Wolfgang Wins His First Feature

Happiness is winning a feature at Knoxville!

When the checkered flag fell on the first 35-lap feature of the 1976 season Saturday night, May 1, it was Doug Wolfgang who stepped from the winning car. Wolfgang had just finished wheeling Dave Van Patten's #18 Trostle sprinter to his first feature win, ever.

Leonard McCarl, who started on the pole, led for the first six laps, until Wolfgang blasted by to take the lead coming out of turn one. Following Wolfgang through for second place was Bill Mellenberndt. On the eighteenth lap, Dick Morris, who had started alongside Wolfgang in the third row, moved into third place. McCarl finished fourth, followed by last year's Nationals Super Sprint champion, Eddie Leavitt. Leavitt was driving the 1x car as the #40 car he usually drives was not ready for action.

Wolfgang earned \$450 for his triumph and said, "Boy! It was a lot of fun. This car was really working beautifully."

Morris, Rookie of the Year here last year, approached Van Patten the race and said, "What are you doing, trying to make me look bad?" Morris was to drive for Van Patten and had the car out several times during the winter. Then he decided to drive for some friends.

Wolfgang started off the evening by posting fast time, finished second in the trophy dash, and won his heat race before capturing the feature.

Leonard McCarl led all the way to win the trophy dash, with Wolfgang second and Ron Milton third.

The first heat went to Gary Johnson, who passed Mark David on the seventh lap, after the two had fought nose to tail for the first six laps, while Dick Kenny was third.

Dennis Olson was the winner of the second heat, followed by Sonny Smyser and Gary Rogers. The third heat saw Dick Sutcliffe lead Dick Morris and Jerry Blundy across the finish line.

In the consolation, McCarl, Bill Robison, Mike Thomas, Stacy Redmond and Mike Brooks finished in that order to make it into the feature. The results of the feature were Wolfgang, Mellenberndt, Morris, McCarl, Leavitt, Milton, Sutcliffe, Maxwell, Robison, Brooks, Gary Dunkle, Thomas, Redmond, Johnson and Olson. The feature was accident free, and there were no serious accidents during the program.

Leavitt Winner in Farmers' Hot Sprinter

Knoxville, IA – Eddie Leavitt, 33, of Kearney, Mo. took home the lion's share of the purse last Saturday night by virtue of his victory in the feature event for sprint cars here at Knoxville. Leavitt, driving a car sponsored and owned by R&H Farms of Williams, Iowa, took the lead on the 10th lap of the 25-lap feature from hard

charging Dick Sutcliffe of Raytown, Mo. Leavitt, who is a truck-owner-operator during the off-season was never again to be headed during the remainder of the event.

Leavitt, driving a 350 Chevy sprinter built by Beck, held off a serious challenge from Sutcliffe and Dick had to settle for second place money. Third spot went to Iowan Dick Morris of Sioux City.

Sutcliffe, who has been a top money winner here over the past several years won the Trophy Dash finishing ahead of last week's feature winner, Doug Wolfgang, who recently moved to Des Moines. Leavitt was third in the 5-lap event.

Stacy Redmond of Mason City, Iowa in his familiar No. 61 red sprinter took top honors in the 10-lap consolation.

Ron Milton, a new driver at Knoxville this year of Jacksonville, Ill. took second in the consy after the race was resumed following a minor tangle in the number two turn involving Joel Taylor of Milford, Iowa and Steve Hainline of Bonaparte.

Heat events were won by Dick Kenny of Lincoln, Nebr., Bill Randleman of Jefferson, Iowa and Doug Wolfgang and Dick Sutcliffe.

John Stevenson of St. Paul, Minn. was the evening's fastest qualifier, posting a time of 30.653 on the half-mile dirt oval.

Wolfgang on Hot Streak, Cops Knoxville

Knoxville, IA – Doug Wolfgang, 23, of Des Moines continued his winning ways at the Marion County Speedway by capturing the evening's sprint car feature here last Saturday night.

Wolfgang, driving a 350 Chevy sprinter built by Bob Trostle, took the lead on the eighth lap of the 25-lap event. At the drop of the green flag, Don Maxwell jumped into an early lead. However, by the fifth circuit, Maxwell lost the lead to Dick Morris. The evening's fastest qualifier, Morris appeared to have victory in sight when a gear failed and forced him from competition on the next to last lap.

Wolfgang, a truck owner/operator in the off-season, has kept the “pedal to the metal” thus far this season and now has scored two feature wins at Knoxville as well as a pair of wins in Minnesota. Don Maxwell, Gary Dunkle, Dick Sutcliffe, Billy Robison, Bill Mellenberndt and Butch Bahr trailed.

The conso was won by Gary Dunkle, followed by Bahr and Lenard McCarl.

The Trophy Dash found Eddie Leavitt taking the win. Mechanical problems forced Leavitt from further competition following the Dash.

Heats went to Hank Elmendorf, Mike Brooks, Dennis Olson and Morris.

Race director, Ray Grimes, has announced that this Saturday is “Mini-Nationals” and will offer a purse of \$5,000 with \$1,000 to the feature winner.

Wolfgang Wins Mini-National

Knoxville, IA – Doug Wolfgang of Des Moines continued his winning ways here last Saturday, capturing the mini-nationals sprint car races at the Marion County Fairgrounds.

It was Wolfgang's third triumph here in four nights of racing so far this season, including the last two consecutive Saturday's. He was the fastest qualifier for the night, recording a time of 21.251 seconds.

He claimed the lead late in the feature when Dick Sutcliffe, who had led most of the race, spun out and hit the wall in the first turn. He was not injured in the mishap.

Wolfgang Wins Close One

Knoxville, IA – Doug Wolfgang of Des Moines captured the 25-lap feature event for sprint cars at the Marion County Fairgrounds Speedway last Saturday night. Wolfgang, 23, took the lead on the next to the final lap after a torrid battle with Bill Mellenberndt of Sioux Falls, South Dakota. Mellenberndt led the first 23 circuits of the fast half-mile dirt oval. Following not far away from Mellenberndt was the hard-charging Butch Bahr of Lincoln, Nebraska. Bahr held on to second until the 20th lap when he gave it up to Wolfgang. On the last lap, Wolfgang passed Mellenberndt and went on to victory. It was the fourth feature victory of the season for Wolfgang, who drives a car built by Bob Trostle of Des Moines.

Dick Kenny of Lincoln, Nebraska won the consi race leading the event from start to finish. Steve Hainline of Bonaparte, Iowa was a close second, and was followed across the line by Des Moines's Mackie Heimbaugh.

The Trophy Dash, with nearly a photo finish saw Mike Pinckney of Des Moines and Butch Bahr stage a race that brought the fans to their collective feet. Pinckney scored the win, with Bahr in second and Wolfgang in third. It was the first Trophy Dash victory ever for Pinckney here at Knoxville.

Heat winners included Dennis Olson of Braham, Minnesota, Wolfgang and Mellenberndt. The evening's fastest qualifier was Dick Morris of Sioux City, who toured the oval in 21.625 seconds.

Gary Dunkle Wins Feature

Gary Dunkle of Lincoln, Nebraska, won the sprint car feature last week at the Knoxville Speedway.

Dunkle, a 25 year old tool maker, led the pace from the start and earned \$1,000 for his impressive victory over second place finisher Dick Morris of Sioux City. Bill Mellenberndt took home third place honors in the feature.

Dunkle built a considerable lead over the rest of the field early in the race, until the 15th lap, when Tony Webster spun in turn four bringing out the yellow flag. As the race was resumed, Doug Wolfgang charged after Dunkle for the lead, but mechanical problems forced Wolfgang to settle for fourth place.

Wolfgang, 23, of Des Moines, won the trophy dash with Dunkle taking second place and Dick Morris finishing in the third slot.

The only mishap of the evening took place in the second heat race when Bill Curtis of Kansas City, Missouri, hit the wall in turn four. Although his car was damaged, Curtis was not injured.

Eddie Leavitt of Kearney, Missouri, was the evening's fastest qualifier as he toured the half-mile in 20.586 seconds.

Doug Wolfgang Wins Sixth Feature and Season Point Title Here

Doug Wolfgang of Des Moines won his sixth feature of the season here last week and in doing this, assured himself of the point championship as well. Wolfgang has 1365, 195 more than second place Bill Mellenberndt. A sweep by Bill would net him only 185 and not enough to catch Wolfgang.

Wolfgang was challenged last week for the lead in the feature several times by Eddie Leavitt and Eddie passed Wolfgang on the white flag lap, but Doug regained the lead on the final lap and won the race. Wolfgang also won the dash.

Mackie Heimbaugh won the consi and heat winners were Harvey Grooms, Sonny Smyser, John Stevenson and Eddie Leavitt. The night was marred by several accidents. During qualifying, Greg Helms flipped his sprinter out of the track, landing upside down. Randy Smith hit the wall in the feature, and Ron Williams flipped his car in the feature. Mackie Heimbaugh also flipped in the feature to avoid the Williams wreck.

Eddie Leavitt Feature Winner; Final Point Tally Announced

Eddie Leavitt, 33, of Kearney, Missouri took home a lions share of the prize money Saturday night by virtue of his victory in the feature event. Leavitt, driving a car owned by Fred Aden of Tucson, Arizona, took the lead on the fifteenth lap as the race was restarted following a crash by Bill Mellenberndt.

Mellenberndt, of Sioux Falls, South Dakota, was leading the feature race, when on lap fourteen his tire blew, causing him to flip several times in turn one. Leavitt, who was second to Mellenberndt at the time of the crash, had his racer grazed by Mellenberndt as he drove under the airborne Mellenberndt. Bill was taken to Collins Memorial Hospital and held for observation.

Leavitt also was the evening's fastest qualifier as the truck owner/operator toured the half-mile oval in 20.611 seconds. Dick Morris of Sioux City finished second in the 25-lap feature followed in third by Lloyd Beckman of Lincoln, Nebraska.

Earlier, Mellenberndt won the Trophy Dash as he led the event from start to finish. Dick Morris finished a close second, followed across the line by Roger Larson of Madison, South Dakota.

Young John McClure of Burlington flipped his sprinter in the fifth heat as he came into turn one. He was treated and later released from Collins Memorial Hospital with only minor injuries. His car was heavily damaged by the spectacular crash.

The consi race also found Mellenberndt in Victory Lane as he led Jimmy Sills to the checkered flag. Larson managed to take home third place honors in the event.

Heat winners included: Randy Smith of Mt. Ayr, Dick Kenny of Lincoln, Nebraska, Gary Dunkle, Lincoln, Nebraska and Junior Parkinson of Kansas City.

Wolfgang Wins at Knoxville

Doug Wolfgang of Des Moines led all 25 laps to win the season championship at the Marion County Speedway. Wolfgang won his seventh feature event of the season.

Eddie Leavitt, last week's feature winner, finished second. Leavitt set a new one-lap track record on the half-mile oval. Leavitt's time of 20.331 seconds erased the long-standing mark of Joe Saldana. Saldana's record was 20.37 on July 18, 1970.

The evening's program was delayed by three major accidents. Cars driven by John Stevenson of St. Paul, Minnesota and Jack Comer of Rapid City, South Dakota both flipped in separate accidents during time trials. Neither was hospitalized.

A major accident occurred during the consolation event when Dick Morris of Sioux City flipped after taking the checkered flag in second place. Morris was taken to the local hospital for examination.

Joe Saldana Fastest; Ron Rea Wins Prelim
by Chris Economaki and Larry Sullivan

Knoxville, IA – A pair of former “outlaws” now running USAC returned to the Knoxville Nationals and stole the opening night thunder as the 16th running of the super sprint classic got underway one day late due to rain.

Regains Record

Joe Saldana, winner of the crown here in 1970 and holder of the one-lap record between July 18, 1970 and August 7, 1976, regained the honor with a sizzling 20.247 clocking in time trials, and Ron Rea, a transplanted Californian now living in Indianapolis, won the 20-lap feature.

The one-lap mark of 20.37 for cars without wings-was taken from Saldana by Eddie Leavitt only five days earlier on the last night of the regular season, when he turned the black dirt half-mile in 20.331. Saldana drove Bill Smith’s Speedway Motors 4x usually handled by Jan Opperman. Rea was an all-the-way leader in the feature. At the wheel of the new Len Faas Edmunds machine, he opened up a straightaway lead on his rivals, which evaporated on the 12th lap when a yellow flag for a twin spin by Darryl Dawley and Jim Darley Closed up the field.

Rea again pulled away, taking the checker a half straight ahead of Lee Osborne-another USACer-who had taken the place from Ted Wise with two to go when Wise ran out of tear aways, the thin plastic sheets that cover helmet plates.

Behind Wise in fourth was Stacy Redmond, trailed by Ron Shuman and track champion Doug Wolfgang. Only ten of the 20 starters were around at the end, mechanical attrition being high.

Two-Car Crash

A spectacular two-car tangle stopped the second heat when Larry Clark and Jerry Frantsen made the turn one fence. And in time trials, which put the fastest ten into the Saturday night final, Tony Webster’s Tessendorf 36 broke a hub and sent the right rear wheel to Kansas City and his car into a series of flips. No one was hurt.

The trials saw cars take to the track with 43 taking time. Despite a seven-minute cleanup for Webster’s flip, the timed runs were completed in 59 minutes.

Gary Dunkle Fastest; Prelim to Eddie Leavitt
by Chris Economaki and Larry Sullivan

Knoxville, IA – Flaunting a Friday the 13th superstition, Gary Dunkle and Eddie Leavitt were the stars of the second night of the 16th Annual Knoxville Nationals for super sprints before a large crowd.

47 Qualify

Dunkle, a Lincoln, Nebraska 25 year-old who builds his own cars, paced the night's 47 qualifiers to win a front-row starting place for Saturday night's final, while Leavitt came from sixth starting place to win the 20-lap feature.

Rick Ferkel, with a brilliant last-lap pass, took second from fellow Ohioan Fred Linder, while Butch Bahr and Gary Scott completed the top five finishers in the feature. Dunkle, like Saldana the night before, elected not to compete after his time trial run, saving his equipment for Saturday's big money.

Linder took the early feature lead followed by Ralph Quarterson and Leavitt after a turn two tangle twirled the cars of Lenard McCarl, Billy Thrasher and David Fair.

Ferkel, who started tenth, took Quarterson for fourth after the Pennsylvanian lost second to Leavitt on the third lap. The action was slowed when pole starter, Harold McGilton, nosed into the first turn fence on lap five and executed a slow roll over.

Leavitt dove under Linder on the seventh lap and that was it for the lead as attention switched to the onrushing Ferkel, who hooked up in a tremendous duel with Linder for the final ten laps. The pair spent most of the time side by side until the final turn.

As the race ended, Thrasher had his second thrill of the event when his front axle collapsed in turn three and the race ended under the red and checker.

Dick Bailey took a nasty solo flip in the third heat, but like McGilton, was not hurt.

Ferkel, Billy Robison, Dick Sutcliffe and Len McCarty took the ten lap heats.

Eddie Leavitt Wins Second Knoxville National Race

by Robert Kolarik

Knoxville, IA – Eddie Leavitt of Kearney, Missouri retained his National Super Modified Championship title Saturday night at the Marion County Fairgrounds.

Leavitt, starting on the outside of the third row in the 20-car field, moved past Gary Dunkle on lap 11 and was never seriously challenged as he took the \$4,000 first prize.

Dunkle, of Lincoln, Nebraska, who held on for second place, was the second fastest qualifier and jumped into the lead past pole-sitter Joe Saldana of Lincoln, Nebraska, at the start of the 30-lap event.

Set Track Record

Saldana had earned the pole position by setting a track record of 20.247 seconds around the one-half mile dirt oval in Thursday's qualifying.

Leavitt said he entered the race intending to run it "wide open." The strategy worked, as he breezed to his second consecutive championship.

Lee Osborne of Jamestown, Indiana, took third, followed by Bubby Jones of Danville, Illinois, Saldana and Greg Weld of Kansas City, Missouri. The best finish by an Iowan was nineteenth by Stacy Redmond of Mason City.

Rick Ferkel of Findlay, Ohio, despite having his one-third lap lead eliminated by a caution flag, captured the 22-lap B feature.

McCarl Third

Ferkel took the lead from Gary Patterson of Sacramento, California, on the fourth lap, and lengthened it until the caution flag was thrown on lap 19 when Randy Smith of Mount Ayr spun out on the backstretch.

Lenard McCarl and Doug Wolfgang, the only Des Moines drivers in the B race, finished third and fifth, respectively. Wolfgang was the season point champion at Knoxville this season.

In the C feature, Rick Goade of Fullerton, California, led all 15 laps for the victory.

However, misfortune befell Goade. By winning the C event, he qualified for the B main. During the warmup laps for that race, Goade's car overturned in the first turn. He was taken to a local hospital for examination, but returned to the track before the completion of the evening's racing complaining of back injuries.

A special race scheduled Saturday morning for drivers who did not qualify for any of the three feature races was canceled because of rain.

Eddie Leavitt Masters Knoxville Again by Wayne Grett

Knoxville, IA – There is something about special races at the Marion County Fairgrounds here that turns Eddie Leavitt on.

The driver from Kearney, Missouri won the 25-lap sprint car feature Monday night and claimed the overall point championship in the Labor Day Classic races.

He had finished second in the feature over the one-half mile dirt track Sunday night, and finished third in the opener of the three-night program.

The races were marred Sunday night, when Bill Randleman of Jefferson was seriously injured in the the feature. He was reported in seroiuos condition Tuesday at Mercy Hospital in Des Moines with a crushed left arm, broken right arm, broken clavicle and a concussion.

More than \$1,400 was collected at the track Monday night for Randleman, whose super-modified racer hurdled two fences at the State Fair a few years back, landed in the midway, and killed a woman.

Mike Pinckney of Des Moines also suffered a possible concussion in another crash here Sunday, but he was released from the hospital after treatment.

Leavitt, who also has won the past two national super-modified championships at Knoxville, credits good-working cars for his success.

“It was working fine tonight,” he said. “I had no problems at all.”

He took the lead on the second lap and increased it to approximately 100 yards over second-place finisher Doug Wolfgang of Des Moines.

Gary Dunkle of Lincoln, Nebraska, finished third; Ralph Blackett of Des Moines was fourth, and Dick Sutcliffe of Raytown, Missouri was fifth.

Sutcliffe won Sunday night’s feature and finished fourth in Saturday night’s feature to claim second in overall points.

Leavitt finished with 620 points, followed by Sutcliffe with 510, Wolfgang 485, Sonny Smyser of Glenwood, Missouri, 420, Lloyd Beckman of Lincoln, Nebraska, 385, Blackett 315, Rich Brahmer of Wisner, Nebraska, 295, Dunkle 270, Joe Saldana of Brownsburg, Indiana, 265, and Gary Scott of Holt's Summit, Missouri, 260.

Leavitt earned \$800 as overall champ.

One of the amazing things about Wolfgang's overall finish was that he didn't compete Sunday night. His motor blew during hot laps, but his crew was able to replace it. Then he had some wheel problems and couldn't get the necessary part. He had been second Saturday night.

Race Director P. Ray Grimes termed the three-day venture "successful," but said he was disappointed with the crowds. He estimated Saturday night's crowd at 2,500. Monday night's was estimated at 1,000, and he said it was a little better than the Sunday night attendance.

Fall Jamboree Finale by Lee Ackerman

In 1976, Joe Wallace now racing out of Kansas City, Missouri returned to the Fall Jamboree and made up for his disappointing showing of the year before. When the smoke cleared Wallace was in victory lane with a big check for \$4,000. Wallace led the entire 50 laps of the September 11 event. Steve Keppler of Marion held second throughout the event and took home \$2,000 for his efforts. Don Hoffman of Des Moines started deep in the field and finished third. Joe Merryfield of Des Moines was fourth and fast qualifier Dave Srock finished fifth.

Jerry Wancewicz of Omaha, Nebraska won the B feature with Bill Martin of Council Bluffs second and John Oswaldt of Kansas City third.

The accompanying Sportsman feature saw Gary Crawford of Independence, Iowa take the lead on lap six and lead the remainder of the way. Denny Osborn of Cedar Falls was second, Herb Shannon of Peoria, Illinois third, Rocky Hodges of Des Moines fourth and the legendary Ernie Derr of Keokuk fifth.

On Thursday, September 9, Dave Srock of Pennsylvania had set fast time. Joe Merryfield won the dash over Dave Chase and Bill Zwanziger. Heats were won by Ken Walton of Viola over Kent Tucker, Verlin Eaker over John Connolly and Doug Kenimer of Dahlonga, Georgia over Bill Rice of Des Moines.

On Friday night Don Hoffman had ran a flawless heat race defeating Galen Schafer by about quarter of a lap. Fred Knapp of Des Moines won the second heat and Curt Hansen of Dike the third heat.
