

APPLICATION FOR 2020 KNOXVILLE RACEWAY SEASON MEDIA CREDENTIAL

This media credential application is for the 2020 Knoxville Raceway Season Media Credential. This credential is issued to media attending weekly racing events at Knoxville Raceway. The credential will grant the media member access to the infield area and victory lane and is valid for the pass holder only. The deadline for 2020 season-long credential requests is **Friday, April 3, 2020.**

Please note that this credential application does not include access to the 2020 NOS Energy Drink Knoxville Nationals presented by Casey's or the Lucas Oil Late Model Knoxville Nationals. Applications for those events will be posted at a later date. A season media credential will NOT be valid for the aforementioned special events and credential applications will have to be turned in for those events separately.

Passes will be issue only to applicants from media organizations with wide spread distribution or circulation, as determined solely at Knoxville's discretion, with confirmed assignments from their editors. Organizations that live solely on social media will not be granted credentials. **NO FREELANCE REQUESTS WILL BE GRANTED**

- No "blank" passes will be issued.
- Passes will be issued to applicants subject to their Media Organization or Publication signing the Knoxville Nationals Accreditation Terms & Conditions attached to the application form. Passes cannot be issued without the attached form filled out completely and returned to Knoxville Raceway.
- The Knoxville Raceway Media Credential Terms & Conditions include (but are not limited to) the provision that any stories produced and/or still photographic images taken at each event will only be used for bona fide media publications and activities and to promote Knoxville Raceway and the events taking place at Knoxville Raceway (the "Media and Promotion"). If, at any point, Knoxville Raceway reasonably suspects that any applicant is present SOLELY for resale and commercial purposes rather than for Media and Promotion, the applicant's accreditation may be immediately suspended or revoked without notice.
- Every credentialed media member must sign in at the pit window every event night. Photographers will be given a "photo vest" on first event night attended. Please keep your vest and turn it in to pit window, ticket office or to Kendra Jacobs by the end of the August 1 event.

Photos are not required to be provided to Knoxville Raceway, but may be requested for social media, website and promotions for Knoxville Raceway and its events and activities. Knoxville Raceway will contact the photographer in such circumstances for permission and credit the photographer in such uses. Knoxville Raceway shall not use the photos for commercial or advertising purposes without the prior consent of the photographer. Photos will not be distributed outside of the track's personnel, nor will they be provided to teams, drivers, media outlets, or other third parties. Photographers applying for accreditation must be associated with a reputable publication as determined in the reasonable direction of Knoxville Raceway.

- No media outlets will be permitted to utilize GoPro or similar cameras on any cars or any fixed locations at the track without prior written consent of Knoxville Raceway.
- Infield parking will not be guaranteed at each event for credentialed media members.
