and earned an additional \$2000 for his win in the Wednesday night qualifier. The eight-time World of Outlaws champion gave his owner, Karl Kinser, the we-did-it-again sign as he slowed his sprinter down the front chute toward victory lane.

Bobby Davis, who finished in the runner-up spot for the second straight year, earned \$20,000 for his hard fought efforts. Dave Blaney recorded his highest finish to date and received \$12,000 on the night. Sammy Swindell, aboard a new Challenger chassis, drove a solid race to record a \$9,000 fourth place finish.

Without a doubt, Doug Wolfgang drove more racing laps than anyone as he started eleventh in the C main and finished second to Kenny Jacobs in the 15-lap affair. That earned him a tail-end starting berth in the 22-lap B main, which he won. Starting again at the tail of the championship feature, he placed fifth when the final checkers flew on the 28<sup>th</sup> Annual Knoxville Nationals.

**Smith, Hesmer Win Knoxville Finales – Take Track Championships**  
by Bob Wilson

Knoxville, IA – The 1988 season finale for the Knoxville Raceway saw Randy Smith and David Hesmer capture feature event wins at the Marion County Fairgrounds Saturday night.

Smith, who is the defending track champion, additionally captured an unprecedented fifth track title as he took an eighteenth lap lead in the Phil Durst Gambler from Mike Brooks. The \$2,250 win was a milestone in Smith's career as it marked his thirtieth feature win on the Knoxville half-mile oval.

Brooks, who came out of retirement late this season, withstood stiff challenges from Johnny Herrera and Danny Lasoski to take the runner-up spot in the twenty-lap feature. Herrera, Lasoski and Ray Lipsey formed the top five finishers. Terry McCarl, Tommy Scott, Danny Young, Jerry Beeck Jr. and Jaymie Moyle rounded out the top ten.

David Hesmer, in his rookie season at Knoxville, took the 12-lap limited sprint feature, his fifth on the season here. The win assured Hesmer of the track title and paid the former mini-sprint pilot \$500. Terry Thorson, Jordan Albaugh, Dwight Snodgrass and Jason Danley were the top five finishers as the Knoxville Raceway concluded its 35<sup>th</sup> season of weekly racing.
